FLOYD HART AND F. FARRELL BUY A SUB-DIVISION

One of the last tracts of land in East Medford which can be subdivided, 27 acres on Eskiyon Heights, 1500 feet west of the golf course, with frontage on the Hillcrest road, has been sold to Frank Farrell and Floyd Hart.

Plans are being made to divide the tract into one-acre lots with a building restriction of 4000. With a view towards making the park one of the high-class subdivisions of the city, the owners will begin work on the streets in 30 days. Country Club park will probably be the name of the property.

Oak trees and the excellent view across the golf course over the Eskiyon will make the location attractive for homes, several of which are already being planned. The land is part of the D. H. Barnhart estate.

REALTORS DISCUSS LOCAL ADVERTISING

Plans for an extensive advertising campaign which will put the best selling points of the Rogue River valley before the people of neighboring states were discussed at the weekly meeting of the Realty Board held today at Hotel Medford.

A committee consisting of R. V. Williams and E. C. Core has outlined a proposition whereby some especially attractive houses are to be offered in a series of advertisements in out-of-state papers, as the initial step.

The program for the next meeting of the board, June 15, will be in charge of E. C. Core, President. Walter Levelette announced.

PORTLAND BERRY PRICES FIRMER, EGGS IMPROVED

PORTLAND, Ore., June 8.—(AP)—Strawberries were decidedly firmer on local wholesale markets this morning. Prices to retailers (averaging between \$1.75 and \$2 a crate for first class offerings) were quite desirable stuff sold cheaper, but the market cleaned up early and growers were receiving as high as \$1.50 late this morning.

Supplies of local lettuce were quite limited today, hardly enough to supply demand. Prices ranged from \$1.75 to \$2.

Trading was active on the egg market and prices were firm, except for a cent drop on standard firsts to 27 cents per dozen. Other grades were unchanged. Yesterday's receipts were 1399 cases. Butter prices were firm and trading active. Advances of a half cent were quoted in the prices on standards and prime firsts at 49 1/2 cents and 46 cents, respectively. Receipts yesterday were 23,992 pounds and storage holdings 404,375 pounds.

Poultry and country dressed meat prices were steady, except for a weaker tone in the lamb division. Best spring lambs were quoted at 29 to 32 cents, with only a few choice lights bringing the top figure. Receipts of poultry continued large.
