CANTON, China, April 6. — (AP)—Canton was tense today after 303 reds had been executed by the military authorities in an attempt to thwart an uprising. The communists boasted that bloodshed would only make their movement the stronger and hasten the fall of the present Cantonese government. Seventy-two reds were executed today and 230 earlier in the week, when a 14-year-old street urchin revealed communist plans to the authorities after listening to them loitering in the streets.

DJON, France, April 6. — (AP)—Lieutenant DeTroyat, French flier, who took off from Lebourget at 4:30 o'clock this morning and failed to return many hours later, leading to conjectures that he might have started a projected raid to west trans-Atlantic flight, landed at Dijon at 4:30 p. m.

We Are Sometimes Asked

why discriminating buyers wish to get located in the month of April. It is because the landscaping features of the real home are so vital, roses and shrubbery properly placed in April set results in the Roscoe River Valley. This leads to this:

That beautiful home nearing completion on QUEEN ANNE AVENUE, because of unavoidable conditions, has to be sacrificed. The owner's loss is your gain, if you are wise enough to take advantage of the situation. We are now authorized to sell it for \$4250 and on extremely favorable terms. Holy Smoke! What a lovely home that will make when the shrubbery and roses get fully developed and the lawn is finished!
