"That you may see a Great Country better"

CENTRAL POINT H. SCHOOL PLAY GIVEN FRIDAY

"A Busy Honeycomb," a three-act, farcical comedy will be presented by the senior class of the Central Point high school May 18, Friday.

The comedy portrays the many humorous situations that arise when the stenographer and a hotel porter take upon themselves the impersonation of a prince and princess on their honeymoon.

The cast consisted of 12 characters: Teresa, Princess Alma's maid—Vera Davis; Johnny Fogarty, a newspaper reporter—Howard Dietrich; Alma, Princess of Deleria—Frances Johnson; August, Prince of Stradaleburg—Theron Brown; Cuticura Brown (Cutie) a colored chambermaid—Rose Stanciliff; June Callahan, a stenographer and a princess pro tem—Frances Parker; Terry Rafferty, hotel porter and prince pro tem—Philip Hezmalhalch; Ignatius Popoplus, a Greek patriot and hero—George Elden; Gottlieb, Archduke of Wiener Schnitzel—Harry Elden; Maggio Rafferty, Terry's wife—Doris Richardson; Louise, Queen of Deleria—Mary Stanley; Grogan, the hotel's house detective—Donald Faber.

LOUISVILLE, Ky., May 16.—(AP)—The bodies of two aged sisters, beaten to death as they lay in bed, were discovered at their cottage home on Maple street. A trunk had been pried open and officers advanced the theory that robbery had been the motive of the killing of Mrs. Belle Holmes 79, and Miss Kate Satterwhite, 72.

Dr. Roy L. Carter, cottage owner, said the condition of the bodies indicated the two women were slain Sunday night. Neighbors saw them Sunday evening when they attended church. The two women lived by themselves. The bodies were discovered by Clarence D. Stephens, a nephew about 40 years old. The bodies were found in separate beds, both badly beaten.

\$7386 IS TOTAL 6TH ST. EXPENSE FOR CITY TO PAY

At the request of several Sixth street property owners, including Porter J. Neff, who also is attorney for a number of other property owners on that thoroughfare, action relating to passing the ordinance to assess the costs of improvements of the street was postponed for a week or more by the city council at its meeting last night.

This delay was decided on after the reading of the formal report of the board of viewers, reached after weeks of hearings and consideration. When the council finally adopts it, the proposed ordinance must be advertised 10 days before being enacted into an ordinance.

The board of viewers' report, as it was read last night, is as follows: "In accordance with your request, as the board of viewers appointed by your honorable body, to recommend the method of assessment for the improvement of Sixth street, between North Oakdale avenue and West Main street and between North Front street and North Fir street, we beg leave to call your attention to the following:

"1—Improvement Sixth street from North Oakdale to West Main street. (a) The cost of the paving for this improvement is \$6,291.87, for the assessment we recommend the costs be assessed against the abutting property, of which the front footage amounts to 733.3 feet, making an assessment of \$8.55 per front foot. In addition to the above cost, there was expended for grading and graveling \$3056.04, which we recommend be taken care of in general taxation.

(b) The cost of the property purchased is \$10,583.83. We recommend the cost be assessed on both the north and south side of Sixth street, from Riverside avenue to Oakdale avenue, of which the front footage amounts to 3225.70 feet, making an assessment of \$3.18 per front foot for this footage.

"2—Improvement Sixth street from North Front street to North Fir street. (a) The total cost of this improvement is \$9415.91 for which we recommend the following assessments:

"All side streets between 5th and 6th street and Main street, lying between Riverside avenue and Oakdale avenue. Front footage 7083.28 feet at 50c—\$3541.64. (b) Both sides of East 5th street and Front street to Riverside avenue, front footage, 1379 feet at 50c—\$689.50. (c) North side of West Main street from West 6th street to North Orange street, front footage, 255 feet at 50c—\$127.50. (d) South side of West Main street from the west line of the alley in block 1, Park addition to South Orange street, front footage, 310.3 feet at 50c—\$155.25. (e) Both sides of South Newtown street from West Main street to the South line of lot 13, block 1, Park Addition and the South line of Robert Kyle property in block 2, Park addition, 408 feet at 50c—\$204.00. (f) The south one-half of all streets between 6th street and Main street, lying between Riverside avenue and Oakdale avenue, front footage 3265.70 feet at 25c—\$816.75. Summary: Item a \$3541.64 Item b 689.50 Item c 127.50 Item d 155.25 Item e 204.00 Item f 566.30 Total \$5284.19

"The total cost is \$9615.01, and the revenue derived as above in \$5284.19, leaving a balance of \$4330.82, which we recommend be made a general obligation, together with the cost of grading and graveling, amounting to \$3056.04 or a total of approximately \$7386.86 to be paid by the entire city. This being approximately one-fourth the cost of both improvements. We feel the entire community has been benefitted to this extent in the opening of the street."

OREGON C. C. BRANCH OFFICE DISCUSSED

Plans of the Oregon State Chamber of Commerce of establishing a branch office and information bureau in Los Angeles, Calif., for the benefit of prospective Oregon settlers were discussed by W. G. Ide of the state chamber before the meeting of the board of directors of the Medford Chamber of Commerce last night.

The office will probably be opened in July, according to present plans of Mr. Ide. Jerry Saylor of Portland, national secretary of the United Artisans lodge, also appeared before the directors and told of plans for the Pacific coast Artisan convention to be held here in August. He solicited the cooperation of the local chamber in making the convention a success.

JEWEL AUCTION BILL IS PASSED, ON AGREEMENT

The much-talked-of ordinance to regulate jewelry auction sales, and which is similar to the Portland ordinance, regulating such sales, was passed by the city council last night after a few provisions had been stricken out, and the emergency clause, which would have placed the ordinance into effect at once was dispensed with, so as not to interfere with the auction sale of the Reddy jewelry store, now on, and which it is expected will be completed in 10 days. The new ordinance goes into effect in 30 days.

A number of jewelers on both sides of the question were present, as were also Charles Reames, attorney for the jewelers wanting the ordinance passed, and Frank Johnson, attorney for those opposed. The action of the contending factions was made easier through the fact that just before the ordinance was passed, they reached an agreement that the measure would be satisfactory with the emergency clause stricken out.

One of the clauses stricken out, and which City Attorney Carlin and a number of councilmen seriously objected to as unnecessary and not feasible to enforce, provided for the arrest of any citizen purchasing anything at an auction that did not conform to the provisions of the regulating ordinance, or even of any one making a bid at such an illegal auction. Attorney Reames, himself, finally agreed to the elimination of this clause.

The provisions of the ordinance are intended to protect the purchasing public at jewelry auction sales, and in the main, will prevent irresponsible outside persons coming into the city and holding such auctions, forbids the holding of auctions after 6 p. m., when it is claimed under artificial light diamonds and other precious stones glitter in a deceptive manner, and forbids jewelry auctions during the month of December.

Other provisions stipulate that every person holding a jewelry auction must post with the city a heavy bond, and must have been a resident of the city for a year prior to the auction and that the stocks sold at auction must have been in stock 60 days prior to the auction. The goods sold at the auction must be tagged with a description in regard to quality, etc., and forbids the inclusion of inferior and other out-of-stock jewelry articles being shipped in to be sold at the auction.

The stock of the jewelry store holding the auction must be checked over by the city recorder prior to the sale, and a number of other safeguards to protect the public are incorporated in the ordinance.

The passage of the ordinance had the backing of the Better Business bureau of the local chamber of commerce and retail merchants' association, and also the city attorney, retail merchants and jewelers' association of Portland, according to telegrams received by the city council.

A Real Demonstration

NEWTON C. CHANEY

One of Chaney's opponents modestly proclaims that the position of District Attorney "should be held by a lawyer of demonstrated ability." For years the District Attorney's office has been held by "lawyers of demonstrated ability," whatever that might mean, but it was left to Newton Chaney to DEMONSTRATE that the prohibition law could be enforced without costing the taxpayers a thin dime. In the words of Brisbane, "DON'T GAMBLE."

VOTE FOR CHANEY

THE RECORDS SHOW

The three years prior to Chaney taking office..... Deficit \$15,456.67 The three years of Chaney's administration..... Net profit \$11,616.91

RESULTS COUNT

Do not vote for Chaney for District Attorney if you want only a lawyer in office, but if you want a lawyer plus an organizer, plus results, vote for Chaney.

THE DICTATES OF COMMON SENSE

An honest and faithful public servant should be rewarded by re-election.

CAN YOU BEAT IT?

Under Chaney, prohibition enforcement has been a going concern, paying its own way and covering back to the state and county treasuries a surplus.

IF YOU WERE UNDER FIRE

Chaney is your public servant—he is fighting for something of more value than his life—his reputation and a good name to hand down to his children. He needs your support.

WHICH SHALL IT BE?

Isn't it better to cinch the bootleggers than to cinch the taxpayers? Demagogues promise to save the taxpayers money—Chaney has saved the taxpayers money. WHY GAMBLE?

VOTE FOR CHANEY

Feel Tired and Achy?

Too Often This Warns of Sluggish Kidneys.

LAME? Stiff? Achy? Sure your kidneys are working right? Sluggish kidneys allow waste poisons to accumulate and make one languid, tired and achy, with often dull headaches, dizziness and nagging backache. A common warning is too frequent, scanty or burning excretions. Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and thus aid in the elimination of bodily waste. Users everywhere endorse Doan's. Ask your neighbor!

50,000 Users Endorse Doan's: Mrs. D. V. Dickson, 212 Cascade Ave., Hood River, Ore., writes: I have Doan's Pills will do what is claimed for them and I gladly recommend them. My kidneys were not functioning properly and frequent backaches made me miserable. I had dizzy headaches, and my kidneys acted irregularly. Doan's Pills were just what I needed. They helped me right away and I was soon free from the troubles.
