

NEWS AND NOTES OF CENTRAL POINT FOR PAST WEEK

ANTIOCH SCHOOL MEET OFFICIALS AND RULES NAMED

CENTRAL POINT, Apr. 26.—A delightful birthday party was given last Saturday afternoon, April 21st, at the country home of Mr. and Mrs. Truman Brenner, from 2 to 5:30 by Mrs. Brenner, assisted by Mrs. Linbeck, in honor of Miss Dorothy Linbeck's thirteenth birthday, at which 25 guests were present. The afternoon was passed in playing games, under the capable management of Miss Aubert. Those present were Frances Faber, Geneva Brown, Geraldine Tex, Geraldine and Vivian Jones, Marjory Jones, Ruby Haley, Grace and Geraldine Hermonson, Katherine Lathrop, Lottis Hesselgrave, Naomi Johnson, Johnnie Hesselgrave, Edna Shaver, Mary Jane Bowman, Mona Lewis, Mrs. Walter Potts and small daughter, Constance, Marguerite Lawrence, Mrs. Hubert Smith, Ethelyn Scott, Helen Lewis and Helen Mercer. After the departure of the children, a 6 o'clock dinner was served to Mr. and Mrs. Scholer and children, Leon Hooper, Miss Jean Kent, Tip Collins, the Lambek and Brenner families.

The following letter is going out from the county superintendent's office to teachers, judges and other interested parties about the Antioch meet:

We have decided to hold the Antioch meet at Antioch Saturday, May 12. The weather should be settled by that time and a good dry field assured.

The list of events was sent to teachers from this office some time ago. We hope that the pupils are preparing for the meet and that each one will win a badge or certificate.

Judges will be as follows: Principal A. B. Collette of Sams Valley, starter; R. E. Nealon of Table Rock, timer; Mrs. Carter, basketball throw; Mrs. Burr, volley ball serve; Mrs. Marie Denny of Central Point, ball-throwing; George McDonough of Sams Valley and Elmer Lucas of Heald, broad jump; Albert Straus of Sams Valley, chinning; Wallace Cushman of Trail and John Nealon of Table Rock, baseball throw. Each teacher will be expected to see that the children are on hand and ready for the event.

Teachers have probably noticed that a charge of ten cents is made for the badges and three cents for the certificate. The total expense for this will be small; each school will be expected to pay the cost of the badges and certificates for their own pupils.

An executive committee to certify that the pupils have passed the tests will be as follows: H. S. Nedry of Antioch, A. B. Collette of Sams Valley and R. E. Nealon of Table Rock.

A volley ball tournament will also be held. Please enter teams if possible so as to make this an interesting one. Mixed teams of five players may be entered.

The meet will start at 10 o'clock. We have arranged a full day, so come prepared, bring well filled baskets, plates, cups and spoons and enjoy a community dinner with us at noon.

Teachers, please advertise the meet in your community. We want a large crowd to attend and we will appreciate all you can do for us.

In a graphic review of the history of the Oregon country from the earliest days to the present, Irving E. Vining breathed the breath of life into the formal facts of Oregon's story and made his hearers vision with him the romance, the heroism and tragedy in the life of the commonwealth. In the main address at the Kiwanis ladies' night which was celebrated Monday evening at the Bellview Community club house. Much of the charm of Mr. Vining's address was due to the unusual number of new and interesting sidelights that he was able to add to the usual page of history. The address was a response to the request from Kiwanis headquarters, that stress be given this year to local history. The program followed a wonderful chicken dinner prepared by the ladies.

Easy HOUSEKEEPING

By Mrs. MEG MACGREGOR, Director of Household Science

Keeping the kitchen sink respectable

There's an easier way to achieve a reputation as an immaculate housekeeper than by hours of scrubbing.

Some task that used take hours but now! My drain-board is wood and I have learned to keep it white without scrubbing. I can take off all the discoloration and stains of a busy day in no time. I mix a solution of Clorox and with a rag wipe off the drain-board—quickly, easily. "No elbow grease"—no effort at all! But a white and "sweet" board.

The dish rag too

Dish rags are horrid things at best. But kept white with Clorox they will be as fresh as a handkerchief. Just soak your dish rags in the same solution you make to wash your drainboard. They will be white and really clean—for Clorox disinfects and deodorizes as well as bleaches.

To clean tile

Speaking of drainboards, Mrs. H. B. D. of St. Louis has asked me whether she can use Clorox on her tiled drainboard. By all means. Follow the directions on the Clorox label—all spots and stains will disappear.

Those discouraging drainpipes

If there is anything more disheartening than a sluggish drainpipe, it is a clogged one. A very fine program is being prepared by local talent to be given Friday night, May 4th. This program is different than any offered in Eagle Point before. The first part of the program will consist of a cantata, "The Childhood of Hiawatha," that beautiful poem of Henry W. Longfellow, with music written by Ira B. Wilson. There are eight musical numbers in this part. The second part will take the form of a humorous play in two acts, "Mrs. Oakley's Telephone." Keep this date in mind. The week-day Bible school classes
