That he had returned to his home in Revelstok, B. C. for the first time in eight years and that he will probably stay there with his brothers and sisters in the pursuit of a letter received yesterday by Clarence Frye from Robert Galligan, Canadian world war veteran who last winter was a familiar figure on the street selling papers. Galligan left Medford three weeks ago hiking and in his letter stated that he is planning to obtain a pension from the Canadian government for war service.

A wheat field in which a man of ordinary height would be lost is the property of William Bohner, well known rancher northwest of Medford. The wheat over an entire field of many acres is of equal height and in places reaches the height of the stalks and heads, the wheat has fallen down. The crop will be ready for harvesting next month and is expected to return a heavy yield per acre.

Mrs. H. G. Davidson returned home early last week from spending two weeks with her daughter, Miss Elsie Davidson, a former nurse in the Community hospital of Medford, and who is a nurse in the Convalescent hospital at Portland.

Miss Ora Robinson is expected to arrive this week from Sacramento, Calif., to spend three months visiting relatives in Medford, including her sister, Mrs. Gladys Glenn. She is a member of the Sacramento school teaching staff and will return there when school re-opens next September.

Hans Prasar of India left yesterday for his home after eight years' absence in this country, the last few months of which he has been employed by the California Oregon Power company. Mr. Prasar, who is a graduate of the University of Wisconsin, is exceptionally well informed on the affairs of his native land and gave several interesting talks before local civic clubs while here.

Lieutenant Novell, who flew across the North pole and Atlantic ocean with Commander Byrd, and himself one of the leading aviators of the day, will speak at a meeting to be held at the Hotel Medford next Tuesday evening. Lieutenant Novell will tell of his historic experiences and discuss airfield needs.

KMED BROADCAST BURNS ARRESTED COPCO FORUM TO OF RADIO DRAMAS HOME BREW RAID PICNIC JUNE 23

Radio fans are promised some especially interesting programs from station KMED during the next few weeks with several radio dramas being featured.

Earl Davis who has just resigned as local announcer will direct the plays with several valuable additions to the cast which was used in "Madame Q". Probably the first drama will be "Onton Stew" by Helen Norris, Medford girl who is now ill in a Portland hospital. KGO or Oakland broadcasted this comedy and it met with instant success.

A series of American Legion Frolics will be given from this station previous to the big convention here, Monday, June 11, the regular McCurdy-Daniels and Portland Lumber company request hour will be broadcast from 8 to 9 o'clock in the evening. From 9 to 10 the Mono Motor Oil company will put on a musical program.

Mr. Davis will be associated with Clyde Eakin, Dodge car dealer but intends to retain an active interest in radio activities.

The value of Earl Davis, announcer for the Mail Tribune-Virgin radio station and well known local baseball "ump" will no longer greet those who listen in to KMED programs as he has accepted a position with Eakin Motor Company of this city and will assume a place on the sales staff of that firm commencing tomorrow.

Mr. Davis, an enthusiastic booster of the Dodge Brothers line of cars, is welcoming the opportunity of joining the Eakin organization and his many Medford and southern Oregon friends are glad that he is remaining in this city.

"We are especially gratified in securing Mr. Davis as a member of our sales organization," Mr. Eakin said last night. "We feel that we are fortunate in having him help us in the campaign of further popularizing Dodge Brothers cars in this territory."

Mark Burns, 20, of Stewart avenue, is scheduled to have a hearing in the local justice court tomorrow forenoon following his arrest at 8 o'clock last night by Sheriff Ralph Jennings and Police-men Sloneker and Peck for the possession of 45 quarts of home brew and one gallon of moonshine.

Burns is alleged by the authorities to have been selling the beer for some time. It was found by the officers in the woodshed, chicken house and dwelling following a short search. The house is located near the fair grounds a short distance from the Pacific highway.

EARL DAVIS WILL SELL DODGE CARS

The value of Earl Davis, announcer for the Mail Tribune-Virgin radio station and well known local baseball "ump" will no longer greet those who listen in to KMED programs as he has accepted a position with Eakin Motor Company of this city and will assume a place on the sales staff of that firm commencing tomorrow.

The annual picnic of the Copco Forum will be held at Prospect, Saturday, June 23rd, according to an announcement by the committee in charge. Prospect has been chosen for this year's fair not only because of its natural scenic advantages but also in order to give every Copco employee a chance to inspect the new Prospect No. 2 power plant, recently completed. It is expected that many will take advantage of the specially conducted tour of the project, which is now the "largest hydro-electric power plant in the state of Oregon."

A big program of athletic sports and entertainment is being arranged for the day and will be concluded by a dance in the evening.

NOTED ORGANIST HERE ON JUNE 21

The most noted pipe organist ever heard in Medford, will give a concert on the beautiful organ at the Presbyterian church Thursday evening, June 21st. Every lover of good music should hold that night as engaged. The organist is Frank Sealy of New York City. Mr. Sealy has held high positions in the musical world here for 20 years. He has been organist for the New York Symphony Orchestra with Walter Damrosch as director for the past 27 years and organist for New York Oratorio Society for 20 years under the same director. It will be a rare treat to listen to such an organist.

NEW YORK, June 9.—(AP)—A warning against any attempt today at a trans-Atlantic flight was sounded by Dr. James H. Kimball, United States weather forecaster.
