APRIL tops the Greatest 4 Months

in Willys-Overland history

APRIL set a new high mark in Willys-Overland history for production and sales. It was more than 14.4% ahead of March—which showed a gain of 17% over the previous highest month for all time.

The first 4 months of 1928 were 36.7% greater than the corresponding months in 1927. And they were the greatest 4 months since the company has been in business.

Sales of the Whippet were 91% higher in February than in January. They were 44% greater in March than in February, and April was 17% ahead of March, and plant facilities are still being expanded to meet the increasing demand for this unprecedentedly popular car.

The Whippet price reductions, the recently announced low price of the Willys-Knight Standard Six, and the introduction of the new Whippet Six—the world's lowest priced six-cylinder automobile—have resulted in the greatest buying demand in the company's 20-year history.
