thousands of housewives choose Fluhrer's Milk Bread each day? Because experience has shown them that they can depend on Fluhrer's Breads. With each loaf the expectation of appetizing appearance, firm, close-knit texture, and home-like flavor, has always been fulfilled.

This confidence was not won in a day. It came as a result of five years of effort devoted solely to baking of better breads which would be deserving of this splendid tribute. Your grocer handles Fluhrer's Breads. Ask him about the unusual demand for Fluhrer's Products.
