G. JURY DECIDES AGAINST FILING SPECIAL REPORT

Senator B. L. Eddy of Roseburg, and J. M. Johnston, attorney representing the state in the matter of the investigation by the grand jury of the prosecuting attorney's office, resulting in the indictment and trial of the prosecutor, were at the courthouse yesterday, consulting with the grand jury in regard to the grand jury making a report for filing, and to make their own final report to the court. The grand jury had previously expressed a desire to the court to file some sort of a report, but none had been made or filed.

Mr. Johnston stated that while it was not proper to discuss the doings of the grand jury, as it is strictly a secret investigating body, still it is proper to say that he and his co-counsel had made their final report to the court and had finished their labors in regard to the investigation and prosecution; also while they had expressed their willingness to aid the grand jury to make a report, nevertheless that body, after considerable discussion, had decided that they did not wish to file any written report.

The term of the present grand jury, which is composed of Katie Grieve, forewoman, W. T. Houston, Earl Isaac, Charles Hockersmith, L. N. Younger, D. W. Beebe and Lester Faye, ends May 28, after which a new grand jury will be selected from the jury panel for the May term of court.

WALKER & KINCAID JOIN FORCES IN FAIR PAVILION

As the result of negotiations which were closed today, the Eagle Point dance pavilion and the Walker pavilion in this city will cease operation, their proprietors, A. W. Walker and Luke Kincaid having formed a partnership to operate the fair grounds pavilion south of the city at the county fair grounds. The first dance will be given there next Saturday night, Messrs. Walker and Kincaid announced this afternoon.

Several novelty numbers have been prepared for the opening dance, including a contest between the Walker orchestra, which has been playing at the local hall for two years, and Kincaid's Imperial orchestra. The contest will largely decide which orchestra will be used to supply the music for the regular Saturday night dances.

The pavilion will probably be operated during the greater part of the summer under the Walker-Kincaid management, after which other arrangements for a new hall will probably be completed. Mr. Walker has been operating successful dances in Medford for the past several years and is well known to the local dancing public. Mr. Kincaid has been a successful proprietor of dance halls at Eagle Point and Gold Hill for over four years and a little over a year ago completed the construction of a new dance hall at Eagle Point.

Lunches will be served at the fair grounds at midnight and arrangements are being completed to provide for a record breaking crowd next Saturday night. There will be no mid-week dances at pavilion or at Walker's hall, where they had been given regularly.

IMPORTANT MEETING EAST S. IMPROVEMENT

The consideration of putting in oil macadam from the end of the paved portion on East Main street to the golf course, and the matter of installing a new sewage system are among the many important problems to be brought up before the East Side Improvement club meeting at the city hall tomorrow night.

That the pavement matter will particularly affect those residents who live along the extension of East Main street has been emphasized by the special committee in charge of presenting this report, who urge a large attendance of these residents. The meeting will start at 7:45.

Vaudeville

Patrons of Hunt's raterion will see a thoroughly entertaining Association vaudeville bill with novelties Wednesday evening.

Flo Eckert and company headlines the program, in a concoction of song, dance and music. Miss Eckert is accompanied by Ruth Stripling, Stan Mitchell, Ted Taft and Ray Evans.

Woods and Francis are "Two Northern Boys From the South" who put on "Don't Move" and in it combine a blending of harmony songs and comedy chatter.

Raymond and Ann are ventriloquists who present "The Tourists," a skit which gives them every opportunity for a perfect display of their remarkable talents.

Wilson and Gray, dark face entertainers, hand out some fast chatter, do some very good dancing and sing character songs.

Introducing the tallest lady in the land, Mayme Butters and Charles, her partner, will no doubt startle the audience. These daring artists perform feats of amazing skill in the air.

CHANEY WITNESS OUT ON 1 CHARGE, IN ON ANOTHER

W. M. Wilkie, star witness in the Chaney trial, left Medford this morning for McMinnville in the custody of Deputy Sheriff W. McQuinn of Yamhill county, where Wilkie is wanted on a felony charge, being accused of obtaining money under false pretenses. An attempt was made yesterday by Wilkie's attorneys, Kelly & Kelly, to obtain a writ of habeas corpus in connection with the McMinnville charge, but the attempt failed.

Wilkie's wife is still in Medford, but will probably leave this week for the north to be near her accused husband, who yesterday forenoon was cleared of one charge in circuit court of attempting to defraud an innkeeper at Salem. He was freed on the argument that the charge only involved $1.50 at a restaurant and that payment was not made because of haste to arrive here for the trial.

SPECIAL MUSICAL PROGRAM TONIGHT OVER THE RADIO

The Snider Dairy and Produce company is putting on an unusually interesting musical program this evening, from 8 to 9, over KMED, the Mail Tribune-Virgin radio station, that will be enjoyed by all.

The program for the first half hour will be furnished by talent from the Christian church. Chrman E. Mell, the pastor, who has a rich baritone voice, will sing several solos. This is his first appearance, outside of the churches, over the radio. The men's church quartet, consisting of M. E. Olsen, Merton Ferabee, Chester Wendt and John Kirkpatrick, will sing several numbers, accompanied by Mrs. Mabel Sims, church organist.

From 8:30 to 9 p. m., the program will be furnished by the state musical convention in session here, and will be broadcast from the Baptist church.

SEAT SALE BRISK FOR FRIDAY BOUTS

Tickets for the American Legion drum corps benefit wrestling match next Friday night at the Hilarity hall between Billie Shaw of Marion, O., and Sailor Jack Wood of this city and Don Noland of Marshfield are reported to be enjoying a good advance sale and local wrestling fans are urged to obtain tickets early if they wish to be assured of good seats.

Shaw, 212 pound challenger of Ed (Strangler) Lewis at a match at the county fair grounds early next month, has entered hard training for next Friday when he guarantees to throw both men in 90 minutes, one at a time. He will wrestle the third fall with either of the two men that the crowd chooses.

A semi-windup match will be wrestled between Tex Porter of Medford and Thurman Jackson of Chiloquin and will be one fall to a finish. Two boxing preliminaries will precede the wrestling, according to present plans.

PYTHIAN MEMORIAL SERVICE JUNE 11

Talisman Lodge No. 31, Knights of Pythias, held a short and interesting business meeting in their hall last night, at which Monday, June 11, was designated as the night for the Pythian memorial exercises. Chancellor Commander Claren E. Jaqua appointed W. R. Gaylord, J. T. Perry and John Dodge as a committee to arrange the program.

A letter was received from Captain T. C. Freiberg of Portland urging the organizing of the uniform rank throughout southern Oregon. The uniform rank is the military department of the Knights of Pythias and is now being reorganized throughout the grand domain of Oregon by Captain Freiberg. Bliss Heine was appointed by Chancellor Commander Jaqua to see if enough members can be secured to form the Medford troop.

CHANEY THANKS THE PEOPLE FOR THEIR SUPPORT

To the Editor: My family and I wish to publicly express appreciation for the wonderful sympathy and encouragement extended to us by the people of both political parties in Jackson county when my official acts were under fire; and to the republicans of Jackson county who re-nominated me for the office of district attorney by a decisive majority. I can only say that the confidence and trust displayed by their votes will never be violated or betrayed.

My office affairs have unavoidably been thrown into some confusion in the last two or three months. These will be placed on a sound and efficient basis at the earliest possible moment, and so far as the fall election is concerned I shall act on the assumption that the most effective campaign I can make is to go energetically about the discharge of my official duties and leave to the voters and taxpayers the responsibility of deciding whether I am worthy of re-election.

Again expressing my grateful appreciation, I remain

Sincerely yours,
NEWTON C. CHANEY.

Mr. Chaney has received many expressions of confidence.

Among the many letters and telegrams received from his friends thruout the state are those from George E. Love, state commander of the American Legion; J. W. Valient, state service officer of the legion; J. H. Upton, former candidate for governor; A. J. Moore, district attorney of Deschutes county; Guy Cordon, district attorney, of Douglas county; W. T. Miller, district attorney of Josephine county.

My dear Mr. Chaney:

Kindly accept my congratulations on your success and pronounced victory in the primary election.

I am personally gratified to see you, and also, your family, emerge from the misunderstandings by such a decisive verdict of both jury and voter, and assure you of my personal support at the coming election.

Yours very truly,
(Signed) W. G. TRILL.

RED CROSS SWIM WEEK JUNE 6TH

The American Red Cross will open its annual swim week June 6. Mr. Hughling will conduct the swimming and life saving campaign. The Red Cross is very glad to be able to offer the boys and girls of Medford instruction by Mr. Hughling, as he is on the physical education staff of the University of California and is a splendid instructor of swimming.

Mr. Merrick of the Medford Natatorium has installed a new filtering system as well as a chlorinator and the tank is in fine shape for "Swim week."

Do not forget June 6 to 16, and watch this paper for further information.

REAMES & KELLY TANGLE HOTLY IN IRRIGATION SUIT

The water suit of the Little Applegate Improvement District company against J. J. Mussell, seeking to restrain the alleged diversion of water from near the head of the Gallagher ditch, is being heard today in the circuit court before Judge Charles M. Thomas. The suit dates back to 1872, and much of the pioneer history of the Little Applegate district is interwoven. A number of the witnesses have been residents of that section for many years.

Arthur Kleinhammer was called to the stand this afternoon for cross-examination by the defense.

The defense is represented by Kelley, Kelley & De Souza, and the plaintiff by Evan Reames.

Just before the defense made a motion for a non-suit which the court denied, the following interchange took place between Judge Kelley and Attorney Reames:

Mr. Reames: "Well, why grunt at me?"

Mr. Kelley: "I am not grunting at you."

Mr. Reames: "Well, you are barking at me."

Mr. Kelley: "Barking at you?"

Mr. Reames: "I said 'Larking at me.'"

Mr. Kelley: "Oh, no. I did not bark at you."

Mr. Reames: "Then 'jawing.'"

Mr. Kelley: "If I barked at you, you would whine!"

At this stage the court ordered learned counsel for both sides to proceed, and Attorney Edward Kelley, who had taken no part in the repartee, read from a law book his reasons for thinking a non-suit should be granted.

Perspiration odor ... it kills popularity

How millions keep perspiration odorless

HOWEVER attractive or charming we may otherwise be, we can never hope to amount to anything socially—if we're guilty of perspiration odor. The faintest suggestion of odor brands us as careless, makes us unacceptable.

Thus, it's well for everybody to be on guard—always. Even if we don't seem to perspire, our millions of pores are constantly giving off invisible perspiration—often as much as a quart of odor-causing waste a day.

The offender never knows

And very often, we may be guilty *—without knowing it.* For our own sense of smell becomes deadened to familiar odors.

Yet there's no excuse for risking this unpardonable offense now. Millions already know this delightful way to keep safe—Lifebuoy. Just wash and bathe regularly with this purifying toilet soap—it *deodorizes*—keeps perspiration odorless.

Lifebuoy's bland and abundant antiseptic lather also guards health by removing germs. Benefits complexions, too—keeps them clear, fresh, glowingly *healthy.*

Note its clean *scent*

You will learn to love Lifebuoy's pleasant *clean* scent, which tells you Lifebuoy purifies. It quickly evaporates after rinsing. Use Lifebuoy a week and you'll use it for life. Get some today.
