Send for an Easy Housekeeping Chart—free!

I've worked out an "Easy Housekeeping Chart" for you to hang in your kitchen. It will tell you how to bleach linens, remove stains, destroy odors and kill germs. I myself have found that since I compiled this chart there are many cleaning, deodorizing, and disinfecting jobs that I do more often and in much less time than formerly.

Hang this invaluable time and effort-saving chart in your kitchen or pantry.

The chart is free

You have only to clip the coupon below and send it to the address given. Without obligation I will gladly send you an "Easy Housekeeping Chart" for your daily use. I know you will be as delighted as thousands of other women.

GRANGE SPONSORS BUTTE FALLS PLAY AT EAGLE POINT

EAGLE POINT, May 2.—The local grange is presenting a Butte Falls cast here Saturday night in "The Arrival of Kitty." This is a rousing three-act comedy that has gone vore big at Butte Falls. Several members of the Butte Falls faculty are on the cast. The lead is taken by W. J. New, while Mr. Parker carries the part of Benjamin More, an elderly man who gets into many tangles and is terribly misunderstood. Kitty, the trouble maker, is played by Josephine Casey. Other members of the cast are: Manuel Poole, the bell-hop; Naomi Vantross, an old maid; Earl Wynne, the ardent lover; and Roy Casey, the colored porter; Suzette, a maid, is played by Vert Hoover.

The play is full of action and sparkling humor. Every one who can attend should not fail to be on hand. A percentage of the proceeds go to the Eagle Point Grange, to apply on the building costs of the new hall. The curtain will rise at 8:15 o'clock.

The local high school baseball team lost their third straight game when the crossed bats on this diamond with the Phoenix boys this afternoon. The locals mustered only two runs while the visitors collected nine circuits with apparent ease. Montgomery, pitching for Phoenix, held the locals to two scattered hits, both made by Pettigrew, and gathered a total of 12 strikeouts in seven innings. Montgomery opened the mound work for the locals, but was later replaced by Itadcliff, who worked out in good form, but was unable to check scoring of his opponents. Owing to the shortness of the season, it is doubtful if both teams can find open dates for another game.

Baby Geysers Falls
LIVINGSTON, Mont., May 3.—(AP) Yellowstone park's "baby geysers" is no more.

The little geyser discovered April 23 in the old Angel terrace structure, and which has since been one of the most popular attractions of the park, was of the artesian type and it is believed the water supply that fed it has been cut off and is going to a nearby spring.
