JUNIOR HIGH.

Junior Jubilee Comes Off Friday. The big event of the coming week is the Junior Jubilee at the Medford Junior High Friday evening, May 4, at eight o'clock.

"Silver Sandals" will be the name of the play, which will be given in the assembly hall. Come and see a real king and queen. The beautiful princess is sad and tearful, but at last she finds happiness. But she sure to come and see how she finds it. This play is being directed by Miss Williams.

"How the Story Grew" is the title of a play to be given in room 2, under Miss Ford and Miss Hammond. We hate gossip, but women must talk, you know. You will be wondering if some of your stories grew as much as this one did.

"Taking the Census" will be given in room 10 (upstairs) after the main program. You will enjoy the Pettibone family, when Mr. Doollittle comes to take the census and you will wonder how he ever got the census of this family. Come and see if it is the same in your family. Mrs. Matheny and Miss Andrews are in charge of this side show.

The famous "Jubilee Melody Makers" may be heard in the assembly hall after the main show. They are as "black as night, yet they radiate sunshine." They will give a laugh a minute. Hear the ventriloquist, for sure. Mr. Henderson and Mr. Finch are in charge of this program.

Parents will be interested in the exhibits to be shown in room 5. You will see exhibits of work done in the history, domestic art and manual training departments. Miss Hurd, Mrs. McCollister and Mr. Fitch will be in charge of the displays.

For the hungry folks, ice cream, candy, cookies, and popcorn will be sold in various booths in the hall. Miss Whisenant, Miss Jackson, Miss Van Camp, Miss Ramsey, Mrs. Clark, Miss Sinema, and Miss Wise are in charge of the concessions.

Items From Music Department.

The music department of our Junior High has been working rapidly since Miss Williams, our teacher, has started so many interesting things for us to join. The harmonica quartet played last Monday night at the American Legion and was chosen to be one of the official bands at the American Legion convention, to be held here in August. Miss Williams is going to pick 29 of the best harmonica players for the harmonica band. The drum corps will also play in the American Legion parade this summer.

Last Tuesday night, the harmonica quartet broadcast over station KMBH, through the courtesy of Copco, Bob Schreengast, Bob Dietrick, Tinkley Champlin, and Woodrow Shaw are members of this group. Miss Williams, accompanied by the piano by Alma Lawrence, sang a group of solos. A week from Tuesday night, another Junior High program will be broadcast through the courtesy of the Copco. Be sure and tune in.

Bank Report.

We held our banking percentage up to 100 per cent again on Tuesday morning in school savings, and we believe that at the rate we are going now, we ought to be able to hold it up to this goal until school is out. After we once got interested in school banking, we climbed steadily until we reached the perfect mark of 100 per cent, and there we have stayed for several weeks.

Queen Chosen for May Day Program.

Lura May Goddard has been chosen as queen for the May Day and Health Day Festivities next Friday, May 4. She will preside over the ceremonies of the day. If a school wins the cup three years in succession, the cup belongs to that school permanently. Come on, Junior High team, and do your best. We would like to see that cup in our school next year.

When Miss Van Meter returned from the Van's luncheon where the presentation was made an assembly was called in the lower hall of the school for the purpose of exhibiting the flag.

As each child came within sight of the beautiful flag on its stand, and tipped with the golden American eagle, a profound silence fell upon the entire group and continued so as they were told of the honor that had come to them.
