## That Modern Method

"Paint With Air"—The Modern Way

Note the beautiful gray tone given the painting quality in Home 611 South Oakdale. Better than the old way when we air spray the painting. Side and roof shingles in this home by our firm. We also do brush work.

Among the homes we have painted the modern and better way, in this city recently, that of Mrs. Burrows, 510 Newton; Tillman home, Dakota avenue.

## OPEN FOR INSPECTION

The Public is Cordially Invited

This fine new model home chiefly derived from English sources, carries sufficient colonial effect to make it fit in beautifully with Western style, the architect has given it dignity and character and the plan is certainly a happy arrangement. The main feature of the lower floor is, of course, the living room, which opens upon the paved terrace. The home is beautifully decorated and papered in very decorative latest designs, all closets, cupboards, etc. painted inside in French Blue. Ample accommodation has been provided both for the children and for the privacy of the parents. The lot is a very pleasant feature of the home being 75 feet on South Oakdale by 175 feet deep and 95 feet wide in the rear. Well selected electric fixtures and heating plant, garage for two cars with fine concrete winding driveway and arched terrace. This 8-room model home is something to please you and you will be more than surprised to learn the price is within easy reach and good terms.
