Let electricity pack your ice-box with dry, sweet, chilled air!

The hot days are here—delightfully healthful days so long as you can keep fit!

But for perfect health, be careful of your foods!

Try this:

Place a bottle of milk in a neighbor's electric refrigerator, or let your dealer make this test for you. Leave it there a week or ten days. Then examine it—it's still *sweet!*

Clean, hygienic, sanitary electric refrigeration will soon be in every modern home. Your dealer will show you an easy and economical way to have it *now*—on attractive installment payments if you prefer.

RAIN POSTPONES BASEBALL GAME TO A LATER DATE

The baseball game yesterday between the Dunsmuir and Medford teams of the Oregon-California league was called off on account of wet grounds, and the two teams will play off the postponed game either in a double header or on a holiday. The Dunsmuir team, which arrived by auto yesterday morning, returned home yesterday afternoon.

The enforced idleness of the ball players was a keen disappointment to dozens of valley fans and Manager J. Court Hall, who moved sprely all last week to put a strong team in the field after three straight defeats. Pitcher Cliff Best, late of the Ogden team of the Utah-Idaho league, made part of the journey by airplane. Ken Roble, shortstop, and Jack Lozan, outfielder, college players, also hustled to get here to play. Roble received a special dispensation to take his year-end examinations later in order to fill the infield gap.

Next Sunday the Medford team will journey to Klamath Falls and will face a revamped team.

The game between Weed and Klamath Falls was also postponed, on account of wet grounds, a heavy rain falling at Weed.

HANDICAP GOLF TOURNEY HERE

Interest is reported to be high in the handicap match tournament to begin at the Rogue Valley Golf club June 16 and 17, with the qualifying rounds at full handicap. The first 16 scores will be placed in the first flight and others will be placed in the second and third flights, after which finals at three-quarters handicap will be played June 24. The tournament is expected to draw a good sized number of entrants.

Major League Leaders

(By the Associated Press)
Including games of June 10:

National.

Batting—Hornsby, Braves, .413.

Quill Is Reappointed.

WASHINGTON, June 11.—(AP)—John H. Quill was given a recess appointment by President Coolidge today to be a member of the federal farm loan board. Similar appointments were given to Abram F. Meyers of Iowa, to be a federal trade commissioner, and Sherman J. Lowell to the tariff commission. All are reappointments.

Union Aviaton Gas Used In Australian Flight

Standing between C. T. P. Ulm, co-pilot and Captain Charles Kingsford-Smith, commander of the Southern Cross, A. C. Galbraith, in charge of sales promotion for the Union Oil company, is holding contract to supply the trans-Pacific plan with Union avoation gasoline in its flight to Australia. Union aviation gasoline was selected by the fliers as offering maximum cruising radius. Galbraith preceded the fliers to Honolulu, Suva and Australian points where he completed arrangements for refueling of the plane.

Another glorious chapter of the history of aviation has been written. Even in the light of brilliant episodes which have preceded it, the latest, that of the flight of the Southern Cross to Australia stands out as an epic.

A world, fast growing air-wise and accustomed to the space annihilating proclivities of the airplane, wakes up to find that Australia which yesterday was three and a half weeks sailing time from America is now but three and a half days removed.

Winging its way over the bleak stretches of the Pacific, the three motors of the giant plane fueled with Union aviation gasoline, functioned perfectly, roaring defiance to the hazards which beset the four air pioneers on the longest flight over water ever attempted by man.

The successful completion of the flight is another refutation of the claims of that fast dwindling minority who hold that aviation is still in the experimental stage, that a flight such as been made by the Southern Cross was impossible of fulfillment and that to attempt it was suicidal.

But of greater import is its effect on the advancement of aviation. As Colonel Lindbergh aptly stated when informed of the successful termination of the first lap, "it aids in the advancement of aviation in that it instills public confidence in the safety of airplanes."

A. C. Galbraith, official in charge of sales promotional work for the Union Oil company, yesterday stated that his company's gasoline had been selected only after exhaustive tests had been made.

"Smith," he said, "regarded gasoline as a silent but all important partner in the flight, and he demanded a fuel with an accurately controlled distillation range and of uniformity and purity so that the greatest possible cruising range would be guaranteed.

"Naturally, we are proud," added Galbraith, "that a California-made product contributed to the success of the flight."

Galbraith recently returned from a trip to Honolulu, Suva and Australian points, where he made arrangements for the refueling of the plane.

The same care, Mr. Galbraith stated, that is used in the manufacture of Union aviation gasoline is also given the refining of its non-detonating gasoline which is marketed through thousands of pumps on the coast.

From the moment of contact at Oakland until its arrival in Australia, the giant plane was in constant communication with an anxious world by radio. The "cheerios" and "all's well" messages which came through the ether as a welcome accompaniment to the progress of the flight, bespoke the careful preparatory work carried out by Captain Charles Kingsford-Smith, commander, and his copilot, C. T. P. Ulm, and of the fine work of the American members of the crew, Harry W. Lyons as navigator and James Warner as radio operator.

RUTH HITS TWO MORE HOMERS AS HIS TEAM LOSES

(By Herbert W. Barker, Associated Press Sports Writer)

Eastern skeptics waiting for the Cincinnati Reds to fall with a dull thud, are learning rapidly that it is more than luck that keeps Jack Hendricks' crew at the top of the National league standing.

Superlative pitching by Jakie May, rotund southpaw of Hendricks' mound staff, gave the Reds a 3 to 0 victory over the New York Giants before 60,000 persons, who packed the Polo grounds yesterday. The defeat cost the Giants second place.

Del Bissonette's 11th homer of the year was the only bright spot for Wilbert Robinson in the Dodgers' crushing 15 to 7 defeat by the Cards.

The American league program was featured by the ninth defeat of the season of the New York Yankees. The White Sox turned the trick at Chicago, 8 to 6, despite Babe Ruth's 21st and 22nd home runs of the season. Forty-three thousand saw the game.

Kress' single, scoring McNeely with the run that allowed St. Louis to beat the Boston Red Sox, 2 to 1 in 12 innings.

Sam Gray, Browns' ace, went the route and earned his 10th win in 14 starts.

The Athletics failed to diminish the 10½ games that separate them from the Yanks for they were soundly trounced, 9 to 3, by the Detroit Tigers.

Jamieson's error in the ninth, coupled with singles by Goslin and Judge, enabled Washington to nose out Cleveland, 6 to 5, for the Senators' fourth straight win.

Another O. S. C. Transfer

SAN ANTONIO, Texas, June 11.—(AP)—Army orders include the following charges:

Captain R. J. Joiner, cavalry, transferred from Leavenworth, Kas., to Corvallis, for duty at Oregon Agricultural college.

MOVIETONE NEWS DRAWS BIG CROWD

Medford showgoers packed Hunt's Craterian theatre to the doors for every performance yesterday to hear and see for the first time a movietone news reel and from the amount of favorable comment heard on the outside of the theatre, every one was pleasingly amazed at this next great step in bettering the movie program.

However, the Movietone news was only a small part of the great entertainment offered via Vitaphone-Movie-tone. The next big feature on the short program was the pair of Vitaphone acts, that in theatrical terms, all but stop the show.

Eddie Peabody in his act, Banjomania is nothing short of a sensation and the comedy sketch, "Tuning In" brings the house down in a roar of laughter.

Then the feature picture, "The Fortune Hunter" is another all Vitaphone production, starring Syd Chaplin.

Syd Chaplin has won his spurs in a series of comedy parts that show not only his genius but his versatility. In "The Fortune Hunter" the Cape Town Kid outclasses even himself. He plays the part of a young husky who follows the advice of a former hobo pal and sweeps down on a Vermont village with the full intention of heartlessly winning the heart and the shekels of the richest girl in town. Adopting the respectability which gets him in with the most prominent people, he intrigues the populace, is wooed by all the ladies, including the banker's daughter and the fat waitress.

Helene Costello plays lead.

Baker Beats LaGrande.

LA GRANDE, Ore., June 11.—(AP)—Erickson, southpaw pitcher of Baker, who has lost two extra-inning games to LaGrande this season, had sweet revenge at Baker yesterday and toppled the Pirates from their unbeaten position in the Blue Mountain league. Erickson allowed LaGrande but three hits and to cap the climax, drove the ball over the right field fence for the only home run of the game.

PORTLAND SPLITS A DOUBLE HEADER; SEALS IN LEAD

(By the Associated Press)

The Angels split a pair of free hitting games with Portland, 7-3 and 10-5, Los Angeles winning the second by virtue of a six-run splurge in the final frame. Tomlin pitched effectively in the first contest. Batteries: Plitt, Cunningham and Sandberg; Tomlin and Rego. Second game: Peters and Hannah; Cole, Stroud, Ortman, French and Rego.

The Missions climbed to within a half game of the first division by twice drubbing Sacramento, 8-7 and 3-2. A two run rally in the eighth won the mroning game, but the Bells had to go 14 innings in the afternoon fracas. Batteries: Shea, Singleton, Gould and Severeid, Koehler; Holling, Nelson and Whitney. Second game, Kallio and Koehler; Hughes, Martin, Krause and Baldwin.

Finishing fast in the first game and getting away to a good start in the second game, San Francisco retained her grip on the league leadership by beating Seattle twice, 7-5 and 9-3. Crosetti, with a triple, two doubles and three singles, was the hitting star of the day. Batteries: Jacobs and Sprinz, Vargas; Wilson, Graham and Parker. Second game: May and Vargas; Teachout, Bryan and Parker, Borreani.

Hollywood took two from Oakland and kept right on the heels of the league leading Seals. The initial fray was won, 7-5, when Shellenback homed with a man on in the ninth. The second contest saw Rhodes shut out the Oaks, 5-0, the Stars scoring four times in the sixth on six walks and an error. Batteries: Daglia and Lombardi; Shellenback and Bassler. Second game: Boehler Wetzel and Read; Rhodes and Bassler.

Four Drowned in River.

WINNIPEG, Man., June 11.—(AP)—Four persons were drowned, one woman and three children—in the Winnipeg river at Pine Falls, Man., when their boat was syamped yesterday. The dead: Mrs. Charles Harbottle and her two sons, aged 8 and 6; Jack Lebporf, 11.

Eight persons were in the boat when it overturned in a heavy swell. The other four were rescued by indians in canoes.

A CONSOLATION

It's a consolation to know that when death occurs you can call a mortician who will treat you exactly as he would expect to be treated if the situation were reversed.

You are Invited to attend as our Guest a 4 day Cooking Course

Enjoy This Series of Lessons on Modern Methods in Cooking *and* Baking

By Special Arrangement we have secured the Well Known Authority

Miss Victoria Warner

Home Service Bureau, The Tappan Stove Co.

for a Course of Four Entertaining Lectures on Better Cooking

Reserve These Dates

Tuesday, Wednesday, Thursday and Friday, June 12, 13, 14, 15,

PRESBYTERIAN CHURCH

Attend the first one and you will be sure to complete the series

The lessons are of high character—practical and educational. The lecturer will give you the benefit of a very wide experience—including menu planning, and the modern time and energy saving ways of preparing food for every day meals as well as company dinners and luncheons for special occasions. Actual cooking and baking will be in process during the classes. Copies of recipes and instructions will be presented to each guest.

Come, invite a friend. Bring your Cooking and Diet Problems.
