Junior High Banks 100 percent
 Junior high has attained the highest standard obtainable in banking. Every room in the school banked 100 percent Tuesday morning. There is only one way to improve and that is to keep up the remarkable habit. Everyone is proud to see his school at the top. It is truly a disgrace to fall down after we have all reached the goal we've been striving for all year. This is the first time that the entire school has banked 100 per cent this year. Let's bank 100 percent the remaining seven bank days.

Banking should become a habit that is hard to break. On Tuesday, everyone should bring his money to school as if it were the only thing to do.
