Painting with B-H Brush Lacquer

If you think you "can't paint," you should try finishing a piece of furniture or a magazine rack with B-H Brush Lacquer!

This lacquer flows on so easily, that little care is needed to bring smooth, even surfaces of color from your brush—like magic. This is because B-H Brush Lacquer "works" like ordinary paint but dries much faster. And it goes on evenly.

And now that B-H Brush Lacquer comes in glass jars, it's easy to choose the right colors, before you buy. Call and see the display at our store. 18 attractive colors for your choice.
