DEMOCRATS TO MAKE A STRONG BID IN COUNTY

Democrats of Jackson county met last night and recommended the following for county office, the names to be written in on primary election day next Friday:

For coroner—Dr. Charles T. Sweeney.

For county clerk—Hiram F. Meador, of Medford.

For commissioner—Wig Ashpole, of Medford.

For circuit judge—Harry F. Norton of Grants Pass.

For representatives in the legislature—J. F. Wortman of Talent, J. H. Fuller of Ashland.

No recommendations were made for county treasurer and assessor.

Today the democratic central committee is busy interviewing its candidates to secure their consent to run. Messrs. Wortman, Meador and Norton have agreed to stand for the offices. Mr. Ashpole is driving his stock to Klamath county, and Mr. Fuller of Ashland, up to this afternoon, had made no decision, and was in conference with the central committee this morning.

Two democratic candidates have filed in the formal way, their names being printed on the ballots. They are George A. Coddling, for district attorney, and Ralph G. Jennings for sheriff.

According to Moses Barkdull, Mr. Norton of Grants Pass has agreed to make the race for the circuit judgeship.

CRATER CLUB BUS OFF FOR KLAMATH

The Crater club delegation, consisting of 27 members, left in the big Howland motor bus at 1:00 o'clock this afternoon to participate in the Klamath Falls railroad celebration today and until late Saturday, when they will board their special Pullman car and depart by train for Dunsmuir to be the guests of the Lions' club of that city tomorrow evening at a banquet at the Castle Crags resort near that city.

The Pullman coach will be their home while in Klamath Falls and until they arrive home on the Shasta train late Sunday forenoon.

While only 27 Craters were in the party leaving this noon, it is expected that a number of members of the club who could not get away today, will depart for Klamath Falls and Dunsmuir tomorrow, and inasmuch as there are quite a number of Craters already in Klamath Falls, there will probably be a very large membership present at the Castle Crags banquet tomorrow night.

GEORGE GATES, JR. GETS ALLIGATOR FROM GRANDPAP

The second baby alligator sent by C. E. Gates, now with Mrs. Gates in Indiana, to his little grandson George, 8, during the past week arrived at the Gates Motor company this morning and crawled out of its round bamboo cage very much alive and thirsty.

His smaller brother, sent several days ago, died on the way.

A sand box and long pan of water was furnished for the southern visitor in the window of the motor company on Riverside street, and he plunged into the water with keen and obvious relish after which he crawled out into the warm sand and basked in the sunshine through the morning. Heaving that he might be hungry and being at a loss as to the proper menu for the alligator, one of the employees called up a local seal and feed store. He was told that Florida crocodiles generally relish morsels the size of little George.

Upon hearing the news, little George, to demonstrate Medford's hospitality to strangers, volunteered to dig a week's supply of angle worms for the newcomer. The reptile will remain in the Gates company window until he recuperates from the strain of the long trip.

COULD NOT DO HER WORK

Strengthened by Lydia E. Pinkham's Vegetable Compound

Berlin, N. H.—"I took Lydia E. Pinkham's Vegetable Compound when I was in a family way because I was run-down and falling away every day. My food wouldn't digest and I could not do my work. I had to have a hired girl all the time. I took several medicines before I tried yours but none would help me. A friend told me about the Vegetable Compound and told me to try it as it would help me a lot. Your medicines have done me a lot of good and I cannot praise them enough. I will answer any letters that ask me what Lydia E. Pinkham's medicines have done for me."—Mrs. WILLIAM AMRO, 627 Burgess St., Berlin, N. H.

HOWARD SCHOOL IN A LEGAL CONFLICT

Another school district quarrel was brought into court yesterday when Mrs. Ellen Henson, through Attorney George W. Neilson, filed papers seeking for an injunction to prevent E. E. Stamp and Ed Miller, directors of the Howard school board, from calling a special directors meeting in regard to the school business. The plaintiff points out that the school district, already having an indebtedness of \$20,500, is in no condition to pay higher salaries and that the defendants have no right or authorization to consider such business.

A "PECK" OF MEDICINE DID NO GOOD

But ALL-BRAN brought natural relief

Read what Kellogg's ALL-BRAN did for Mr. Hamilton—a chronic sufferer from constipation.

"I am 55 years old and truly believe I have taken a peck of medicine, costing a good many dollars, for constipation, and all I got was temporary relief. Now since I began taking your ALL-BRAN I have had a bowel movement (with a single exception, and that was my fault) every day. From a grateful user of your ALL-BRAN."

W. N. HAMILTON, Export, Penna.

Constipation causes headaches, bloated skins, sleeplessness, spots before the eyes. It is father of more than forty serious diseases.

Guard against it. ALL-BRAN is guaranteed to relieve constipation. Two tablespoonfuls daily—chronic cases, with every meal. Doctors recommend Kellogg's because it is 100% bran. Because it is much more effective than part-bran products could possibly be.

A health cereal too! Serve with milk or cream—and add fruits or honey. Use in cooking. Recipes on every package. Sold by all grocers. Served everywhere. Made by Kellogg in Battle Creek.
