The People Make Cities

STRAIGHT AND TO THE POINT

Note the opportunities we offer to the "Little landers" to make good in this favored valley:

FOR POULTRY—Just a small tract, but with modern poultry accommodations for 500 hens, good spring for raising the green stuff, pumping plant, small house and all for about one thousand dollars. Did you know that at present you can buy six-weeks-old pullets for the usual price of day-old-chicks?

GARDEN AND ALFALFA—Just a five-acre tract, first-choice tract out of a sub-division not far out; no buildings, but we are authorized to sell for $1000, and it is the cheapest tract of that character we know of. It may be yours if you act. Considerable alfalfa already seeded.

ALREADY PLANTED—Five acres just at city limits, planted to potatoes and peas, to guarantee broccoli and winter cabbage in the late summer. We can make a very attractive price on the property, for a short time only.

DON'T FORGET that six acres now in grain at city limits, which is on the market for $1800, including landlord's interest in crop. Can give access to the main highway now, at right price for residence, making this available as small dairy ranch.

AND THEN that one-acre tract with modern six-room home, all the built-ins, lawn and shrubbery, berries, outbuildings as well finished as the house, and all for $3600. Could not be duplicated for $5000.

ALSO that one and one-half acre tract very close in, on highway, nice four-room house, good outbuildings, even the cow thrown in for good measure, and the price is now down to bedrock.
