

LOGGING STARTS ON ACREAGE IN BELLVIEW AREA

BELLVIEW, Mar. 29.—L. Wilton of Salt Lake City is busy cutting logs for the Cogstins saw mill being erected on the East Main street road near the box factory. The logs will be trucked into the mill from Shale City. Mr. Cogstins has also purchased the timber on a large acreage of land located in Tolman canyon and has a crew of men busily engaged building a new road into his timber so that he can truck it out to the mill.

Walter Hask was in from his Dead Indian ranch the first of the week. Mike Tucker and Joe Randalls have about completed a new garage on the Ed Barron ranch. Mr. Barron is planning to purchase a new truck for use and it will occupy the garage.

Mr. and Mrs. Archie Kincaid and Mr. Tana of Elkran Creek were in Ashland Saturday shopping. The electric lights were off for several hours last Saturday on account of a crew of men at work of the line near the airport, which is just north of Ashland in the Bellview district. A trial landing was made a short time ago and the pilot reported very favorably for this new field which they hope will not be in the foggy area during the winter months.

Many people from this vicinity attended the Legion show put on two nights, Thursday and Friday. Several playlets, musical numbers and the style show composed the evening's entertainment. Friday night the drawing of the prizes created considerable interest. Miss Leta Walker of Bellview held the lucky number for the third prize, which was a lovely floor lamp.

William Taylor is operating a small sawmill on his homestead located near Shale City. Mr. Moon of the Moon Lumber company is again operating his planing mill after a few weeks' lay-off. With all the lumber industries located in this vicinity Bellview is quite a busy place.

Wade Wallis, who just recently purchased the J. J. Murphy place east of town, is busy preparing a large acreage for alfalfa planting this season. He purchased 1000 pounds of seed to be planted soon. Mr. and Mrs. George Allen of Granite street were callers in this vicinity Monday.

Mr. and Mrs. Pat Spence and relatives who have been visiting with relatives here for the past few weeks, have gone to Chiloquin, where Mr. Spence has secured employment.

Mr. and Mrs. C. B. Haney left the first of the week for an extended trip through some of the eastern states, where they will visit with friends and relatives and expect to spend some time in California on their return. The Upper Valley Community club is giving an old fashioned dance at the club house Thursday evening with the Tucker orchestra furnishing the music.

Mrs. Harkins and son, Phil, are making a visit with relatives in California points. They expect to be away several weeks. Mr. and Mrs. Charley and family are moving to the Butler Walker place on Nell creek, formerly occupied by Mrs. Samuel Johnson and family.

Mrs. Thomas Merryman entertained Wednesday afternoon at her country home east of town in honor of her sister, Mrs. Harry Nordwick of Medford, whose birthday anniversary was on the 28th. The rooms were beautiful with spring blossoms and waxed lilies. The color scheme of yellow and white was carried out in the table decorations, with a suggestion of Easter. The afternoon was spent with games and conversation and at the close a delicious two-course luncheon was served by the hostess, assisted by Mrs. Mark True. Mrs. Nordwick received many lovely gifts. Those included in the guest list were the honored guest, Mrs. Nordwick, Mrs. Carl Gottsche of Medford, Mrs. Jessie Neil, Mrs. B. C. Metcalf, Mrs. Richard Scheiter, Mrs. Mark True and the hostess, Mrs. Merryman.

Miss Marjory Corthell spent last Wednesday night at the home of Miss Wilda Merryman.

Mrs. Jesse Neil was a guest at the home of Mrs. H. H. Gillette on Greenham street Tuesday.

What might have been a serious accident was narrowly averted last Tuesday afternoon when Mrs. A. C. Joy of Bellview, in an effort to miss a car at the intersection of Third and Main streets, smashed into a Ford sedan parked in front of the library. The accident occurred when Mrs. Joy, holding out her hand as a signal that she was going to turn, changed the direction of her car to avoid a direct collision with an unknown car that was traveling down the street and that made no effort to slow up while passing the intersection. The damage to the parked sedan resulted in a broken left fender and a rear wheel. Mrs. Joy was not injured.

PORTLAND, Ore., Mar. 29.—(AP)—Chamber of commerce officials said today that an invitation from Bruce Dennis of Klamath Falls for a delegation to attend the railroad celebration at Klamath Falls May 31 and 12 would be accepted.

BURNS.—Hansen-Wylie Timber company plans big sawmill in Bear valley.

LIVE OAK GRANGE HOLDS SESSION AT ROGUE RIVER

(By Mrs. Myrtle E. Whipple.)
ROGUE RIVER, Mar. 28.—Stephen H. Beers passed away at his home on Evans creek, above Wilmer, Sunday morning, at the age of 85 years. He came to Rogue River in 1872 and has resided on Evans creek all the time. In 1871 he was married to Elizabeth Evans at Philadelphia, Pa., and to this union were born two children, who survive. The daughter, Mrs. Lillie Cole, lives at Weed, Calif., the son, George, resides on Evans creek. The funeral was held Tuesday afternoon at the Presbyterian church, Rev. Wilson officiating, interment in the Rogue River cemetery.

The infant daughter of Mr. and Mrs. J. F. Gulliford passed away Saturday in Grants Pass. The funeral was held Tuesday morning at Hall's funeral parlor, Rev. Wilson officiating. Interment in the Granite Hill cemetery. Mr. and Mrs. Gulliford came here last fall and purchased land on Evans creek and have built a home. The sympathy of their friends is with them in this sorrow.

Leonard Kaup, seventh and eighth grade teacher, spent the week end with his parents at Mouth, Ore. The first and second degree team of the Grange met at the home of Mrs. James Whipple Monday evening and worked on their dresses for the drill. During the evening ice cream and wafers were served and a very pleasant evening was spent.

Live Oak Grange met in regular session Friday evening, March 16, with Master Galligan in the chair. Not as large an attendance as common was out but a nice crowd at that. The regular business of the evening was attended to, then the subject of a hall was discussed, which ended by renting the hall over O'Kelly's store, and they also agreed to furnish it in a manner for convenience. A new piano was purchased Saturday and put in the hall, and this week members have been busy making tables and adding everything needed in the kitchen and banquet hall, so now the Grange has a fine place to meet as well as hold their dances or other entertainments.

Saturday night, March 17, the Ladies' Civic Improvement club held a St. Patrick's dance in the hall over O'Kelly's store and it was a success in every way as the ladies report \$70 net and nothing but praise is heard by all who attended. The proceeds of this dance will be added to the scholarship loan fund. A steam shovel was unloaded here last week and a crew of six men are having quite a time taking it up to the mine on Pleasant creek. The Grants Pass high school band gave a concert at the school-house here last Friday night and was enjoyed by all who attended.

Mrs. H. H. Robbins and two children of Eugene were visiting last week with her father, James Whipple.

The regular meeting of Live Oak Grange will be Friday night, March 30th. Let all members be out as we will meet in the new hall. And on Saturday night, the 31st, the Grange will give another good dance. The floor is in excellent condition and good eats and good music will all be there to help you have a good time.

Mr. and Mrs. James Whipple were Grants Pass shoppers Tuesday.

Mrs. Fred Dingler is getting along as well as possible, although she is not able to be up yet. Mrs. J. W. Dingler of Grants Pass were visitors at the Fred Dingler home Sunday.

Miss Florence White is clerking for the O'Kellys at their store now.

Mrs. Nancy Conway and son Tommy, Mrs. Lon Conway and children have gone to Lakeview for the summer.

The leading representatives of the Jackson county granges met at Gold Hill March 26th, in conference to arrange for the organization of other and more local granges in the county and to seek ways and means to further the grange program of marketing as outlined at our last county meeting.

Plans were adopted to supplement the efforts of the state grange organizer, Gekeler, by each of the local granges assisting the state organizer in turn until the whole county has been well canvassed, which we hope to accomplish before next quarterly meeting of the county granges, with Eagle Point grange, the fourth Saturday in April, where we expect to see the greatest gathering of farm people that has ever met in southern Oregon. Master Cline of Eagle Point informs us they are preparing for us now. Arrangements were made for an open meeting at Live Oak Grange hall in the town of Rogue River on the evening of the second Wednesday in April or on April 11th. The discussion will be marketing, with special reference to dairy products. Discussions will be led by the dairy marketing committee of the grange, George Hill of Medford and Reid Carter and Oscar Shepherd of Live Oak Grange.

The grange plans to take up other phases of marketing and will make special efforts to form a turkey pool later, to include the whole of southern Oregon. We have seen in the last year where the organized growers have received from 20 to 30 per cent more for their products than the unorganized shippers to commission dealers. This we hope will save dollars for all our local people.

Mr. and Mrs. Fred O'Kelly and son Cloyd were dinner guests Sunday at Mr. O'Kelly's parents, Mr. and Mrs. L. O'Kelly.

NOARTHAMPTON, Mass., Mar. 29.—(AP)—Mrs. Lemira, Goodhue mother of Mrs. Calvin Goodhue, spent an uncomfortable night, and her daughter deferred today's visit until this afternoon. Dr. J. C. Hays said, "Mrs. Goodhue did not have as comfortable a night as the night before. She is quite fatigued."

LAGRANDE.—Five buildings will be erected to house state highway shops.
