FOG ON LAKE HURON RAISES HAVOC WITH SHIPPING, ONE KILLED

DETROIT, Mich., May 18.—(AP)—A dense fog that blotted visibility for several hours wrought havoc with shipping in the lower Lake Huron lane, wrecking the whaler John Erickson with a \$200,000 cargo of grain, causing the death of one man and damage to three other vessels.

The Erickson was rammed off here by the downward steamer A. F. Harvey yesterday. Passing ships, answering distress signals, were able to take off the crew of the Erickson, which was towed to Detroit and beached. The Harvey, with a badly damaged bow, was able to make port for repairs and proceed to Toledo.

The steamer James Wallace of the Pick and Mather company was grounded off Hay Point.

Levi Urdal of Cleveland, chief engineer of the steamer Robinson, was killed in a boiler explosion when the vessel, heavily laden with cargo, was running for shore to await lifting of the fog. Although partly damaged, the Robinson was able to make Sheboygan under her own steam.

FORGERY SUSPECTS ESCAPE MARSHAL BY USING THEIR GUNS

HOOD RIVER, Ore., May 18.—(AP) With a gun poked in his face as he stood on the running board of an automobile, City Marshal Manley, of White Salmon, Wash., was carried a mile and a half today by three young men he sought to arrest on suspicion of attempting to pass a worthless check.

Manley jumped off the car near Hingen and fired at the fleeing car, puncturing one of the tires. The fugitives ran about a mile before abandoning the car. Later Marshal Monroe captured a youth said to have been in the car. He refused to give his name. Officers were out looking for the others. The trio appeared at the Columbia bank at White Salmon, this morning and presented a check which aroused suspicion, and Manley was called. The young men were in their car when Manley arrived and when he attempted to arrest them, they drew a gun, threatened to shoot if he moved off the running board and started the car.

Lydia E. Pinkham's Vegetable Compound Helps Her So Much

Pittsburgh, Pa.—"I was just completely run-down, I had tired, heavy, sluggish feelings, and I could not eat. I was losing weight. I read so much about Lydia E. Pinkham's Vegetable Compound and what a good medicine it is, that I started taking it. I have taken eight bottles of Lydia E. Pinkham's Vegetable Compound and I feel like a new woman. This is one medicine a woman should have in the house all the time. I am improving every day and I sure am able to eat. I am willing to answer any letters asking about the Vegetable Compound."—Mrs. F. L. RICHMOND, 21 Chautauque St., N. S., Pittsburgh, Pa.
