Stock Ranch or Dairy
Since Adam left Eden, land has been the surest investment in the world, and the public is due for a great awakening when this system of bond and stock buying ends. Most of these bonds are based on land and land values, and dependent upon land. Why not tie up to the land itself?
240 Acres, Close In, As Rich Land As Can Be Found
Not tangled up with water rights in any way, and good for heavy annual crops without water; fenced and cross-fenced and ample buildings, and the price is but a little more than one hundred dollars per acre. Where can you equal it—location considered?
