STRAIGHT AND TO THE POINT

Dairy Ranch

Given the right location, water rights, the proper buildings, fine show-yard, good road to the county seat, permanent green pasture, and what more do you want for ideal conditions for successful dairying?

The Time Is Right for Pedigreed Stuff

in such a location, and the sales of breeding animals add very materially to the income from the cows. It has been a crime to ship so many dairy cows from the valley during the last three years, and the only way to make amends is to get better grades for future wants. The prescribed method is thoroughbred breeding stuff. We can make the terms on this favored ranch satisfactory to the right party.
