

NEW PRIVATE SCHOOL TO BE BUILT IN CITY

Valley School Association Purchases Four Acres of Land On Siskiyou Heights — Work On Modern School Building to Be Started in Two Weeks.

Four acres of land in the Siskiyou Heights residence district have been purchased by the Valley School Association, from Dr. J. M. Keene, and work will soon start on a private school, which promises to be one of the best equipped and conducted educational institutions of the kind in this part of the state.

The school will provide for primary, pre-primary and grade work, the purpose being to prepare children, both boys and girls, for the Junior high school. The pre-primary will be for children of pre-school age.

The new school will be in charge of Mrs. Isabel Mosher and Mrs. W. A. Thompson assisted by Mrs. E. R. Shockey. Mrs. Thompson, who is well known throughout the valley, and has conducted the Valley school the past year, will this summer attend summer school in Berkeley, Calif., to take a special course in the latest methods in primary and grade school instruction. Mrs. Mosher is an experienced public school teacher, also with a wide acquaintance in the valley. Mrs. Mosher, who is a sister of Paul Shearer of Medford, is moving to the city this summer from Ojai, Calif., where she has been connected with the Ojai Valley school, an educational institution of national reputation which makes a specialty of character training and development. Mrs. Mosher has had wide experience in educational matters, being the daughter of Dr. James A. B. Scherer, former president of Throop college, Los Angeles, through whose efforts and direction this institution was developed into the Southern California Technical college. Before becoming a member of the faculty at the Ojai Valley school, Mrs. Mosher taught for two years in the San Francisco public schools.

The site of the school, at the end of Groveland avenue, makes an ideal location—quiet, secluded, far from city traffic and city noises, and with a tract of four acres the school will have ample facilities for playgrounds, project work, and open air classes, whenever the weather permits. A covered recreation shed will render outdoor athletics and exercise possible throughout the year.

Work on the construction of the new school will start in two or three weeks, and it will be ready for the opening of the school year in September. As the school develops it is possible that students from outside of Medford may be secured, as parents everywhere are coming to realize more and more the importance of elementary school education which allows greater personal attention to the individual child, and the application of the most modern methods, in the matter of mental training and character development.

NO TRACE OF NOHLE

(Continued from Page One)

day in the hope that the missing dirigible Italia would pick it up. "Italia, Italia, have faith. We are organizing relief"—might well be taken to be the message of the whole Italian people.

Premier Mussolini was following the situation in the Arctic closely and urging diplomatic representatives in countries anywhere near the zone where the Italia might be to do everything possible to speed up the search. He gave orders that every bit of news available should be relayed to General Umberto Nobile's wife and family at Milan.

Romans were awakened this morning by the hawking of the early editions of the newspapers and rushed to the streets in the hope of learning of the safety of the general and his crew. Their disillusionment was great when they found that nothing definite was known of the Italia's whereabouts. They took some comfort, however, in dispatches from Oslo and other points indicating that everything possible was being done and that men with polar experience, such as Raald Amundsen were making ready to aid in the search.

MOSCOW, May 28.—(AP)—All radio stations in Siberia have been on the alert for any signals from the missing dirigible, Italia, but no news whatever had been picked up from her by noon today.

The soviet authorities, which previously had instructed the Siberian stations to be on the alert, sent further instructions today for renewed watch.

SEATTLE, Wash., May 28.—(AP)—Radio stations in Alaska have been maintaining a 24-hour watch for messages from the Italia, but reported today that nothing had been heard from the dirigible during the last 48 hours.

The six naval radio stations in Alaska, interrupted the periodic calls from the Citta di Milano, mother ship of the Italia, but the buzz of the ship's transmitter was not heard.

PROGRAM FIXED FOR HONORING NATION'S DEAD

Joint committees representing the local veteran and patriotic organizations have prepared the following program and arrangements for observing Decoration Day in Medford this year.

A street parade will leave the city park at 9:30 a. m. and will move on Main street to Bear creek bridge and will be halted for the following exercises:

Singles.
Invocation—Department Chaplain T. L. Thiemler of the United Spanish War Veterans.

Strawing flowers on the water in memory of those who have given their lives for our country in its service on the sea.

Firing a salute.
Taps.

The parade will then return by way of Main street to the city park, where will be conducted a program consisting of:

Call to order by the commander of Chester A. Arthur post, Grand Army of the Republic.

Music.
Invocation—Rev. W. H. Eaton of Medford.

Reading of orders by the adjutant of Chester A. Arthur Post.

Reading of General Logan's first Memorial Day order, by the adjutant, Chester A. Arthur Post.

Lincoln's Gettysburg Address, by Edward Reames, student Medford high school.

Placing wreaths by representatives of societies in memory of departed veterans and comrades.

Main address—Rev. T. H. Temple of Medford.

Sing "America" by the audience.
Benediction—Department Chaplain T. L. Thiemler, United Spanish War Veterans.

In case of bad weather the exercises intended for the park will be held in the Presbyterian church.

All civic, fraternal and social organizations of this community are invited to take part in the street parade, and they and the general public are invited and urged to attend the exercises to follow it.

Chester A. Arthur Post and the Women's Relief Corps will also conduct a ceremony at the I. O. O. F. cemetery at 2 p. m., Wednesday, May 30, at which the public is invited to be present.

The following is to be the order of the parade which is to move from the city park at 9:30 a. m., Wednesday.

Marchal—Alex Sparrow, Elks' Band.

Co. A, 18th Infantry, Grand Army of the Republic.

Women's Relief Corps, Daughters of Union Veterans, Daughters of the American Revolution.

Spanish War Veterans, Spanish War Auxiliary, American Legion Drum Corps, American Legion.

Y. W. C. A., Civic and Business Organizations, High School Band, Boy Scouts, Girl Scouts, Camp Fire Girls, Fraternal and Social Organizations, Schools.

Decorated Cars.

Money plays an important role in modern life. Only by using money can a child learn what money can do and what its limitations are. In order to get this experience, he should have money over which he has complete control, beginning in early childhood with very small amounts and increasing with his development.

The child who is freely and frankly praised for the things that parents can honestly commend, is saved from the perils that beset the child who is never given the encouragement of appreciative comment.

Weds Pianist

Friends of the world-famous pianist, Josef A. Hofmann, surprised to learn of his secret divorce from Mrs. Marie Corcoran Eustis, and his subsequent marriage to Miss Betty Short, 21, above, recall that Miss Short narrowly escaped death in 1923 when caught in a landslide while on an alpine climb. The couple have a baby son, Anton.

MEDFORD LOSES 13-INNING TILT FULL OF THRILLS

Any one with heart failure should have stayed away from the Medford vs. Dunsuir ball game at Dunsuir yesterday, that Dunsuir won, 10 to 2.

It was a thriller from start to finish. Dunsuir with an almost entirely new team composed of experienced players, hit the ball hard and often, and only the fast and sensational fielding of the Medford merchants kept the game going 13 innings.

Medford pulled off four fast double plays, one of which was a triple, from Dunn to Shangle to Droulette to Chester, but did not count in the score book on account of one man being down at the time the play was made.

Every inning had its thrills, and the fans were kept in frenzied excitement throughout.

Gillespie, Dunsuir's new hurler got better as the game progressed, while Michaels weakened in the last few innings and was unable to use his fast ball. In the 13th inning the first two men for Dunsuir hit safely. In desperation Manager Hill put in Jack Hughes to try and snave off defeat. But Dunsuir was not to be denied and came through with a hit that won the game, amid the loud cheering of the Dunsuir fans.

The Dunsuir players hit hard and timely and got the breaks. The Medford buch's line drives always seemed to go in to some Dunsuir player's waiting hands.

Coon, the hard hitting first baseman for Dunsuir, hit a tremendous home run, with one on, over the center field fence, while Hoffard and Droulette of the Medford team hit home runs over the right field fence, with no one on.

One of the Dunsuir team gathered 12 hits off Michaels, while Medford was getting seven hits off Gillespie. Gillespie struck out eight men and Michaels struck out eight men and Michaels struck out eight men and Michaels struck out eight men.

Next Wednesday afternoon, Decoration day, at the Jackson county fair grounds, the Medford Merchants will hook up with the fast-playing team of Weed. The players of the home team hope the fans will give them a big attendance, as most of the players are playing on a cut, and have only received money for one game which was on opening day of the league.

KLAMATH FALLS, Ore., May 28.—(AP)—

In the first game of the Oregon-California baseball league, the Weed Long-Bell team yesterday defeated the Klamath Falls team here, 8 to 2.

Oeschger, Weed pitcher, struck out 12 men and allowed the local team but seven scattered hits.

R. H. E. Weed 8 8 1 Klamath Falls 2 7 1 Batteries: Oeschger, Valencia and Mack; Shindler, Street and Peterson.

Wash Silk Blouses

Copy Jacket Pattern

PARIS.—(AP) Blouses with jacket fronts are introduced by a fashion house which shows them in satin trimmed with lace.

The blouses have double breasted closings and reverse and sometimes collars, like jackets. They are meant to be worn outside the skirt.

Some of the newest blouses have surplus or double breasted closings, although they are when inside the skirt.

Lingerie blouses of finely embroidered or hand-drawn work are gradually working their way back to favor. They are worn with long coat ensembles as well as suits.

Quick Cinnamon Cake

2 cups flour, 1/2 level teaspoon salt, 2 level teaspoons baking powder, 1 teaspoon cinnamon, 1 egg, 3/4 cup raisins, 3/4 cup brown sugar, 3/4 cup shortening, 3/4 cup milk.

Sift dry ingredients, add milk, beaten eggs and shortening. Place in well greased pan, sprinkle with cinnamon and press in raisins. Bake in a hot oven.

FIND CLUES TO HUNTED YEGGS HID IN WEEDS

Colorado Killers Nursed Wounded Pal Near Spot Where Doctor Slain—Final Thrill of Woman Air Daredevil—Boy Is Suicide, Because He Killed Redbird.

Discovery of a mattress and bed-springs in a canyon about 25 miles south of here today sent posse to that district in an effort to pick up the trail of the four desperadoes who robbed a bank at Lamar, Colo., Wednesday last.

The mattress and springs were concealed by weeds and grass a short distance from the spot where Dr. W. W. Winetger, was slain after he had been called to treat one of the robbers, wounded by Lamar bank officials. Officers believed the wounded man may have been in too serious a condition to move and that his companions kept him in the canyon while hundreds of possesmen searched western Kansas and parts of Colorado, Nebraska and Wyoming.

Prior to finding the improvised bed, many volunteers returned to their homes.

SCOTT CITY, Kas., May 28.—(AP) A casualty list showing three dead, one missing and two wounded today kept scores of possesmen on the alert in the hope that some trace would be found of the four desperadoes who disappeared in the canyons and thickets of this rugged country after robbing a bank at Lamar, Colo., Wednesday last and kidnaping its teller, E. A. Keesinger.

After four days devoted to following vague leads, posses yesterday hurried to a cabin near Healy, Kas., where the robbers were reported barricaded. Like many other rumors that caused the volunteer searchers to hasten to isolated places in western Colorado and western Kansas, this proved without foundation. The cabin yielded a party of hunters.

The tension under which the tired possesmen worked was indicated Saturday night when L. L. Robinson of Hill City, Kansas and Carl T. Peterson, former sheriff of that city, were shot and seriously wounded by possesmen. Robinson and Peterson were on duty near Norton and drew the fire of a posse sent to that area on the report of a farmer boy that "he'd me up."

ATLANTA, Ga., May 28.—(AP)—The quiet of a funeral parlor today surrounded the body of Louise Gardner, young woman who had spent 15 years furnishing thrills for uncounted thousands.

She furnished her last—and a ghastly one it was—before 15,000 persons at an amusement park yesterday when the third parachute in a "triple jump" shot to earth behind her, hopelessly tangled in itself.

Louise Gardner's real name was Mrs. Nora Wood, and her home Boston, Mass. She began aerial performances 14 years ago, and for several years had toured the country with her husband, also a professional "daredevil," performing at fairs, carnivals and amusement parks.

SAN ANTONIO, Tex., May 28.—(AP)—Because he had killed a redbird, Edward Perrenot, 12, committed suicide here yesterday by hanging himself in the doorway of his home.

A note left by the boy said: "I killed myself on account of shooting a redbird."

PLENTY OF ROOM FOR FARM HIKERS

KANSAS CITY, Mo., May 28.—(AP) Sponsors of farm relief legislation reported to be planning a "March on Kansas City" during the republican convention next month, will find the city prepared to care for them, Conrail Mann, chairman of the local committee on arrangements, said today.

He said he had received numerous telegrams and letters since the failure of the McNary-Haugen bill inquiring about housing facilities. He assured those seeking accommodations that there would be room for all.

MATHER, Pa., May 28.—(AP)—Eight bodies were taken from the Maher mine today and the total number removed from the workings that were torn by an explosion a week ago last Saturday was increased to 180. Mine officials said that 15 bodies still were in the mine.

ITALIANS ROILED BY SLAV ATTACKS, CONSUL INJURED

BEograd, Jugoslavia, May 28.—(AP)—Belgrade newspapers today said that Italian fascists attacked the Jugo-Slav consulate at Zara, Sunday, and injured Consul Smith. He was taken to a hospital. Other members of the consulate staff were mishandled.

ROME, May 28.—(AP)—Strong detachments of carabinieri, fascist militia and police today were guarding the university buildings and consulates of Jugo-Slavia to prevent student demonstrations in protest against reported attacks upon the Italian population of Dalmatia and an anti-Italian demonstration at Innsbruck in the Austrian Tyrol.

Resentment among the students was heightened by reports that anti-Italian attacks are continuing, especially in Spalato, Dalmatia, where 25 Italian ships were sacked in addition to all offices of the Italian steamship company while Italian boats also were injured.

Demonstrations against this "anti-fascism" have taken place in various Italian cities, particularly at Bari and Bologna.

HOME TOWN PAPER GREAT INFLUENCE TO YOUNG FOLKS

MEMPHIS, Tenn., May 28.—(AP)—No publication carries greater influence to the rising generation than the home town newspaper, Charles M. Meredith, editor of the Quakertown (Pa.) Free Press, said today in his president's message to the forty-third annual convention of the National Editorial Association.

Every editor and publisher should be an outstanding factor in the community, he declared.

Mr. Meredith warned his fellow editors "not to be robbed of tranquility," and urged them to strike at all times to keep their columns free of "questionable observance of the law, and thereby promote the highest ideals possible."

The National Editorial Association represents newspaper readers daily and weekly by about 30,000,000 persons throughout the United States. More than 300 editors were here for the convention.

Mr. Meredith will be succeeded by Erwin Funk, editor of the Rogers (Ark.) Democrat, secretary of the association.
