

D. G. TYREE IS NEW PRESIDENT OF MEDFORD LIONS

Election of officers was the most important thing on the Lions' club luncheon program today. D. G. Tyree being unanimously chosen president for the coming year. Other men who will serve in office are: H. L. Hubbard, first vice-president; George Prescott, second vice-president; Marc H. Jarmin, secretary and treasurer; Charles Reames, Tail Twister; J. O. Gray, Lion Tamer; and directors: Ernest Scott and Dr. E. W. Hoffman.

The entire meeting was devoted to business matters which included a discussion of the state convention of Lions held at Salem, May 25 and 26, with Medford represented by L. Pennington, D. G. Tyree, E. S. Scott and J. H. Carlin. District No. 36, of which this club is a member, was reported as being in the 100 per cent group internationally because of promptness in sending in records and payment of dues.

Lion Scott, retiring president, was chosen as a delegate to represent Medford at an international convention at Des Moines, Iowa, on July 10. He was also appointed as a member of the sub-district council from southern Oregon.

Tuesday, June 12, a joint meeting of the service clubs and the Chamber of Commerce will hold a luncheon at the Hotel Medford. There will be no Lions' lunch that week.

Members voted to entertain lady friends June 27 at noon with retiring officers in charge of the program. The only guest today was H. R. Jacobs.

A NEW SERVICE STATION TO BE BUILT, W. MAIN

A new service station is to be located and operated by the Standard Oil company at the northeast corner of West Main and East Sixth, at the intersection point of West Main and West Sixth streets, provided the legal formality of a change of zone there is approved by the people of that section.

It seems that A. S. Bliton recently sold his property at 618 West Main street, on the north side of that thoroughfare, which runs to a point at the West Sixth street intersection, and almost opposite the First Methodist Episcopal church, to Dr. R. J. Conroy, for \$9,000, who thereupon leased 100 feet of the 200 ft. front property to the Standard Oil company, to establish a service station thereon, at a price understood to be \$150 a month.

Notices have been posted throughout the neighborhood calling for a hearing before the city planning commission on a petition to have the zone changed from a residence to a business one.

The proposed service station would extend east to near the west end of the Bliton house. It is Dr. Conroy's intention to allow the house and the rest of the property to remain unchanged, for the present at least, he stated this afternoon.

FIRST ASCENT OF MT. SHASTA MADE BY ASHLANDERS

ASHLAND, June 6.—(Special)—The first ascent of Mount Shasta for the season of 1928 was made over the past week-end by a group of Ashland mountaineers, who left Ashland on Friday afternoon, under the leadership of Harold Allison, seasoned mountaineer. Those who enjoyed the unusual experience were Misses Lillian VanNatta, Elsie McCormick, Lorraine Sparr, and Messrs. Harold Allison, Raymond Powell, Lawrence Powell, Walter Anderson and Emerson Pratt. The party reached Alpine lodge on Saturday and were ready for the big climb at 3:30 Sunday morning.

Alpha Tau, dramatic organization of the Southern Oregon Normal school, will present "The Boat" on June eighth. This is the second annual commencement play. It is a three-act comedy given under the direction of Miss Florence Buck, who is assisted by Misses Faye Arthur and Margaret Turner.

J. D. Mars and son, Ned Mars of the Ashland Shoe Shop, are in Portland for a few days attending to business.

Miss Norma Reeder, who has been visiting for a few days with friends in Klamath Falls, has returned to Ashland. Miss Lillian Olsen left Ashland Saturday evening for Woodburn, Oregon, where she will spend two weeks. She will return to Ashland in time to enroll for the summer term at the Southern Oregon Normal school.

Workers' Candidates RANCHER PROTESTS AGAINST PORTLAND R. R. WHEAT RATE

William Z. Foster, former I. W. W. leader, has been nominated for the presidency of the United States at the national convention of the Workers' (Communist) party, in New York, and Benjamin Gitlow, of New York, for the vice presidency. Foster is above and Gitlow below.

HOME TELEPHONE COMPANY SOLD TO HALL SYNDICATE

SEATTLE, June 6.—(AP) Testimony yesterday at the I. C. C. grain rate hearing, A. N. Saxton, rancher, declared that grain growers in northwestern Walla Walla county feel that they are being discriminated against by the ten per cent rate differential on grain shipped to Portland from south of the Snake river.

Saxton, who operates a 1500-acre ranch in that section, declared that there was no competition among buyers in his district with only Portland exporters being in the field. He said that growers in the party territory of the Snake river had benefits in the "open markets" on Puget Sound but that this competition was shut to growers of his district because of the difference in rates.

CALL 5 WIVES TO BEDSIDE OF DYING DICTATOR

LONDON, June 6.—(AP) The Evening News today printed a dispatch from Mukden, Manchuria, which said that Chang Tso-Lin, former northern Chinese dictator, was believed by many persons in the Manchurian city to be dead.

Chang was wounded Monday morning when the train which was bringing him from Peking was derailed.

There were also reports that he was gradually weakening and was unlikely to survive his injuries.

The dispatch said that the five wives and sixteen children of the Manchurian war lord have been summoned to his bedside in his Mukden home.

This Colorful Season

—one of the trials of the smart women is to find shoes in just the right shade to match her costumes.

Not so, however, when one comes here where there are grays, beiges ranging from off white to tans and browns, Indian prints, Deauville sandals, blacks and whites.

Solid or duo-tone effects make the variety still more inclusive.

There's the right color and style for every summer costume in The Bootery's shoes and hosiery.

PULLMAN PORTERS MAY GO ON STRIKE

CHICAGO, Ill., June 6.—(AP) A. Phillip Randolph, general organizer for the Brotherhood of Sleeping Car Porters said today that the organization had notified the United States mediation board that its members will withdraw from service of the Pullman company unless the company agrees to confer with representatives of the brotherhood.

Randolph said the date for withdrawal had been fixed at June 8, noon, central standard time. Instructions have been sent to organizers in all districts and Randolph said a complete walkout is anticipated in event the mediation board fails to bring employer and employee together.

The organization seeks higher wages for the porters.

CHICAGO, June 6.—(AP) The Pullman company, replying to a warning by the Brotherhood of Sleeping Car Porters that it would call a walkout of its members on June 8 unless its employer agreed to a wage conference, said it was "not losing any sleep over the situation and does not anticipate any of its patrons will."

CATHOLIC WAR IN MEXICO OVER WORLD REPORTS

NEW YORK, June 6.—(AP)—The New York World says today: "Peace between the church and state in Mexico seems definitely assured, according to dispatches to the World and to private citizens here from Rome and the City of Mexico. Formal confirmation that an understanding has been reached is expected from the Vatican, perhaps today, or certainly in the next few days."

The unofficial help of Ambassador Dwight W. Morrow in beginning and outlining negotiations, plus the work of Archbishop Leopold Ruiz of Michoacan, who is now in Rome, are believed largely responsible for the settlement of the controversy which has raged Mexico for nearly two years.

Under this settlement the people of Mexico will once again be able to worship in their accustomed manner; churches will be reopened; priests will return to their duties; the sacraments will be administered without the secrecy of the last two years.

Both sides, according to the World's information, are making some concessions which will enable the church to abandon the charge that the state seeks to dominate religion and enable the Calles administration to function without the charges of church interference in state affairs.

SCHOOL STOP SIGNS NOT MANDATORY

OREGON CITY, Ore., June 6.—(AP)—Motorists are not required to stop at school "stop" signs, Circuit Judge J. U. Campbell ruled yesterday in the appeal case of C. K. Fulton against the city of Oswego. Municipalities cannot pass ordinances contrary to the statutes of the state, Campbell said in his decision.

The state law provides that automobiles may pass by schools at the rate of 15 miles an hour while students are entering, leaving or holding recess.

Miss Dorothy Bollen, student at the Southern Oregon Normal School, has returned from Portland, where she was called by the illness of her father.

The Ladies' Bridge Luncheon club has planned a very interesting day for Wednesday. Mrs. W. H. Maxey and Mrs. R. E. Ballis, who are hostesses for the day, will take the members to Casey's resort, beyond Rogue Elk, where they will enjoy a splendid chicken dinner. The afternoon will be devoted to bridge.
