

THRILLING RALLY IN NINTH GIVES LOCALS VICTORY

Court Hall's ball team, officially known as the Medford Merchants, defeated the bewiskered House of David aggregation yesterday afternoon at the fair grounds by the close and exciting score of 4 to 3, and sent 1300 customers home rejoicing. It was one of the largest crowds and one of the best games in the history of southern Oregon baseball.

A ninth-inning rally did the work and put a proper finish on the battle, after the Merchants had trailed most of the way on the short end of a 3-to-2 score. Cheater, the first man up for Medford in the last spasm, rapped out a sharp single to right, and Shangle, running for him, scooped down to second, when Droulette sent a sizzler into left field. Mitchell then got a hit, but Shangle was caught at the plate, Droulette going to second. Two men on, and one in the mud and grey batting for Stanley. Grey slapped a hard shot to the whitest shortstop.

Up came Roland Nichols, pitcher. After some routine stuff, which brought a ferocious rebuke from the grandstand upon the head of Ump Davis, Nichols banged a hit to the right of the pitcher which scooped over second with a crazy zigzag, and two runs scored. The victory was won. The game was well played throughout. Medford got off to a two-run lead, but in the fourth inning wobbled and indulged in some wild heaving, and the score was tied. The Davids eked in another score in the fifth, and so it went until the finish.

Nichols, on the mound for the Merchants, was a trifle wild and was continually getting himself into holes, but fast fielding saved his bacon on three occasions. Gilbert pitched for the visitors and kept his hits scattered until the last. He whiffed eight batters and walked two. Nichols fanned two and walked six. A couple of circus catches saved him a lot of misery in the third and sixth innings.

Manaser Hall states that he has not got the rough spots knocked off his team yet, but the brand of ball they dished out yesterday indicates that he is making progress in that direction. Among those present were a number of Klamath Falls fans who came to hoot and remained to whoop. The statistics upon the contest are:

MARSHFIELD IS BEATEN, 29 TO 12 BY LOCAL TEAM

The Medford golf team easily defeated the Marshfield players on the local course yesterday morning by a score of 29 1/2 to 12 1/2. Ten of the Medford team of 14 won their matches and only four lost. The surprise of the tournament was the defeat of Don Clark, one of Medford's best players, by Fisher from Marshfield. The other Medford players to be defeated were Dr. J. J. Emmens, Jack Heath, and L. J. Wilcox.

The Marshfield players, though defeated, were all enthusiastic over the local course, and the warm hospitality accorded them by the Medford club, and local arrangements being under the direction of Don Clark, chairman of the tournament committee. The visitors left for the coast yesterday afternoon.

GENE TUNNEY IS RATHER SCORNFUL OF BOXING GAME

In a contemplative mood, the big heavyweight champion who soon must lay aside study of the gentler arts to prepare for defense of his title against the rugged Tom Heeney, stretched on a sofa in his hotel apartment. In between the words he spoke lay hidden a story of disillusionment and envy that glimmered, more fortunate than he, still have things to strive for in their professions.

"In the realm of music, art, literature," he said as he rubbed his hands slowly through his thick brown hair, "there is no ultimate. A violinist of the perfection of Jascha Heifetz, for instance, finds new and greater vistas opening before him as his skill increases. He is never satisfied and the finer his music, the keener his desire for even greater power. My style of living is modest, my wants are simple and I feel that I have enough money to care for my wants forever."

"Eleven years ago I pounded a typewriter for a living at a salary of \$15 a week. I lived on that then, basically, my needs have not changed—expanded perhaps, but not changed. The habits and customs of living that I formed then still are with me. To some fighters, of course, there is always the incentive of adulation to keep them going after they reach the top and sometimes after their prime. It is the roar of the crowd, the thrill of acclaim that seeps into the blood. I have never felt that and it matters little to me what the fans who pay to see me fight think of me personally."

"But it takes little mentality to be a boxer and no more than that to be a champion. There is but one peak, one final goal in the fight game, and that, of course, is the heavyweight championship. The true champion knows how to take care of himself in trouble. Sometimes he will be hit and hurt. Every time I fought I was hit, no matter who my opponent was; sometimes harder than others, but often enough to learn that ability to keep one's head when the going gets hottest, is the prime mental requisite of a champion."

"Now that I am titleholder, however, I can find no other intellectual stimulus. True, I believe that to boxing I have drawn an element never before attracted, the plier type of citizen who once looked upon the game as nothing but a brutal contest of brawn rather than skill. Long ago I leave up the thought of attempting any cleansing the game might need. 'But there is no place for me to advance now in boxing. Beyond the heavyweight title there is nothing higher.'"

BEAVERS SHOVE SEATTLE BACK FOR 2ND TIME

Portland shoved Seattle deeper into the cellar by drubbing the Indians twice, 6-5 and 3-1. Bert Cole registered his first win of the season when he relieved Ponder in the eighth inning of the first game and received credit for the victory. Eight Indians went back to the bench via the strikeout route in the second contest as Carroll Yerkes had one of his good days. Batteries: Knight and Schmidt; Ponder, Cole and Rego.

The Missions lost the series to Los Angeles by dropping both ends of a double-header, 8-5 and 3-2. The Belts lost the first game when both Slade and Rodda failed to cover a throw to second, paying the way for a winning rally by the Angels. Clyde Barfoot blanked the Missions for eight innings in the afternoon and checked their ninth inning rally off, one run short of a tie. Batteries: Osborn, Peters, Cunningham and Hannah; Holling, Ludolph, Pillette and Whitney.

After dropping their sixth straight game to Sacramento in the morning, 5-2, Oakland came back to battle the Solons 22 innings and win, 7-6. The Coast league record for lengthy ball games is 24 innings. Ruchae went the last 13 innings for Sacramento, as did Hasty for the Oaks. Batteries: Vind and Kiebler; Boshier, Surks and Hool. Second game: Singleton, Shea, Hachac and Severide; Duff, Craghead, Hasty and Read. Lombardi.

Hollywood made it six out of seven from the Seals by taking two games from them, 4-3 and 1-0. Dutch Ruether weakened in the eighth inning of the first game to allow the Stars to push over two runs, enough to win. The youthful Gordon Rhodes had the better of Dick Moody in a 10-inning hurlers' duel in the nightcap. Batteries: Moody and Vargas; Rhodes and Busser.

A return baseball game will be played tomorrow afternoon at 4 o'clock between the Medford and Ashland high schools at the Van Seagon athletic field, where a small charge for admission will be made. The two teams played their first game over a week ago and ended in a victory for the locals by the score of 8 to 3. Hughes and Morgan will be the batteries for the Medford team.

MONSTER THROG SEES YANKS WIN; GIANTS DEFEATED

Sixty thousand persons, including the famous crew of the Bremen, watched the New York Yankees subdue the Chicago White Sox for the third day in a row, 4 to 2, at the Yankee stadium. Stanley Coveleski, veteran Yankee, got credit for the Yankees victory, although he had to call for assistance from Wiley Moore before the game was over.

Haskell Billings, Detroit's youthful pitching star, hurled the Tigers to a 3-to-0 victory over the Red Sox at Detroit yesterday. Sam Gray registered his sixth win of the season when the St. Louis Browns turned back the Senators at Washington, 7 to 6, in a thrilling 11-inning game.

The New York Giants, National League leaders, suffered their second straight defeat at Cincinnati, 4 to 2, in ten innings. The Reds fielded sensationally, completing four double plays. John McGraw announced that Vic Aldridge, former Pirate right-hander, had come to terms.

At St. Louis the Cardinals and Brooklyn Robins divided a double-header before 33,999 fans. Dazzy Vance allowed but six hits and fanned half a dozen in the first game, but lost the decision to Grover Cleveland Alexander and the Red Birds, 4 to 2. Ruether's homer in the second inning gave the Cardinals an early lead. In the closing encounter, Babe Herman's four-base drive with a man on base in the eighth enabled the Robins to earn a 5 to 4 decision. Hafey drove in four runs with a homer and a single.
