COOLIDGE SIGNS JONES SHIP BILL

WASHINGTON, May 23.—President Coolidge has signed the Jones-White merchant marine bill. The measure, which was sent to the White House in the same envelope with the McNary-Haugen farm relief bill, authorizes a big replacement program for the government merchant marine, requires sanction of but five of the seven members of the shipping board for the sale of vessels to private operators, doubles the existing \$125,000,000 construction loan fund of the board and liberalizes the ocean contract mail system.

STRAIGHT AND TO THE POINT Dairy Ranch Given the right location, water rights, the proper buildings, fine show-yard, good road to the county seat, permanent green pasture, and what more do you want for ideal conditions for successful dairying? The Times is Right for Pedigreed Stuff In such a location, and the sales of breeding animals add very materially to the income from the cows. It has been a crime to ship so many dairy cows from the valley during the last three years, and the only way to make amends is to get better grades for future years. The prescribed method is thoroughbred breeding stuff. We can make the terms on this favored ranch satisfactory to the right party. Carl Beebe's Phone No. is 1377 Hotel Nash Corner
