LECTURER TELLS OF FOUNDING OF SCIENCE CHURCH

Gavin W. W. Allen, C. E. B., member of the board of lecturership of the First Church of Christ, Scientist, delivered a lecture at the Ilallo theater last night to a large audience. His lecture was, in part, as follows: "How did this great Christian Science movement begin? When did it start? What brought it about? It is very difficult to point to a specific moment and state definitely that then and there this movement had its birth. Mrs. Eddy has told us that she 'discovered the Christ Science, or divine laws of Life, Truth and Love' in 1856, but she has told us also that God had been preparing her many years for the reception of that revelation.

"There is, however, an incident, which occurred early in 1856, an incident that was recorded in the public press of that day, which was outstanding in the inception of this movement. On Saturday, February 3, 1856, the Reporter, a newspaper of Lynn, Mass., contained a news item concerning Mrs. Eddy which stated that she fell upon the icy street on the evening of Thursday, February 1, and was severely injured; that the doctor who was called found her injuries to be internal and of a severe nature, and that she was removed to her home the following day, though in a very critical condition. After the doctor's departure on Friday she refused to take his medicine, and, as she later expressed it, lifted her heart to God. It was natural, perfectly natural, that a woman who had been from her very childhood deeply religious should, in her extremity, turn to God.

"So on Sunday she called for her Bible and began reading the account of the healing by Jesus, of the palsied man, and as she read, a great spiritual experience was hers, the realization then and there of the presence and power of God. In that moment all pain vanished. She rose from her bed, dressed, and walked into the parlor, where her clergyman and a few friends were sitting—friends who had withdrawn but a few moments before from what they supposed was her death chamber. In that moment Mrs. Eddy did more than experience a cure, she received a revelation, for which she had been fitting for herself all her life. But to be healed herself was not enough. She must know the Science of this healing in order that others might be healed. For three years Mrs. Eddy says, she sought the solution of this problem of Mind-healing, searched the Scriptures and read little else, kept aloof from society, and devoted time and energies to discovering a positive rule. (Science & Health, P. 163). She discovered the long-lost Science of healing, and submitted it to the very broadest practical tests in the healing of disease of every kind for nine years before writing the Christian Science textbook. She proved that there is a Science of healing that is applicable to every human need."

RELIGIOUS WORK SCHOOL TO START

Wednesday evening this week, at 7:30 p. m. is the night for the opening of the Religious Workers' school which will continue for three nights this week and next, being Wednesday, Thursday and Friday nights. There will be two sessions of each class each night. The books are here and can be obtained at the Presbyterian church study Tuesday or Wednesday forenoon by anyone who wishes to get them beforehand.

Everyone is urged to be on hand promptly at 7:30 p. m. Wednesday at the Presbyterian church so that registration may be gotten through with quickly and classes formed.

Rev. Walter L. VanNuy of Portland will be the dean and will teach the class on "Principles of Teaching." This is a very vital and popular course. Rev. W. H. Easton will direct the study of Outlines of the New Testament. Mrs. Clara Essensfield, worker for the Christian church, will lead in the study of primary methods, and Rev. E. P. Lawrence will conduct the class in study of the child.

Teachers and those planning to teach and also parents with children in their homes will find any of these classes helpful.

LIONS' BENEFIT DANCE SATURDAY

The Lions club will be in charge of Hillarity hall on Saturday night, April 21. All lovers of a good time, good music and dancing, know that when the Lions' dance there is something doing. This affair is in honor of one of the oldest and most generous of the members of this club, John Billings, whose recent deplorable accident was deeply regretted by his friends all over southern Oregon. The Lions ask every one of these friends, and their friends as well, to turn out on Saturday night and show their interest in the welfare of Old-Timer John as well as Lion John.

BRITISH ADMIRAL RETIRES BECAUSE OF BAND CRITICISMS

LONDON, April 17.—(AP)—Rear Admiral Bernard StG. Collard, central figure in the famous Royal Oak affair which involved the court-martialing of Captain Kenneth G. R. Dewar and Commander H. M. Daniel, has been relieved of his command and placed upon the retired list.

Announcement of this was made when the house of commons convened today after the Easter recess, by W. C. Bridgeman, first lord of the admiralty, in a long-awaited address on the Royal Oak controversy.

Bridgeman said that the board of admiralty was of the opinion that the initial blame for what happened aboard the Royal Oak lay with Admiral Collard in dealing with trivial cases of dissatisfaction in a manner unbecoming his position and showing himself unfit for his command. Therefore it had been decided in spite of his good services in the past, to retire him.

The first lord of the admiralty also stated that the board had confirmed the sentences against Captain Dewar and Commander Daniel who were severely reprimanded and dismissed from their ships for their part in the controversy with the rear admiral, which came to a head during a dance at Malta aboard the Royal Oak.

Having by such confirmation sufficiently marked its disapproval of the action of these officers in the matter, the board had decided that the sentences should not preclude them from further employment in due course should suitable vacancies arise.

OFFICER CLAIMS HE'S FRAMED UP

PORTLAND, Ore., April 17.—(AP)—Declaring his arrest here late yesterday was a "frame-up," Sheriff E. P. Frederickson, of Wahiakum county, Washington, prepared today his defense to a charge of general conspiracy to violate the national prohibition act. His arrest followed his appearance here as a witness in the case of Edgar Ellis, charged with possession of liquor. After Frederickson's arrest a new complaint was sworn out against Ellis, accusing him, Frederickson and E. D. Day of conspiracy to violate the liquor laws. Day was said to be under arrest in Tacoma under the alias of M. J. Murphy.

Frederickson charged that jealousy and an office row was at the bottom of the affair.

D'MOLAY BESTOWS HONOR CROSSES

KANSAS CITY, Apr. 17.—(AP)—As a tribute to the zeal of those who have been active in the progress of the Order of DeMolay, the grand council of that organization has awarded the legion of honor to 151 past and present DeMolays, the cross of honor to 230 advisers of DeMolay chapters and the honorary legion of honor to 41 Free Masons not officially identified with the movement.

The list was made public today by Frank S. Land, founder and grand scribe of the order. The awards for Oregon follow:

Legion of honor, Leslie Peyton, Klamath chapter, Klamath Falls; Honorary legion of honor, P. S. Malcolm, Portland.

Cross of honor, Harry W. Bathany, Klamath chapter, Klamath Falls; Isaac E. Staples, Oregon chapter, Portland; John E. Runyan, Roseburg chapter, Roseburg.

MOST people know this absolute antidote for pain, but are you careful to say Bayer when you buy it? And do you always give a glance to see Bayer on the box—and the word genuine printed in red? It isn't the genuine Bayer Aspirin without it! A drugstore always has Bayer, with the proven directions tucked in every box:

MONS COMMANDER IN COURT DENIES LIVES SACRIFICED

COBURG, Ont., Apr. 17.—(AP)—The supreme court of Ontario was the scene of a second fighting of the battle of Mons today as General Sir Arthur Currie, former commander of the Canadian corps, sought to refute charges that the entry of the Belgian town by Canadian troops on November 11, 1918, was made at a deliberate waste of human lives to glorify the Canadian headquarters and staff.

The former Canadian commander is seeking \$50,000 damages in a libel action against W. T. R. Preston, at one time liberal organizer for Ontario, and F. W. Wilson, publisher of the Port Hope Guide.

The action is based on an article published in the Port Hope Guide on June 12, 1927. The article also stated that the losses had been appalling, and that officers attached to the Canadian headquarters upon their arrival in Mons were warned their lives were in danger from their own troops.

The article is admitted to have been written by Preston and a large part of the opening day's testimony yesterday was to establish that the "commander-in-chief" referred to in the article was Sir Arthur.

COUNTY SCHOOLS IN HEALTH RALLY

Schools of the county interested in the health honor roll were notified some two weeks ago by County Superintendent Carter regarding the plans for the Medford schools for a health rally on Friday afternoon, May 4th, and already responses are in from each of the centers, Mrs. Carter says. They wish to join the Medford schools in their parade and program, and also to enjoy the May festival on the high school grounds.

Superintendent Hedrick has now sent details of the plans to the principals interested. Although to have the rally occur on the day before the county field and track meet at the fairgrounds in creases the transportation problem for that week, yet it now seems assured that Gold Hill, Eagle Point, Jacksonville, Phoenix and Central Point will make an effort to send their honor roll pupils to Medford for the rally. These towns are the ones that have gone into the undertaking this year.

April Is Electric Percolator Month

"Electric Coffee" is so easy to make—right at the table—and it's always hot and fresh. Perfectly delicious, too. This is the time to get that electric percolator that you've been wanting.

Don't fail to see the splendid selection of Electric Percolators now on display at your electric dealer's.

Growers Trust Fund

E. W. J. HEARTY, Inc.

Apple Exporters COMMISSION EXPERTS 100 Hudson Street NEW YORK

Messrs. E. W. J. Hearty, Inc., Medford, Oregon. April 11, 1928.

Dear Mr. Hamlin:

I have your letter of the 5th instant, wherein you refer to Growers Trust Fund. I am not very familiar with the details of the subject, but assume that it means a setting aside of all funds, belonging to the growers and a pledge attaching to the segregation that none of these funds will be used as capital. If this is the essence of the project, then I am a most willing subscriber to it, all provided, of course, that the growers desire it. Anything that makes for the elimination of the unscrupulous merchant or fly-by-night, is bound to have my support. You can speak very forcibly for us on this point.

Yours Very Truly, E. W. J. HEARTY.
