

Legion Auxiliary Notes

The very successful business and social meeting of the American Legion Auxiliary was held on the regular meeting night, Monday, April 23rd, in the newly decorated auxiliary rooms at the armory with the president, Mrs. N. C. Chaney, in charge.

About seventy members were present, which seems a goodly gathering, but considering that there are now an even two hundred members enrolled, it would seem that even more might make the effort to come out, especially considering the fact that the evening is such a good one and the social hour so enjoyable.

At this meeting, Mrs. C. F. Baker, a new member, won the "Lark," which is a valuable bird and brings the winner luck.

Three new members were initiated into the order with all the regular ceremony which is very impressive and inspiring. They were Mrs. Carie McDannel, Mrs. Gladys Waltemire and Mrs. Nellie M. Borg.

All auxiliary members are looking forward eagerly to the dates May 1st and 2nd, which will bring Mrs. Wilcox, state president, Mrs. Kelly, state vice president, and Mrs. McInturf, state secretary-treasurer, as guests. Members and friends are to watch the papers for further announcements.

During the business meeting the new by-laws and constitution were read.

Mrs. Pluhner reported that pillows of sunfast material were needed for sun porch at hospital 77.

During the program Miss Melba Williams of the Junior high school gave a talk on the nation-wide Harmonica movement among boys and girls, introducing a quartet of players, who gave several selections.

Refreshments were served to the ladies of the auxiliary and men of the Legion by Mrs. Henry Pico and her auxiliary committee.

The committee for the next social meeting to be held at the armory May 14th, are as follows: Chairman, Mrs. H. S. Deuel, with the following committee: Mesdames Amy Carney, Pearl Chord, U. S. Coleman, Fred Colvig, Floyd Conroy, Jeanne Conser, Floyd Cook, Isabelle Cartwright, Ralph Cowell, Jean Edwards, J. R. Enright, Glenn Fabrick, Elsie Fohl, E. C. Ferguson, D. L. Flynn and J. O. Grey.

Membership The last state bulletin shows District No. 3 ahead with 1937 members, Medford auxiliary is only 31 behind the unit having the greatest number. Only two units are ahead of the Medford unit, but this gap will soon be closed and a head start will put the hostess unit before the state as the largest one in membership. Legionnaires can assist in this materially by paying the wives, mothers, sisters and daughters dues to Mrs. W. W. Belcher at Scout headquarters, or Adjutant Lee Garlock at the Chamber of Commerce. Application blanks can be secured from these two headquarters. Sign up for membership in this peace time army for rehabilitation, community service, Americanism and child

VITAPHONE EQUIPMENT FOR HUNTS CRATERIAN

For the past week express and freight to Medford has brought case after case of the vitaphone equipment for Hunt's Craterian, and the last of the shipments are due the coming week.

The horns which distribute the sound through the theatre are over six feet in diameter and are made of the very finest and most delicate sound resonating material.

The engineers and installation crew are due to arrive the first of this week and it will require about three weeks, assuring Medford of vitaphone entertainment the latter part of May. The definite date and the opening attraction will be announced some time during the coming week.

ATTRACTIVE PROGRAM HUNTS CRATERIAN

Billie Dove, who, with Gilbert Roland and Noah Beery, appear in "The Love Mart," are showing at Hunt's Craterian. In this production Miss Dove enacts the role of an aristocratic French girl who is wrongfully accused of having mixed blood and sold as a slave in the public mart of New Orleans.

An added stage attraction of unusual merit is Al and Louise Rudack, clever and youthful dancing team today, Monday and Tuesday. The Rudacks are known as "Personality Dancers" and their act includes very fast tap dancing routines as well as character and comedy dances. The feature of the act is a stail case dance.
