Saves You Money

Santford Saves You Money

Santfords large store and market is operated in one building, under one management, the tremendous cost of operating a separate store and a separate market, or two or three separate stores and separate markets is saved by Santfords system of stores and markets—stop and think what this saving means to you, the doubling and trebling of operating expenses all of which must be added to the price you pay is far greater than any saving possible to make in quantity buying from producers or manufacturers, the combined savings from low operating costs and large buying power make possible Santfords wonderfully low prices on both meats and groceries.

A "light raid" held at Ashland last night by State Traffic Lieutenant O. O. Nichols and other officers, revealed that 85 per cent of the cars examined had headlights adjusted in accordance with the state law. Motorists are warned that other raids will be held in Medford shortly. The arrest of motorists who have headlights entirely out of adjustment is not uncommon.

There is genuine enthusiasm here for a community celebration on the Fourth of July, making it one of country-wide scope. We have a wonderful park in Grants Pass and we have a fair grounds that should be put to use as often as possible in providing entertainment for the people of Josephine county. However, it is not highly desirable that too great territory be taken in for the event. Let's have a real get-together for the people of the county and make it an occasion to get to better acquainted, because Josephine county is really just one big community. — Grants Pass Courier.
