Cattle or Sheep

Under present conditions offer immense possibilities. We do not as a rule advise investments outside this valley, but we have such an attractive permanent grass ranch to offer in Klamath County we want to invite inspection at once.

Riparian water rights covering almost two hundred acres. Some alfalfa now being seeded, entire tract of 250 acres well fenced and cross-fenced with wire, sufficient buildings, all on good road leading to county seat, making this of prime importance as a milk supply ranch, outrange, right at pasture gate. Price and terms more than satisfactory to purchaser. The fact that owners are out of debt and are called back to Medford by local property interests, gives assurance of the intrinsic value of the ranch. Good clear residence property in Medford can be turned in on the trade. Don't lose time on this for somebody is going to grab it. Carl Beebe's Phone No. is 1377
