Wall Street Report

NEW YORK, April 2.—(P) Frequent reversals of price movements took place in today's stock market as control shifted from "bear" to "bull" traders. Opening prices were reactionary but the market soon headed upward as pools resumed activities on a broad scale and lifted more than two score issues to new peak prices for the week. Trading failed to keep pace with the four million shares last week. Marking up the call money rate, coincident with the calling of about \$15,000,000 in loans, was attributed to the heavy demand for funds in connection with the quarterly settlements. Stocks fell from \$136.50 to \$133 within fifteen minutes. General Motors which had rallied from 184 to \$187.50 quickly slipped back to \$185.25 and American International, Montgomery Ward and Sears Roebuck, sold down \$2 to \$3 a share below Saturday's final quotations. Among the many issues which had been pushed into new high ground in the early opening were St. Paul common and preferred, Great Northern preferred, American Ice, Best and company, Park and Tilford, Gillette Safety Razor, American Safety razor, Curtiss Aeroplane and Wright Aeronautical, the last soaring to \$161.30.

MEXICO CITY, April 2.—(P) Special dispatches from Guadalupe Jarra say that 11 insurgents were killed and three taken prisoner in a battle with federal troops yesterday at Falerque hill. The insurgents were stated to have been commanded by a well known chieftain named El Catorce.
