

Sports COAST ATHLETES LEAVE FOR EAST TO WIN TITLES

(By Alan J. Gould, Associated Press Sports Writer) NEW YORK, May 16.—(AP)—Probably the greatest collection of athletic talent any single era has ever turned out is heading eastward from the balmy region of California.

The better share of it, from college ranks, already is on its way to represent Stanford, Southern California and California in the intercollegiate championships at the Harvard stadium, May 25-26.

The rest of the track and field array that has been breaking records wide open on the west coast will be on later for the final Olympic tryouts, also to be held at Harvard.

To get a fair idea of the all-around strength of this brigade, here's what a few of them have done lately for club, college and country:

Emerson (Hud) Spencer, Stanford captain; set world's record of 47 seconds flat for 100 meters.

Lee Farnes, Southern California and Olympic champion; set world's pace vault record of 14 feet, 1 1/2 inches.

John Kluck, Los Angeles A. C.; set world's shot put record of 51 feet, half inch.

High (Swede) Leistner, of Olympic club, San Francisco, skimmed 110 meter high hurdles in 14.5 seconds, equaling world's record.

Jed Nohls, Los Angeles A. C.; dished over the high hurdles in 14.5 seconds, one-fifth of a second short of world's mark.

Jim Stewart, Southern California; set American decathlon record of 7799.92 points, less than a fraction of a point short of Harold Griborn's world's and Olympic record.

Charley Borah, Southern California; dashed 100 yards in 9.55 seconds, equaling official world's record.

Stanford's powerful squad will be on hand to defend the I. C. A. A. championship and very likely succeed by a substantial margin. The Cardinals won at Philadelphia last year with a total of 29 1/2 points. It would not be surprising to see them collect over 40 this year with Spencer, King, Farnes, Edmonds and other stars to see the record.

Forty athletes representing the west coast's "big three" rolled up 79 points in last year's meet. This year they are sending on only 29 performers but the point scoring possibilities are greater with Farnes, Borah and others adding to the first place contenders.

Golf and pole vaulting seem to go hand in hand. Ward Edmonds, Stanford's great vaulter, has just been elected captain of the college golf team. Sabin Carr, Yale's high flying ace, doesn't handle a nickel as skillfully as he does his pole but he spends a lot of time on the links.

"The two games have this in common: They both require a keen eye, proper timing and proper wrist action," Carr says.

Bob Gardner, former amateur golf champion, was a great pole vaulter at Yale—in fact, a champion and a record holder.

Are You Run Down, Weak, Nervous?

To have plenty of firm flesh and the ability to do a big day's work and feel "like a two-year-old" at night, you must eat three good meals a day, relish your food and properly digest it. If you can't eat, can't sleep, can't work, just take a teaspoonful of Tanlac before meals.

Mrs. Fred Westin, of 387 E. 57th St., North, Portland, Ore., says: "Tanlac cured my stomach trouble completely after three years suffering. It built me up to perfect health, with a gain of 27 lbs. That was two years ago, and I still enjoy the best of health."

Tanlac is wonderful for indigestion and constipation—gas, pains, nausea, dizziness and headaches. It brings back lost appetite, helps you digest your food, and gain strength and weight. It contains no mineral drugs; it is made of roots, barks and herbs, nature's own medicines for the sick. The cost is less than 2 cents a dose. Get a bottle from your druggist. Your money back if it doesn't help.

PORTLAND LOSES TIGHT GAME IN THE LAST FRAME

(By the Associated Press) Going into the ninth inning with an 8-4 lead, Carroll Verlen walked before the onslaught of the Sacramento sluggers and was driven from the hill. Tomlin, called upon to stem the tide, was no improvement on his predecessor, and the Solons pushed over five runs for a 9-3 victory. Batteries: Verlen, Tomlin and Almsmith, Keefe, Kallio and Severid.

BABE RUTH HAS A FINE CHANCE TO SMASH RECORD

(By the Associated Press) George Herman Ruth has a fine start toward realization of ambition to make more home-runs this season than ever. The Babe slugged two hits into the grandstands at New York yesterday to add the Yankees down the Detroit Tigers for the fourth straight day, 12 to 8, and put himself eight ahead of the schedule that carried him to a new home-run record of 60 last season.

Those two drives brought his total for the season to 11 in 26 games.

The Philadelphia Athletics kept within striking distance of the champions by downing Cleveland at Philadelphia, 5 to 9, Jack Quinn pitched superlative ball, granting the invaders six hits. This Speaker hit three doubles to earn his day's salary.

Charlie Haffner gave up but five hits as the Boston Red Sox ran their winning streak to four games at the expense of the St. Louis Browns, 4 to 1.

The Chicago White Sox made good use of their six hits and beat the Washington Senators, 3 to 2.

The Chicago Cubs moved into a tie with the Cincinnati Reds by downing the New York Giants for the fourth consecutive day, 10 to 7, while the Reds were losing to the Phillies, 5 to 3.

Homers by Harper and Hays gave the Cardinals all their runs in a 3 to 1 victory over the Boston Braves at St. Louis.

The Brooklyn Robins made it three in a row by defeating the Pirates at Pittsburgh, 10 to 3.

JACK DEMPSEY AGAIN REPORTED ON GENE'S TRAIL

LOS ANGELES, May 16.—(AP)—The Examiner says today that Jack Dempsey has hit the road again on the start of another fistie campaign.

The former champion has been logging over the Los Feliz hills with Jerry "The Greek" his trainer. Yesterday he showed up at a gymnasium and worked out for 20 minutes. He punched the bag, tugged at the pulleys, did some snappy shadow boxing and otherwise conducted himself as any boxer in training. Last night the word went around that he wanted sparring partners.

It also developed that Dempsey was in long distance communication with Tex Rickard last night. Also that Dempsey is reported to have told a close friend in Los Angeles that "if Rickard meets my terms, I'll fight Tunney in September."

LOUISVILLE, Ky., May 16.—(AP)—Reigh Count's impressive victory in the Mammoth Cave purse yesterday while carrying a nine-pound weight penalty, sent the odds on the derby favorite even lower with an even chance that when he goes to the post next Saturday the machines won't pay more than 10 cents on the dollar.

Acid Stomach

"Phillips Milk of Magnesia" Better than Soda

Hereafter, instead of soda take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the purging waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips" Twenty-five-cent and fifty-cent bottles, any drugstore. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Co. and its producer Charles H. Phillips since 1875.

CITY REFUSES TO PAY EXPENSE OF A CLEAN-UP DAY

The matter of having the usual spring clean-up day for the city was discussed by the city council and mayor last night. No action was taken as to a date, but the city officials made it plain that when such a clean-up day was held the refuse, etc., gathered up incidentally to it, would have to be carted away at such householders' expense as in the past two years.

Manager Phillips of the City Sanitary Service stated that such a clean-up day should be held as to get the city all cleaned up at once, which would enable his concern thereafter to keep it clean all the time. He especially wanted a clean-up because of the refuse thrown on vacant lots, and thought the city ought to stand the expense.

The mayor and committee thought Fire Chief Elliott who is out of the city for a day or two, could iron this matter out of having the vacant lots cleaned up and the rubbish hauled away and charge the expense up to the owners of the vacant lots.

Wall Street Report

NEW YORK, May 16.—(AP) All trading reports on the New York stock exchange were broken today in a sensational reaction which cut down or wiped out most of the early gains of \$5 to \$20 a share and sent a number of issues crashing \$5 to nearly \$20 below yesterday's final quotations. The day's turnover was 4,737,800 shares which contrasts with the previous record of 4,762,400 established on April 27.

NEW YORK, May 16.—(AP)—A sensational advance in prices on the New York stock exchange led by airline issues was checked late today by a general selling movement believed to be based on fears that speculation was being carried to excess. Wright Aeronautical after soaring \$20 a share to a new high closed at \$24 1/4, quality bonds to \$22 1/4 and United Toll from \$12 1/4 to \$11 1/4. Early gains of \$2 to \$10 a share in other speculative issues were cut down and in a few cases converted into net declines of \$4 to \$14 a share.
