"THE HOME OF BREAD LIKE MOTHER MADE"

GOOD COFFEE

The goodness of coffee depends principally upon its freshness—how soon it gets to you after roasting—Big Roasters have tried every device known to seal the coffee in such a manner as to bring it to you with its full flavor and aroma—How nearly they have failed can best be judged by comparing it with freshly roasted coffee—Try a pound of our blends—It will cost you less even tho of higher quality than the canned brands, yet will give you flavor and aroma you cannot get in any except the freshly roasted coffees—Try it at our risk—Your money cheerfully refunded if not up to expectations.
