MUSICAL PROGRAM AT BUTTE FALLS IS BIG SUCCESS

BUTTE FALLS, April 26.—Mr. and Mrs. W. Welch of Ashland spent the week end at the home of Mrs. Welch's mother, Mrs. Abbott, of this place. Mrs. Abbott returned with them Sunday and will spend a week visiting in Ashland.

The musical program given Friday evening was one of the best Butte Falls has had. Besides the program announced in last week's paper, there was a vocal solo by W. Brooks. This was Mr. Brooks' farewell number, since he and his family moved to Medford Saturday.

Both Mr. and Mrs. Brooks will be greatly missed by the whole community. Another surprise number of the program was some acrobatics put on by Mr. Richmond's gymnastium class. Much credit is to be given Mr. Richmond for the excellent work produced.

Mr. and Mrs. Oscar Higginbotham and son were visiting relatives and friends here Sunday.

Mr. Gustrom, a former merchant in Butte Falls, was here Sunday renewing old friendships.

Mr. and Mrs. George Phillips of Eagle Point were visiting relatives in Butte Falls Sunday. While here Mr. Phillips inspected the high school building and gymnasium.

Mrs. George Barker and children were visiting in Butte Falls Sunday. Mrs. Barker will move to Eugene April 28.

Mr. and Mrs. Everette Moore were Sunday guests of Mr. and Mrs. Eugene Richmond.

Luncheon guests Saturday of Miss N. Van Groen and Mrs. P. Hoover were Mrs. Ince, Miss Moore and Mrs. Beck of Medford. The ladies were very delighted with the modern, well-equipped school building and gymnasium of Butte Falls.

Mr. and Mrs. C. Edmondson spent Sunday in Butte Falls.

D. Brooks returned Saturday from near Portland, Ore. Sunday he moved his family there.

An enjoyable party was given on Thursday evening at the home of Mr. and Mrs. Ray Parker. Cards and stunts furnished entertainment for the evening, following which delicious refreshments were served. Those present were Mr. and Mrs. Joe Nee, Mr. and Mrs. Gene Richmond, Mr. and Mrs. N. E. Stoddard, Miss N. Van Groen, Mrs. V. Hoover, Mrs. J. J. Simmerville, Mrs. John Clark, Mrs. Ruth Michell,

Mr. Rogers and Mr. White of the forest service showed slides Tuesday of forest fires, scenery of the forests, Oregon Caves, Crater Lake, etc., accompanied by instructive explanations which were greatly enjoyed by the students and teachers of the grammar school and the high school.

Wesley Hazing, a student in the seventh grade, cut off his finger Saturday while cutting wood. He is in Medford being treated.

Mr. Davis, an employe of the Owen-Oregon ramp, was seriously injured last week by a falling tree. His skull was fractured and his back nearly broken.

Mr. and Mrs. Frank Carson left Friday for Oakland, where they will meet Mr. Mills. They intend returning before they go to Reno, Nev., where they expect to make their future home.

SOUTHERN OREGON NORMAL, April 26.—Mrs. J. A. Churchill entertained at her home Saturday afternoon, April 14, with an elaborate tea in honor of the following faculty members of the Southern Oregon Normal: Misses Helen Weiss, Florence Luck, Ruth Louise Yoder, Lillian Graves, Veneta Fountain and Mrs. R. W. McNeal. Apples blossoms furnished attractive decorations for the affair. Soft yellow candles cast a lovely glow on the room.

A gorgeous basket of pale and yellow pink flowers graced the center of the tea table. The door was opened by little Alford Applazate, and the following teachers received the guests: Miss Helen Anderson, Miss Clara Trotter and Miss Katherine Vincent. The hostess was also assisted by Mrs. Emil Pell and Mrs. John Fuller.

Pleasant music was played during the whole afternoon by a trio composed of Ellen Galey, June Atkins and Rose Atkins. Miss Floy Young, accompanied at the piano by Miss Marie Moon, played a violin solo during the afternoon. Mrs. Arthur S. Taylor and Mrs. Walter Redford poured tea during the first hour, and Mrs. V. V. Caldwell and Mrs. A. C. Strange presided at the tea table during the second hour. Dainty cakes and sandwiches were served the guests by Miss Marion Aty, Miss Pearl Durr and Miss Beatrice Hall. Nearly 100 guests were present. The out-of-town list

NORMAL NOTES

included Mrs. Jasper B. Andrews and Mrs. Benjamin K. Harder.

The first baseball game of the season for Southern Oregon Normal with the House of David Bearded Beauties was called off last Monday on account of the weather. The field was too wet and the team, which is playing on the coast, continued on its way north the following day.

Tennis has made a strong appeal to the men of the Southern Oregon Normal. With eight men signed up and drawings for the first round to be made this week, the spring tennis tournament will soon be under way. A good deal of hard, fast playing is assured the rabid fans as most of the entrants seem, so far, to be fairly evenly matched, with no outstanding player in view to date. Coach McNeal called a meeting last Thursday of those who had signed for the tourney, and explained how the matches will be held. The tournament will be of the "round robin" kind with any man eligible to challenge any other man above him. Several weeks before the start of the tournament is held at McMinville, the leading six men will be chosen and no one will be allowed to challenge them. From these six men the team to represent the Southern Oregon Normal will be picked and sent to the state tournament. The rainy weather is tough on the clay courts, and unless the sun shines again for a while the tournament may have to be postponed. And, while speaking about clay courts, if I could find the dog that walked across that lower court while it was wet, I'd ring his neck. He should have known better.

Track has made its appearance at Southern Oregon Normal. Fourteen men turned out in response to the call for men. With 14 men already signed up, and if Old Jope will let upon his present weather tactics, chances for a track team at the Southern Oregon Normal seem unusually good. Material for this sport seemed to be lacking last quarter but, with the coming of baseball, track couldn't stay out of it. At the present time, the track aspirations are using the old normal road as a temporary place for their workouts and as soon as possible the baseball grounds will be the permanent scene of their activities. Coach McNeal stated that the first preliminary conditioning would occupy the time of the men for at least the next ten days and then they would get down to the real purpose. Providing that a team can be organized they will enter the Willamette Valley conference which includes most of all the schools such as Albany, Linfield, Monmouth and others. Competition in this end of the state is also probable and will undoubtedly stimulate a greater interest in the sport.

The Women's League of the Southern Oregon Normal benefit bazaar for the scholarship loan fund, given last Friday evening at the Civic club, was a decided success. Pastels in yellow, orange and green formed beautiful decorations for the affair. Miss Marie Davies deserves much credit as chairman of the decoration committee. Score cards were designed by Miss Lydia Oester, a member of the league. Tables of bridge and "500" were in play during the evening. Earl Rice held high score in bridge and Miss Helen Lyons consolation. Miss Ella Hinton received high score in "500" and Miss Olive Merritt consolation prize. Mrs. Eva Carlous was table manager. A short and enjoyable program was given during the evening. Madge and Marie Mitchell gave a duet; Miss Margaret Hammerbacher a vocal solo, accompanied at the piano by Miss Mary Galey; Parks and Parkinson, "Kings of Harmony," gave a harmonica duet. Miss Ruth Lomiae Yoder played a violin solo, accompanied at the piano by Miss Galey. The closing number on the program was a clever reading by Miss Wilma Howard. The bazaar, at which delicious home-made cakes and candies were sold, proved very successful during the evening. The candy was sold in small boxes which were decorated by the members of the normal school art classes. Attractive designs typical of the normal and vicinity appeared on each box. Miss Etta Mathers managed the bazaar. Refreshments were served. Miss Isabell Silver being chairman of that committee. Patrons and patronesses for the affair were: President and Mrs. J. A. Churchill, Mr. and Mrs. John Pell, Mr. and Mrs. G. A. Briscoe and Dr. and Mrs. C. W. Hanson. A number of Medford residents attended the affair. Mrs. Leta Ashcraft was general chairman of the bridge bazaar. Miss Lois Hanson is president of the Women's league.

Charles Anderson of Portland is visiting his daughter, Miss Helen Anderson.

Parks and Parkinson, "Kings of Harmony," entertained the student body last Wednesday with a number of harmonica duets. Mutt Kincaid, Mildred Eolz and Lois Hanson composed the committee from the student body in charge of the program.

Roy Parr, game warden for this district, reports that 225 salmon have been caught at Savano Rapids dam since the run began.

Henry Shafer, Kings highway, caught a 14-pound salmon off the bridge at Gold Ray on a No. A snell hook, baited with salmon eggs.

THERE is nothing that has ever taken the place of Bayer Aspirin as an antidote for pain. Safe, or physicians wouldn't use it, and endorse its use by others. Sure, or several million users would have turned to something else. But get real Bayer Aspirin (at any drugstore) with Bayer on the box, and the word *genuine* printed in red.

The first baseball game of the season for Southern Oregon Normal with the House of David Bearded Beauties was called off last Monday on account of the weather. The field was too wet and the team, which is playing on the coast, continued on its way north the following day.

Tennis has made a strong appeal to the men of the Southern Oregon Normal. With eight men signed up and drawings for the first round to be made this week, the spring tennis tournament will soon be under way. A good deal of hard, fast playing is assured the rabid fans as most of the entrants seem, so far, to be fairly evenly matched, with no outstanding player in view to date. Coach McNeal called a meeting last Thursday of those who had signed for the tourney, and explained how the matches will be held. The tournament will be of the "round robin" kind with any man eligible to challenge any other man above him. Several weeks before the start of the tournament is held at McMinville, the leading six men will be chosen and no one will be allowed to challenge them. From these six men the team to represent the Southern Oregon Normal will be picked and sent to the state tournament. The rainy weather is tough on the clay courts, and unless the sun shines again for a while the tournament may have to be postponed. And, while speaking about clay courts, if I could find the dog that walked across that lower court while it was wet, I'd ring his neck. He should have known better.

Track has made its appearance at Southern Oregon Normal. Fourteen men turned out in response to the call for men. With 14 men already signed up, and if Old Jope will let upon his present weather tactics, chances for a track team at the Southern Oregon Normal seem unusually good. Material for this sport seemed to be lacking last quarter but, with the coming of baseball, track couldn't stay out of it. At the present time, the track aspirations are using the old normal road as a temporary place for their workouts and as soon as possible the baseball grounds will be the permanent scene of their activities. Coach McNeal stated that the first preliminary conditioning would occupy the time of the men for at least the next ten days and then they would get down to the real purpose. Providing that a team can be organized they will enter the Willamette Valley conference which includes most of all the schools such as Albany, Linfield, Monmouth and others. Competition in this end of the state is also probable and will undoubtedly stimulate a greater interest in the sport.

The Women's League of the Southern Oregon Normal benefit bazaar for the scholarship loan fund, given last Friday evening at the Civic club, was a decided success. Pastels in yellow, orange and green formed beautiful decorations for the affair. Miss Marie Davies deserves much credit as chairman of the decoration committee. Score cards were designed by Miss Lydia Oester, a member of the league. Tables of bridge and "500" were in play during the evening. Earl Rice held high score in bridge and Miss Helen Lyons consolation. Miss Ella Hinton received high score in "500" and Miss Olive Merritt consolation prize. Mrs. Eva Carlous was table manager. A short and enjoyable program was given during the evening. Madge and Marie Mitchell gave a duet; Miss Margaret Hammerbacher a vocal solo, accompanied at the piano by Miss Mary Galey; Parks and Parkinson, "Kings of Harmony," gave a harmonica duet. Miss Ruth Lomiae Yoder played a violin solo, accompanied at the piano by Miss Galey. The closing number on the program was a clever reading by Miss Wilma Howard. The bazaar, at which delicious home-made cakes and candies were sold, proved very successful during the evening. The candy was sold in small boxes which were decorated by the members of the normal school art classes. Attractive designs typical of the normal and vicinity appeared on each box. Miss Etta Mathers managed the bazaar. Refreshments were served. Miss Isabell Silver being chairman of that committee. Patrons and patronesses for the affair were: President and Mrs. J. A. Churchill, Mr. and Mrs. John Pell, Mr. and Mrs. G. A. Briscoe and Dr. and Mrs. C. W. Hanson. A number of Medford residents attended the affair. Mrs. Leta Ashcraft was general chairman of the bridge bazaar. Miss Lois Hanson is president of the Women's league.
