

Watch Girls Gain in Two Weeks Time!

Growing girls and boys need something only Nature can provide. It isn't found in drugs, and it can't be done by diet. Enough fruit would keep the system sweet, but what youngster will eat a quart of apple-sauce every day; or six bananas; or a pound of figs? But all children just love the daily treat of California fig syrup. A rich and fruity syrup that delights the palate, and aids digestion of anything that's eaten. And whets the appetite of children who don't eat enough. Fig syrup for that listless, sluggish, or feverish child! It invigorates a torpid liver; thoroughly cleanses the entire alimentary tract. It will solve childish ills that might otherwise end in stomach disorders or in diarrhea. Try fig syrup! In two weeks you may not recognize the boy or the girl who is now handicapped by constipation or sour better assimilation and elimination are established. Twenty-four hours will clear the furrlest tongue and have bowels in better condition! So much better than tonics of temporary value; or harmful cathartics! Let pure fig syrup take the place of both, but see that you do get the genuine California fig syrup; say "California" when you ask for the generous, sixty-cent bottle.

WASHINGTON HIGH CHAMPIONS LEAVE FOR CHICAGO MEET

DETROIT FINN HAS THREE-HOUR LEAD IN BUNION DERBY

PORTLAND, Ore., March 29.—(AP)—Washington High school basketball team of Portland, winners in the Oregon state tournament, will leave today for Chicago to participate in the National Intercollegiate Basketball Championship tournament there April 3 to 7. Players making the trip are Ed Lewis, center; Vincent Dolp, Harold Inman and Don MacPike, forwards; and Frank McCarty, Alan Cox and Arnold Heikenen, guards.

CHICAGO, March 29.—(AP)—Forty of the country's best basketball teams, survivors of some 20,000 that started the season, will be in the tenth annual University of Chicago national intercollegiate basketball tournament starting next Tuesday and continuing until Saturday night. Morton High school of Chicago, Ill., won the title last year. Thirty-five teams, representing 21 states, are already entered. Thirty are state champions, three are runners-up, and two hold local titles.

Two of the most interesting teams are the United States Indian school, of Albuquerque, winners of the New Mexico tournament, and Carr Creek, Ky. Four Indian tribes are represented on the Albuquerque quintet. Carr Creek lost the Kentucky championship to Ashland, also in the tournament. In a game that went four overtime periods. The team is composed of typical mountaineers, who came to the state meet at Lexington unknown, and so won the people of that city that Lexington is paying their expenses. Without a gymnasium, the Carr Creek boys practice out of doors, wearing overalls for gym suits.

SEVEN SPRINGS, N. M., March 29.—(AP)—Arnie Suominen of Detroit, leader in elapsed time in the cross country marathon, has averaged almost six miles an hour in the 322 miles covered from Los Angeles to this point. His elapsed time is 159:18:05. Suominen's edge over Peter Gavuzzi, Southampton, England, with an elapsed time of 153:25:06, is a little better than three hours, while Andrew Payne of Claremore, Okla., is third with elapsed time of 153:42:17.

Today's scheduled run for the 57 remaining athletes is toward Moriarty, their twenty-sixth control, a distance of 27 miles, and 25 miles from the nearest outpost of communication.

Fighting a terrific windstorm that pelted them with gravel, Eddie Gardner of Seattle, and Harry Ita of Long Beach, Calif., romped into this control, 29 miles from Los Lunas, in a dead heat. Both made the distance in 5 hours, 31 minutes and 20 seconds. Their elapsed time from Los Angeles is: Gardner, 171:35:01, and Ita, 152:32:05.

PRINCETON, N. J.—Foreed to hobble with the aid of a cane since childhood because of infantile paralysis, Charles Claggett is a star on the Princeton freshman gym team. In three months he has learned to do as much on the flying rings and high bar as many unhandicapped boys do in that many years.

ROME.—The cross is to be at the top of the world if all goes well with Noble's expedition. A small oak one is being prepared by the vatican to be taken to the North Pole.

Latest Dope on the Big Leagues

PHILADELPHIA, March 29.—(AP)—Word drifted up from the south today that Manager Mack is far from pleased with the showing of the Athletics to date. Mack and some of the squad are en route to Philadelphia, while Captain Eddie Collins, with the main group in tow, will stop in Greensboro, N. C., for an exhibition game tomorrow. All hands are expected here in time for the opening of the city series with the Phillies Saturday.

LOS ANGELES, March 29.—(AP)—Manager Joe McCarthy of the Chicago Cubs is determined to plug the infield hole which was blamed for allowing the National League pennant to fly away last season. With a coterie of the most brilliant minor league infielders in years already on his roster, he yesterday traded Pitcher Bob Osborne for Ray Jacobs, Los Angeles infielder.

Triumphant in their series with Pacific league clubs, the Cubs today were anxious to try their talent against last year's National League pennant winners, Pittsburgh. The teams are billed for a five-game series, starting today.

SHREVEPORT, La., March 29.—Fred Faber, veteran member of the Chicago White Sox pitching staff, seems ready for another good season in the majors. In his initial appearance of the season yesterday, Faber's spit ball and curves broke as they did in the heyday of his career, and outside of a wobbly beginning, he mastered the Shreveport batsmen. His mound work was taken up by "Harmonica" Goodell, a rookie, in the sixth inning, and the Sox won, 11 to 6. No game was scheduled today.

OAKLAND, Calif., March 29.—(AP)—Donie Bush smiled today, for his Pittsburgh Pirates, viewing the sunshine for the first time

in a week, hit everything served to them yesterday, totaling 17 safeties.

Gen. Wright led the attack with four bonces, while Captain Pie Traynor and Clyde Barnhart each got three. In the fourth chapter of the game the Pirates batted around.

Johnny Miljus and Carmen Hill proved Bush need not worry over his twirlers' long lay-off, for each scintillated.

MIAMI, Fla., March 29.—(AP)—Skeptics who have been worrying about the condition of the star in uniform of the Robins breathed easier today as a result of the sparkling form displayed by Robbie's two aces, Vance and Petty. Potent bats of the Braves, which shelled the Yankees to cover, were silenced yesterday by a score of 9 to 0. Vance gave one hit in four innings, Petty none in five.

ST. PETERSBURG, Fla., March 29.—(AP)—Tony Lazzeri, Yankees' second baseman, has been detached from the Ruppert losing exhibition special. Tony, who strained his side taking a healthy wallop at the ball, is pointed for New York direct to rest up instead of touring.

The Yanks were belted by the Buffs, Braves yesterday, 2 to 4. The mighty Babe Ruth wanted an opportunity at the plate in the ninth by hitting into a double play with two on base and one out.

MEMPHIS, Tenn., March 29.—(AP)—Ernie Nevers, St. Louis Browns pitcher, was called upon to start the second and last game of the Browns with the Memphis club of the Southern Association today. In the Browns' 5 to 2 victory yesterday Catcher Clyde Manion of the St. Louis team went to the hospital when a foul ball split his right hand between the thumb and index finger.

BORDER FARMERS READY TO FIGHT OVER RIVER DAM

WASHINGTON, Mar. 29.—(AP)—Fears that a clash between farmers in northern Minnesota and the Canadian authorities might develop

Guard Against "Flu" With Musterole

Influenza, Grippe and Pneumonia usually start with a cold. The moment you get those warning aches rub on good old Musterole. Musterole relieves congestion and stimulates circulation. It has all the good qualities of the old-fashioned mustard plaster without the blister.

First you feel a warm tingle as the healing ointment penetrates the pores, then a soothing, cooling sensation and quick relief. Have Musterole handy for emergency use. It may prevent serious illness.

To Mothers: Musterole is also made in milder form for babies and small children. Ask for Children's Musterole.

Better than a mustard plaster

if a proposed flood control dam is constructed on the Rosseau river in Manitoba were expressed today by Representative Selvig, republican, Minnesota, who has asked the geological survey to obtain an international adjudication of the that the settlers on both sides of the boundary "are in a fighting mood," he urged that some form of co-operation between the two countries be devised to have the river carry off the floods with the least possible damage.

The proposed dam would cost \$150,000, of which the dominion would contribute \$100,000, but Selvig said that Rosseau county already had spent \$400,000 to control the stream. He advocated that spillways or drainage canals should be constructed with the co-operation of counties to carry off the overflow water.

MRS. COOLIDGE IS CHEER TO MOTHER

NORTHAMPTON, Mass., Mar. 29.—(AP)—Improvement in the condition of Mrs. Lemira Goodhue, mother of Mrs. Calvin Coolidge, was noted in a bulletin issued today by her physician, Dr. J. E. Hayes.

"The patient had a very comfortable night," it said, "and shows improvement this morning." Mrs. Coolidge went to the hospital and remained with her mother until lunch time. Hospital attaches said Mrs. Goodhue appeared brighter and more animated as the result of her daughter's presence.

MILD?..Yes! VERY MILD..AND YET THEY SATISFY

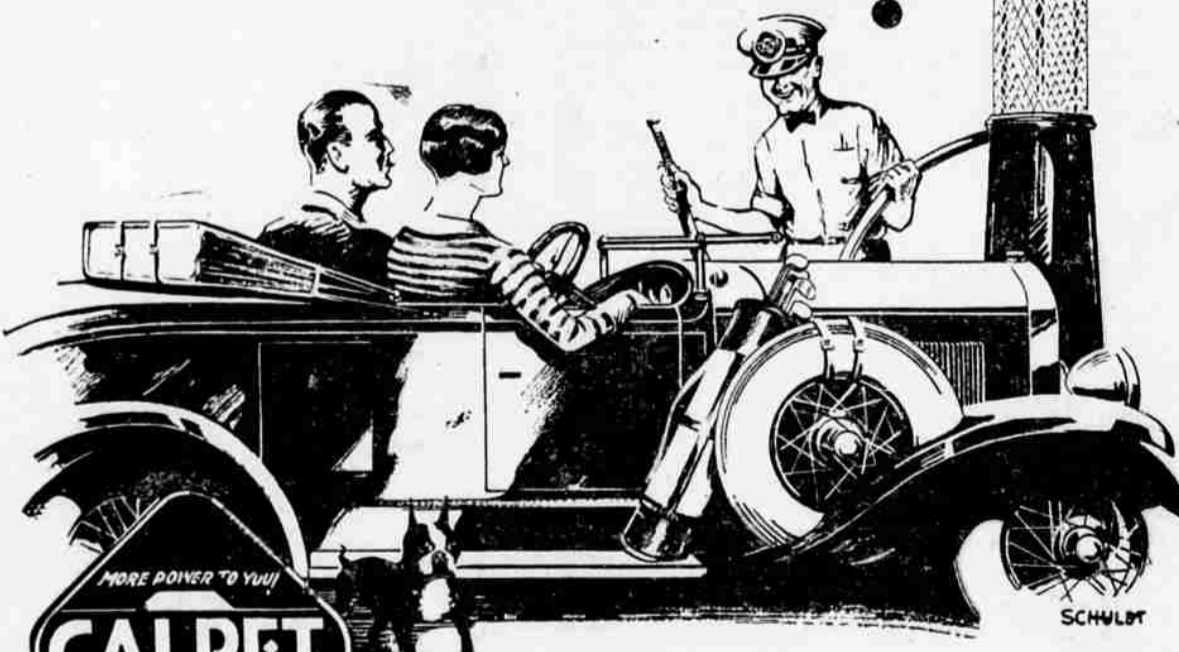

WE STATE it as our honest belief that the tobaccos used in Chesterfield cigarettes are of finer quality and hence of better taste than in any other cigarette at the price.

SAVE YOURSELF MANY AN EXTRA TRIP FOR GAS by always saying to your CALPET DEALER

"Fill it up!"

WHY ASK for five gallons when you have room for seven? Or ten gallons when you could take on fourteen? You are going to need those extra gallons—why not take them along instead of coming back for them? If you drive away with your tank a third empty—and do it three times—it means an extra trip, a trip you could easily avoid. Don't say five gallons—don't say ten! Always say: "Fill it up!"

AND ALWAYS WITH CALPET Extra processed to make it EXTRA SMOOTH Producing all its own crude oil, the Cali-

fornia Petroleum Corporation refines in plants that have cost millions. And it offers Calpet as a completely satisfactory answer to the demand of today's high compression cars for brilliant yet economical performance. Calpet is quick starting—swift in acceleration—and gives a resistanceless flow of power that is velvet in its smoothness.

There is a chain of Calpet dealers that stretches from Canada to Mexico, and they all supply the same high quality of Calpet. Remember the time-saving way to order your gasoline:

"CALPET—and fill it up!"
