VOTE FOR GEO. B. ALDEN For SHERIFF

He Has Had Experience

In seeking the nomination as Sheriff of this county I do so in the firm conviction that I am in every way qualified to properly fill the office to which I aspire. I have had several years' experience in the office of Sheriff of this county, and have had extensive experience both in the legal and tax departments of the office. I have also served as a police officer, and in other public capacities so that, if nominated and elected, I feel that I will be in a position personally to give the office the careful and efficient management which its importance demands.

I also served as a soldier during the Spanish-American war, being with the 12th Minnesota volunteers.

If elected as the Sheriff of the county I pledge myself to an honest, impartial and efficient administration of the affairs of the office in all of its departments, and will give to the tax collection department a careful and business-like administration. I will at all times welcome the most thorough investigation into the workings of the several departments, and assure the people of this county that they will at all times be welcome to visit the office, and that they will receive courteous and considerate treatment and consideration at the hands of myself and any assistants who may be in charge of the various departments.

If the foregoing statement as to my policies meets with the approval of the voters of the county, I will appreciate your support in the coming primaries.

GEO. B. ALDEN

Easy HOUSEKEEPING

By MRS. MEG MACGREGOR, Director of Household Science

"Stains never worry me now"

This is the cheerful beginning of a letter I have just received from a woman in Cleveland. And it is true that stains need never worry any woman who knows when and how to use Clorox. For Clorox is "bottled magic."

Common stains

For instance: Nearly every day in every family someone spills tea, coffee, chocolate, or wine. Take the stains out with Clorox in correct solution.

And then ink spots—out they come—jiffy quick! Another ugliness that sometimes seems absolutely fatal is the stain caused by medicines—argyrol, iodine, mercurochrome and others. Fruit stains, too, are easily disposed of. All these can be safely and quickly treated with Clorox. You have only to follow the directions carefully.

Mildew and scorch disappear easily too

Who hasn't carefully rolled up a cherished doilie, lunch cloth, or white cotton or linen blouse—only to let it mildew? And who hasn't taken special pains with some fine piece of linen, only to scorch it? But these accidents need not be fatal! For mildew—soak in the proper solution of Clorox for ten minutes and hang in the sunlight until all discolorations vanish. For scorched spots the method is easy, too. The label shows you how. You'll say it's nothing short of magic and it is!

Send for my Free Chart

If you have a difficult problem of cleaning or disinfecting won't you write to me about it? Perhaps I can help you. I shall be glad to answer your letter and send to you, free of charge, my "Easy Housekeeping Chart" to hang in your kitchen.

ASHLAND GIRL GIVEN HIGHEST U. OF O. HONORS

ASHLAND, May 17.—Miss Edith Dodge, daughter of Mr. and Mrs. Louis Dodge, who is a journalism major at the University of Oregon, has just received the highest honors that the university can bestow on a woman student. On Saturday Miss Dodge was awarded the Gerlinger cup, which is each year awarded to the most outstanding junior woman on the campus. The award is made each year by Mrs. George T. Gerlinger, university regent of Portland, and is held by the recipient until junior week end of the following year.

Miss Dodge also was elected to Mortar Board, women's national honor society. About two weeks ago Miss Dodge was elected to the presidency of the Women's league. The position is an honor, as Miss Dodge will head all women's activities on the campus.

Miss Edith Bork, who was injured in a fall several days ago, is now able to resume her duties as principal of Lincoln school. Miss Bork suffered a sprained ankle and also severe shock.

On Wednesday evening the town was aroused by a charivari which was organized by the younger people of the town as a reception to Mr. and Mrs. Jimmy Daugherty. The young people were recently married and expect to reside in Ashland.

Mrs. Fred D. Wagner, Mrs. Louis Dodge, Mrs. Clyde Payne and Mrs. Henry C. Galey returned Monday afternoon from an automobile trip to Eugene. Mrs. Payne continued her journey to Independence to visit at the home of former friends. Mr. and Mrs. Harry Keeney. The others of the party spent Mother's day in Eugene on the campus, where they have sons and daughters in the university.

Mrs. Harriett Fielding of Granite street is ill with flu and confined to her home.

Mrs. Hal McNair will leave on Wednesday evening for Buffalo, N. Y., to attend a supreme convention of the Daughters of the Nile. Mrs. McNair will, on her return trip, make a visit to friends in Missouri.

Mrs. Angela Purves of San Francisco is in Ashland for several days to visit with her mother, Mrs. Clara Bomer on Allison street.

Gordon Duffield, David Gaffney, James Pendleton and Jack Balding, accompanied by Mrs. George H. Moffett and daughter, Joy, spent the week end at Copco visiting with Mr. Moffett, who is employed at Copco.

Mr. and Mrs. A. F. Abbott left Ashland Wednesday evening to visit at Portland and Lonview, Wash. They will visit their son and his wife, Mr. and Mrs. Keith Abbott, who live at Longview.

The regular meeting of the Daughters of the American Revolution, which was scheduled for Friday of this week, has been postponed on account of the illness of the regent, Mrs. Harriet Fielding.

Mrs. Joe McMahon is visiting in the city with her mother, Mrs. T. K. Bolton, and her brother, Walter Bolton, who reside on Church street.

James Pendleton, who has been visiting at the home of Rev. and Mrs. C. D. Gaffney, has gone back to San Francisco to regain his health.

Adena and Dick Joy, Ashland high debaters, will leave on Thursday for Eugene where they will participate in the finals of the state debate league.

Gordon Claycomb spent the week end in Ashland visiting his parents, Mr. and Mrs. H. L. Claycomb on Harrison street.

Mr. and Mrs. John Enders and daughter Shirley were in Klamath Falls over the week end to attend the Great Northern celebration.

Mr. and Mrs. Dom Provost on VanNess avenue, are the proud parents of a fine baby boy who has been christened Dom Sylvan Provost. Mrs. Provost is at the Community hospital, and both she and the baby are reported as doing well.

Dr. R. L. Burdic, I. E. Vining, Henry Enders and E. G. Harlin made the trip to the Lake of the Woods on Sunday, and made the approach from Klamath Falls.

Eastern Oregon Live Wires, a social club of the Southern Oregon Normal school made up of students from the eastern part of the state, gave a dancing party on Friday evening at the normal auditorium. Loren Messenger, science instructor, is sponsor for the organization. An informal program was given, consisting of a gypsy dance by Miss Evelyn Mangold, and several violin selections by Miss Ruth Yoder. Jack Lemone also gave a reading. A fortune teller, Mrs. Erickson, and a palm reader, Miss Nell Mahoney, furnished a lot of fun for the guests. Many of those in attendance were in gypsy costume.

52. Trail; polling place, Ash store (old).
53. Union; polling place, Ruch Hall.
54. Watkins; polling place, People's Hall.
55. Willow Springs; polling place, Willow Springs school house
56. Wimer; polling place, store.

The polls open at 8 a. m., and close at 8 p. m., tomorrow.

EAGLE POINT ITEMS

The Presbyterian ladies will serve a chicken dinner Friday, the 18th, election day, at the Brown hall. Don't fail to make plans for taking your family dinner with the ladies on that day.

Dr. Morgan preached the baccalaureate sermon last Sunday. There are seven boys and two girls in the senior class this year. Ned Foreman, William Miller, Paul Sandoz, Gwendolyn Brophy, Benjamin Bellows, Frank Pettegrew, Lota Henshaw, Alfred Piele and Eldred Mongold.

Wednesday night the class day exercises will conclude with a program at the Grange hall which will be open to the public and on Friday evening the commencement exercises will be held in the Presbyterian church.

This 1928 class is the largest class our high school has ever graduated and we are exceedingly proud of them.

Manager Clements of the local telephone exchange has announced the installation of continuous service in the Eagle Point office, to begin very shortly. This matter has been agitated for over a year, especially by the farmers of the district, and about a year ago questionaires were sent out asking for the sentiment of this improved service, and the management is now ready to make the change. John Phillips has been engaged as night operator and will soon be at the board at any hour of the night for emergency calls. It is hoped that this important service will not be abused by unnecessary use of the phone late at night, but it will be fine to know we can use it when we need to.

Little Green Capsules Stop Rheumatic Agony

Prove It in 5 Days

There's nothing in the world that brings such quick and complete relief from the pain and misery that makes life almost unbearable as those tiny green capsules known from coast to coast as Allenrhu Number 2.

More than one man and woman whose horrible rheumatism has been carrying down to helplessness—suffering the torture of the damned—can testify to this.

All you have to do is to take one tiny capsule each hour for the first ten hours, the next day one every two hours for 14 hours, then take as directed.

Substitutes and imitations may be offered you but remember it's "the little green Capsule" that is turning the trick and bringing joy to thousands of Rheumatic sufferers, so insist on Allenrhu No. 2.

Heath's Drug Store or any reputable druggist in America will be glad to supply you.

Rupture Expert Here Soon

Elwood Mack, Nationally known Rupture Expert, inventor of the "New Cushioned Rupture Shield" for MEN, WOMEN and CHILDREN is coming to Medford in person to demonstrate his new appliance.

Personal Announcement

For the past 20 years, I have devoted my entire time to the cure of ruptured people; and now I have the best appliance I have ever made—"The Cushioned Rupture Shield." Notice: If you are an old customer of mine, and still wear a truss, call on me and I will exchange with you free of charge.

What It Is

The "Cushioned Rupture Shield" is constructed on a scientific mechanical principle, embodying features not found in trusses or other rupture appliances. It automatically adjusts itself to every position of the body and can be worn with absolute comfort. It will not slip, slide, or change its position.

What It Does

The "Cushioned Rupture Shield" automatically gives a gentle and continuous massage to the surface of the ruptured tissues; thereby improving local circulation, assisting Nature in stimulating, strengthening, and contracting flabby muscles; and in the average case the opening closes in a remarkably short time.

What They Say

One doctor says: "I have used this appliance and endorse it as one of the greatest blessings ever offered to ruptured people. Don't be deceived by 'Advertised mail-order contraptions with the chafing unsanitary belts, and leg-straps, as well as Free Treatments of salves and medicines—they are worse than worthless.'"

Question

Would you be interested, if you could get an appliance that would comfortably hold your rupture; one that is sanitary—can be worn while bathing; and, if you could be assured that you would not have to buy any more trusses? If so come see me—My "New Cushioned Rupture Shield" is such an appliance.

Free Demonstration

I invite you to come in, have this appliance made up to your measurement, fitted to your body; then, if you do not like it, you will be under no obligation to accept it. "The Cushioned Rupture Shield" will relieve you of that binding, gouging, unsanitary old truss.

Hours: 10 a. m. to 1 p. m.
2 to 5 p. m. Evenings: 7 to 9

"Blood Pressure Made Me Sick and Unhappy"

"MISERABLE is the only word I can use to describe my feelings. Couldn't eat, had dizzy spells, slept fitfully, got up many times every night. On my doctor's orders, I took Agmel faithfully for a month. Then everything was changed. My blood pressure was 60 degrees lower, appetite returned and kidneys 100% better."

MRS. J. W. SHANE, Los Angeles.

Agmel used in treatment of STOMACH KIDNEYS DIABETES HIGH BLOOD PRESSURE and other organic disorders

Agmel is not a medicine, but a natural raw health food from Mexico—the sap of the Maguey plant unchanged except for removal of water without cooking. Rich in vitamines, minerals, yeast. Tastes delicious. Non-alcoholic. Maguey sap used centuries in Mexico. Now world-famous. Thousands praise Agmel—see letters and other free literature at druggists.
