A WORD ABOUT MULLINS' POLICY

In representing MULLINS to the people of Medford and southern Oregon, it is our aim to give to them a shopping place that affords a friendly atmosphere, courteous service and last minute style creations in ready-to-wear, novelty slippers and millinery at prices they can afford to pay.

Through a buying connection with other stores Mullins will be able to offer the very lowest of prices consistent with quality. Our buyer in New York combs the markets of that city, sending us the latest and best creations the very minute they are introduced.

We have one of the largest assortments of ready-to-wear styles in southern Oregon, offering all sizes from 13 to 56, with a special department serving the women who require the larger dresses in shorter lengths.

You will be delighted with our opening showing of spring garments—and astonished at our moderate prices. Come! See them!

COATS

Gorgeous! Stunning. Smart! Ordinary words cannot possibly describe the spring coats which have just arrived from New York. Sport coats are more sporty with their new lines and swank materials—dress coats are more dressy than ever. We have 300 of them! The new trimmings of broadtail, butter mole, fitch and squirrel-ette are found on these coats and Kit-tensar is the desired material this season.
