

ANDY PAYNE IS LEADING DERBY BY 20 HOURS

Close Finish in Bunion Marathon Promised—John Salo, Second, Wants Cash for Wife and Family—Currier Far Behind.

BRADFORD, Pa., May 18.—(AP) C. C. Pyle's bunioneers faced the 52-mile trip to Wellsville, N. Y., today with equanimity born of the fact that the trek brings them that much closer to the final goal, New York. The race will end at Madison Square Garden, Saturday, May 26.

Holding a lead of 20 hours, eight minutes and 29 seconds over his nearest opponent, Andrew Payne of Claremore, Okla., was conceded better than an even chance to win first prize money of \$25,000. "I'm not going to dog it, either," said Payne. "I have run all along and will fight through to the finish. If I am beaten I will be the first to congratulate the winner."

John Salo, reticent Passaic, N. J., entry, who is second, commented on his own chances: "First place was my fondest hope. I have a wife and two children. My wife has worked to keep things going while I have been running so that we will have a better future than the hard sledding of the past. I may have to be content with second place, but even then I won't growl."

Sam Richman, who led the 44.2 miles from Jamestown, N. Y., yesterday, said he would conserve his strength for a final dash into New York, his home city.

Alan Currier, Rogue River, Ore., finished yesterday lap in 9:33:29; elapsed time 627:47:02.

EVERYMAN'S BIBLE CLASS ENTERTAINS

The Everyman's Bible class of the Christian church, entertained their wives and members of the Alpha Delta class with a salmon feed last evening in the recitation hall of the church. There was a large attendance and the evening was an enjoyable one.

An appropriate program was given during which Miss Genevieve Brown rendered two excellent piano selections. Carmen E. Mell sang a group of songs, short talks were made by J. W. Shirley, C. R. Ray, Mr. Hall, J. A. Henstreet, Mrs. Swainston and Mrs. Henstreet, all of which were optimistic for the future program of the church.

In the fish story contest, Dr. L. H. Gove won for the biggest fish. Roy Guyer was acclaimed the best fisherman, having furnished the salmon for the evening, and Mrs. J. O. Isaacson of Central Point won for the best way of weighing fish—by the scales. Mr. Hall and J. W. Shirley of Missouri mud cat fame, also contested.

After the program there was a pleasant social hour.

TWO CABIN PLANES LAND IN MEDFORD

Two Boeing cabin planes, which will be put on the regular run between San Francisco and Seattle of the Pacific Air Transport company landed at the local airport this forenoon enroute to San Francisco on a test run. The two planes along with two others will be put into active operation by the company the first of June, according to present plans.

The planes have a capacity of four passengers and 600 pounds of mail and are powered by 125 horsepower motor, making the ships much faster than the present smaller ones in use.

Aaron Schollars Granted Pension

A special bill introduced in the senate by Chas. L. McNary, granting Aaron Schollars of this city a pension of \$20 per month, was signed by the president today.

Mr. Schollars served in the 1st Kentucky in Tennessee in Gen. Rousseaux supply train in the battle of Stone River. Their train was captured by General Joe Wheeler's cavalry. Mr. Schollars served thru the civil war, after which he came west and was a teamster and packer in the regular army in Colorado, Wyoming and western Nebraska, chasing Indians. He was never enlisted in the regular service, which made a special bill necessary.

CHANEY ACQUITTED

During the argument of Attorney Roberts "on the so-called Willie signature on the \$310 check," Senator Eddy interposed an objection which caused a legal flurry, resulting in the defense filing a motion for a directed verdict, which the court overruled, after Senator Eddy had explained that it was the theory of the state that the signature of Willie on the \$310 check was forged, but not holding Chaney had made it, but had made use of it.

THREE KILLED AND HEAVY DAMAGE IN TEXAS STORM

DALLAS, Texas, May 18.—(AP) Reports of three deaths, a number of persons seriously injured and property damage amounting to probably a million dollars filtered in slowly today from scattered sections of north Texas and southern Oklahoma that have been spent by a general wind, rain and hail storm.

Bruce Coleman was killed when struck by lightning during a heavy rain and electrical storm at Post, Texas. J. C. Brinlee was fatally injured in the collapse of a dance hall near Drumwright, Okla., and Carl Beach lost his life when his automobile skidded on wet pavement and overturned at Oilton, Okla.

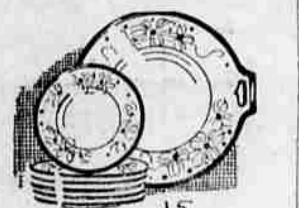

Thackerville, Okla., with a population of about 300, was struck by a tornado last night, and early reports were that nearly every house there was blown from its foundations.

Large oil storage tanks at Midland and Burk Burnett, Texas, were ignited by lightning and loss was estimated at several hundred thousand dollars.

Railroad tracks were washed out in places and telegraph and telephone wires were down in several instances isolating small communities.
