

Santford & Company

Santfords System 307-309 East Main St. Saves You Money

Buy Rogue River Fresh Vegetables at Santfords. They are fresh from the growers garden and much nicer than the California grown vegetables. Santfords stores in the Rogue River Valley get the pick of Rogue River products. We buy direct from the grower and sell direct to you—there is only one small profit between the price Santford pays the grower and the price Santford asks you to pay.

JACKSON STUDENTS BUILD BIRD NESTS

Bird houses, made by students, were much in evidence at the Jackson school this morning when fifth grade students brought the houses to school in an effort to boost their grades in their art class.

The houses, as a whole, were very well constructed and some of them were painted in gay colors. Sixth grade students at the same school are also engaged in a contest which involves the manufacture of top airplanes. This contest is just commencing and it will probably be several weeks before it will be over.
