SUOMINEN LEAD IN DERBY GROWS; 2 RUNNERS QUIT

MORIARTY, N. M., Mar. 30.—(AP)—Maintaining his spectacular running, Arvo Suominen, Detroit, continued to lead in elapsed time in the cross-country marathon. From Seven Springs to Moriarty, a distance of 23.5 miles, Suominen averaged better than seven miles an hour. The Finn's elapsed time for the 22.5 miles traveled so far is 1:54:22.05.

Suominen now has a lead of three hours and 31 seconds over Peter Gavuzzi, Southampton, England, still holding second berth with elapsed time of 1:58:20:35.

Following Suominen and Gavuzzi, Andrew Payne, Claremont, Okla., placed third yesterday, coming in 24 minutes and 11 seconds behind the Englishman.

Today the runners expected to move eastward across the rolling New Mexico prairie to Palma, the 27th control, 25 miles away.

Nestor Erickson of Port Chester, N. Y., and August Fegar of Ash-tabula, Ohio, left the race today as a protest against the dismissal of the trainer and countryman, Alex Finn, who was ordered to leave the cross-country caravan for an infraction of the rules. Those in charge of the race said Finn was dismissed for berating Referee Arthur Duffy of Boston.

TY COBB RETIRES, BEATS WALL ST.

NEW YORK, Mar. 30.—(AP)—The Evening Post, in a special dispatch from Augusta, Ga., says today that Ty Cobb had decided to retire from baseball following a reported clean-up of \$200,000 in the stock market.

Inability to get back into playing shape after workouts with the Athletics also figured in Cobb's decision to quit, according to the Post, whose correspondent says his information comes from an unimpeachable source.

Cobb's legs could not stand the strain of another campaign and he was contemplating retirement when the market turned favorable for him and influenced his decision, the story says.

Cobb is reputed to have reaped an estimated profit of \$200,000 in General Motors and Coca-Cola during the unprecedented rise in the stock market within the last week.

OREGON CHAMPS HANDED REBUFF

PORTLAND, Ore., Mar. 30.—(AP)—Members of the Washington high school basketball team, champions of Oregon, who started for Chicago yesterday to participate in the national tournament to be held in that city, were halted by telegraph at Arlington and instructed to return home. It developed the team was ineligible to play in the tournament due to the fact that the Washington high school, as well as other Portland high schools, never affiliated with the Oregon High School Athletic association. Money raised to defray expenses of the trip will be returned to its donors.

ENGLISH CREWS IN THAMES CLASSIC

PITNEY, Eng., March 30.—(AP)—Strains to the highest pitch of efficiency, the crews of Oxford and Cambridge universities engaged in their eightieth annual race on the Thames tomorrow over a four-mile course. Oxford has won 49, Cambridge 38. There has been one tie.

Cambridge is a slight favorite in the betting.

A great deal will depend upon the weather, however. If it should be rough, the crew which wins the toss and is able to choose the more sheltered position is likely to have a considerable advantage.

LOMSKI FAVORED BUT SEKYRA HAS REACH AND HEFT

NEW YORK, March 30.—(AP)—Ten rounds and Leo Lomski, "the Aberdeen Assassin," stand be-tween Joe Sekyra, 21-year-old Dayton, Ohio, light heavyweight, and a chance for a world's flat-championship. Sekyra, who has fought himself into prominence during a ring career of a little more than a year, meets the rugged, hard-hitting Lomski over the ten-round route at Madison Square Garden.

Tommy Loughran, king of the light heavyweights, has agreed to defend his crown against the winner.

The odds were eight to five that Lomski's experience would be too great an obstacle for the youthful Sekyra to surmount. There were fears, too, in the Dayton boy's camp that making 175 pounds, the class limit, would rob Sekyra of some strength that might come in handy when Lomski's right hand, deadly right hand to the champion's chin and Tommy went down twice in the first round for counts of nine.

But Lomski could not keep Loughran down, and the cham-pion boxed his way to victory the rest of the way.

Lomski, at 24, has 75 battles to look back upon, one of them a defeat at the hands of Lough-ran early this year. In that bout, Lomski swung that deadly right hand to the champion's chin and Tommy went down twice in the first round for counts of nine.

Physically, Sekyra will have a decided advantage, as he is taller, heavier and bigger in every way than the Pacific coast slugger.

Latest Dope on the Big Leagues

SAN ANTONIO, Texas, March 30.—(AP)—Stronger than last season in all departments, was the way Manager Moriarty analyzed the Detroit Tigers as the team broke camp here for the north-land trek.

Not a day of the six weeks' training period was lost through inclement weather, Moriarty said, and as a result the men are in excellent condition.

SHERBOURNE, La., March 29.—(AP)—Coach "Big Ed" Walsh of the Chicago White Sox has taught Bill Cissell how to repay the Sox for the \$125,000 they paid for him, but the effort was so strenuous that Walsh pulled a tendon and had to go to bed.

In the first few exhibition games with the White Sox, the Pacific Coast League star was nervous, hitting at wild angles and dropping easy rollers. Walsh took Cissell aside, pitched to him and showed him his most glaring faults. Tossing one of his famous twists, Walsh pulled a tendon and was forced to bed for two days.

Now he is hobbling about with a cane and Cissell is improving rapidly, getting a triple, two doubles and two singles in his last nine times at bat. His fielding has also improved.

LOS ANGELES, March 30.—(AP)—The Pittsburgh Pirates were more respectful of Joe McCarthy's Chicago Cubs today as they got ready for the second game of their five-game series.

Led by Hack Wilson and Kiki Cuyler, a former Pirate, the Cubs beat the National League cham-pions yesterday, 7 to 5. Wilson, with a home run and a double, accounted for six runs, while Cuy-ler doubled and singled, scoring two runs.

MIAMI, Fla., March 30.—(AP)—The Boston Braves have a new worry that has nothing to do with the fact that they have suffered two straight reverses.

Left Fielder Eddie Moore, one of the club's most consistent players, may have to be operated on for appendicitis.

BIRMINGHAM, Ala., March 29.—(AP)—Wally Pipp, Cincinnati Reds' first baseman, made his first appearance of the year when he relieved George Kelly in the sixth inning in the game with Birmingham yesterday. He got a hit his first time up but smashed into a double play in the ninth inning.
