## Wall Street Report

NEW YORK, June 13.—(AP) Responding to the placing of large supporting orders and the buying of "margin hunters" stock prices made a brisk recovery today after the disastrous break of yesterday. A few weak spots cropped out here and there but the general trend was upward. Standard Industrials and rails were one to five points higher.

The closing was strong. Recovery of yesterday's losses and a good deal more besides, was accomplished in the meteoric rise of the afternoon which pushed many high priced stocks from five to twelve points above the previous close before they filtered on realizing. Baldwin, which started seven points lower at 238, rose to 274 and then dropped to 269. Total sales approximated 4,000,000 shares.

**Mill Property Sold**  
PORTLAND, Ore., June 13.—(AP) Purchase of the old property of the Portland flouring mills, including the mill itself and 19 acres of waterfront property adjacent to the Port of Portland flying field, was negotiated today by the Union Pacific railroad. Consideration was said to exceed \$250,000.
