HURLER HOLDOUTS OF BIG LEAGUES STILL HOLDOUTS

(By the Associated Press.)
Three pitchers of the holdout variety in the big leagues were still keeping their distance from their respective clubs today, although the campaign is already a week old.

An effort by President McDiarmid of Cincinnati to smooth out the wrinkles of a dispute with Pete Donohue in a conference yesterday was unsuccessful. Donohue said he was returning to his Texas home, while McDiarmid wished him the best of luck. The pitcher balked at a reduction in salary.

Urban Shocker, the spit ball veteran of the Yankees is still engaged in a belated training siege at the St. Louis ball park, waiting for a move from the New York office to re-open dickering.

The other prodigal, Vic Aldridge, has ignored the call of the New York Giants, and it begins to look like Pilot McDiarmid took the worst of the deal, which sent Burleigh Grimes to Pittsburgh.

The Chicago Cubs had to go 19 innings yesterday to break the magic of the great Alexander for a 3 to 2 verdict over St. Louis. Taking advantage of ragged fielding by the Tigers, the Cleveland Indians trounced a six to four setback on Detroit. Manager Moriarty of the Bengals benched Bob Fothergill because of a batting slump, Easterling, Seattle rookie, landing the veteran outfielder's post. Easterling made three hits in four times up.

Behind the steady pitching of Ted Lyons, former Baylor university star, the Chicago White Sox trounced the Browns by 4 to 2.

Cold weather and rain kept the other members of the majors idle.

Manager Wilbert Robinson of Brooklyn sent a protest to John A. Heydler, National League president, on the 3 to 2 victory of the Braves Monday. Robinson contended that Pitcher Charley Robertson of Boston had used a "glue ball." The Brooklyn pilot declared Robertson was allowed to continue in the game after the umpire ordered the glove with the "glue" discarded. Robinson said he wanted to know why Robertson was not put out of the game, instead of continuing with another glove.

PAYNE AHEAD IN BUNION SPRINT

CHELSEA, Okla., April 18.—(AP)—Encouraged by rosters from his home town, Andrew Payne again has taken over the leadership in the cross-country marathon.

The Claremore youth led the field of 77 in the 49.7-mile jaunt from Tulsa yesterday to finish in 7:23:32, forcing Peter Gavuzzi of Southampton, England, from the lead in elapsed time. This gave Payne a total of 279:10:52 for the 1669.6 miles from Los Angeles. Gavuzzi, who shaved the Oklahoma man into second place several days ago, needed 10 hours, 36 minutes and 10 seconds, giving him a mark of 281:07:15, nearly two hours more than Payne.

The caravan today had a 51-mile trek to Miami. Tomorrow the athletes will skirt the southern corner of Kansas on their way to Carthage, Mo.

Allan Carrier, Ragne River, Ore., finished yesterday in 10:05, with 361:09:33 elapsed time.

BEAVERS BEATEN IN OPENING TILT

(By the Associated Press.)
Portland batters could not see Herman Pillette's fast ball, consequently they could not hit it, so the Missions, finding Bert Cole no puzzle waltzed to an 8-2 victory. Battles: Pillette and Whiney; Cole, Warhon, Tomlin and Rego, Saunders.

Seattle and Hollywood were on the road.

The Seal sluggers swung into action in the sixth frame with the count tied at 4-4, and when the side had been retired they had amassed six runs, enough to beat Oakland, 9-6. The veteran Dutch Reuther went the route for San Francisco. Batters: Boehler, Sparks and Reed; Reuther and Vargas, Sprinz.

Los Angeles hopped on John Singleton and Elmer Shea for 13 hits in the first six innings, but Shea stopped the onslaught after that while his mates piled up enough runs to win, 6-4.

WASHINGTON, Apr. 18.—(AP)—Appropriations totaling almost \$2,000,000 would be authorized for research and experimentation work in reforestation and timber growing under a bill by Senator McNary, republican, Oregon, passed yesterday by the senate and sent to the house.

PRINCETON CREW MAY REPRESENT U. S. IN OLYMPIC

(By Alan J. Gould, Associated Press Sports Editor)

PRINCETON, N. J., April 18.—(AP)—Princeton has a vacancy crew on the more or less placid waters of Lake Carnegie that may turn out to be the sensation of 1928 and—they whisper it softly here—possibly carry Uncle Sam's banner in the Olympic regatta at Amsterdam.

It's a husky boatload, with lots of drive and power, if the first workout in their new Pocock shell yesterday afternoon is a good sample of the Tiger rowing stuff. There is plenty of experience, too, for seven of the eight men who pulled the new cedar craft on its maiden voyage are veterans of the 1927 crew that broke Yale's long winning streak.

What this outfit chiefly needs, in the opinion of its youthful coach, "Chuck" Legg, is a sense of humor or any lighthearted equivalent that will help the boys "snap out of it."

"It's a good crew," Legg readily admits "but it hasn't settled down yet. It's a real stride yet. Of course, it's pretty early. We have not had a time trial. Under the conditions the boys have come along very well, but the varsity has been in a slump, in spite of numerous shifts. What it needs, I think, is something to remove the tenseness; someone to do a little slapping, with the attitude of 'come on, gang, let's row.'"

Princeton has not committed itself to a definite program, aimed at the Olympic tryouts, but it is no secret the Tigers will make that their goal. Stroked by Jeff McHenry, Princeton, Ark., this varsity eight, if it develops in the same fashion it did last season, will make it interesting for any other Olympic contender, whether its Yale, Olympic winner four years ago; California or Washington, from the far west; or Columbia's inter-collegiate champions.

MATCH M'INTYRE WITH PHIL BAYES

Announcement has just been made by Promoter Quick of Grants Pass, that he has matched Bobby McIntyre, the fighting Irishman, who last Friday the 13th made the fans hold their breath, with Phil Bayes of Salem, Ore., for a bout to be held in the new Grants Pass Athletic club on Friday night, April 27th.

This match is the result of popular demand. The day after the last fight, in which Joe Gorman received the decision over McIntyre after the hardest battle he possibly ever had, Promoter Quick and phone calls asking him to match McIntyre with someone as soon as possible. Many of them said they would like to see him in action with Phil Bayes.

GOLF AND TENNIS STARS SAIL FOR EUROPEAN TILTS

NEW YORK, April 18.—(AP)—Luminaries of the golf and tennis world depart at midnight tonight on the Aquitania for vigorous campaigns in Europe.

Four of America's best professional golfers will attempt to bring back for the seventh time since 1921 the coveted British open championship. Leading the pack is Walter Hagen, twice winner of the title. With him are Wild Bill Mehlforn, Tommy Armour and Gene Sarazen.

Only a short time ago Sarazen announced he would not make the invasion of England this year, as it would necessitate reshaping his clubs to comply with the royal and ancient rules. But the stocky player has reached the heights in 1927 and 1928, and his recent low scores caused him to change his mind.

On the same ship with the golfing contingent will be Miss Helen Wills, national women's tennis champion, and Miss Penelope Anderson of Richmond, Va., who is to play in team matches with the Berkeley girl.

Helen will take part in the French championships in the Wightman cup matches in England and in the British women's singles and doubles championships at Wimbledon, at which she will defend the title she won there last year.

In practice match at the West Side Tennis club yesterday, Helen defeated Elmer Griffin, 8-6, 6-4.

FROZEN MAILMEN OF NORTH GIVEN GIFT OF WOMAN

WASHINGTON, April 18.—(AP)—The thermometer stood at 59 below zero. But Wilbur Jewell merely pulled down his ear muffs tighter and set out from Chitankana, Alaska, to deliver letters of Christmas greeting to the people of Circle.

Before he got there he had severely frozen his hands and feet. Sitting in her living room by the fire in a comfortable home in Newark, Conn., a woman read in a newspaper about Jewell's sacrifice and decided he ought to be rewarded.

Then, some time later, she also read about Maurice O'Leary, another Alaskan carrier of mail; how he froze his hands and feet rescuing his horse, which broke through the ice while they were making their lonely route, and had to have some of his fingers amputated.

And the story of Berth Thorsen also moved her. Thorsen battled blizzard-swept plains to deliver his mail to two arctic outposts.

So this Connecticut woman sent Postmaster General New a check for \$250 with a letter containing fine sentiments. Mr. New has mailed the check to Alaska to be divided among the three carriers. The name of the donor will not be made public.
