The Time Is Right for Pedigreed Stuff

The Time is Right for Pedigreed Stuff in such a location, and the males of breeding animals add very materially to the income from the cows. It has been a crime to ship so many dairy cows from the valley during the last three years, and the only way to make amends is to get better grades for future wants. The prescribed method is thoroughbred breeding stuff. We can make the terms on this favored ranch satisfactory to the right party.
