Location Is Everything
Soll is of prime consideration. Good highways are of importance. BUT, when all are combined in one proposition, our advice is to grab it, if the price is right—and we always insist that our customers get the right price.
We know values and we pronounce this three-and-one-half-acre tract on Kings Highway one of the best buys in the county. This is the tract where the soil is rich enough to retail as fertilizer. Nice improvements alongside. No water tax but water for irrigation can be had when wanted.
Let us show you this at once, and will tell you the rest of the story.
