'SCREEN CLUB' TO BE FORMED AT MEETING TONIGHT

Plans are under way to form a "screen club" in Medford, according to report and the first meeting of this new club will be held tonight at the Shingle studio in the Medford building. All those interested in receiving high-class instruction in the motion picture art are urged to meet tonight at 8 p. m., to organize a Medford Screen club.

The purpose of the organization is said to be to produce historical and scenic moving pictures of this territory, under the direction of Carl A. Theobald, former president of the Vitaphone Co. Mr. Theobald, who is now making his headquarters in the Rogue River valley has had a wide and varied career in the moving picture industry, not only in America, but in Europe, as well. He was connected with the United Feature Artists of Germany for three years and has also made pictures in Arabia and East Africa, according to report. Medford is said to be very fortunate in having the services of such a capable director to supervise the activities of this new organization.

How to Reduce Varicose Veins

Hub Gently and Upward Toward the Heart. Vein Blood in Veins Flows That Way.

Many people have become depressed because they have been led to believe that there is no remedy that will reduce swollen veins and lumps.

If you will get a two-ounce original bottle of Moone's Emvarol Oil (full strength) at any first-class drug store and apply it night and morning as directed you will quickly notice an improvement which will continue until the veins and lumps are reduced to normal.

Moone's Emvarol Oil is a harmless, yet most powerful germicide and two ounces last a very long time. Indeed, so powerful is Emvarol-Oil that old chronic sores and ulcers are often entirely healed and anyone who is disappointed with its use can have their money refunded. Health's Drug Store sells lots of it.
