SUNDAY GAME TO BE AT 3:10 P. M.

Owing to the Flag day exercises at the Elks' lodge the baseball game Sunday at the fair grounds between Klamath Falls and Medford will not be called until 3:10 o'clock. This will enable all to attend both events.

The Klamath team is reported to be greatly strengthened, and the local aggregation is the strongest of the season. Cliff Best, a newly acquired left-hander, will occupy the pitching mound, and Ken Robie, university star, will play short.

Manager Hall is endeavoring to have the University of Illinois team, en route to the Orient, stop here for a couple of games with the Merchants, but as yet no definite plans have been made.

CHICAGO, June 15.—(AP)—Jack Berg, who left England to seek Sammy Mandell's lightweight title, may get his chance. In a 16-round match, billed as an elimination match for an opponent for the champion, Berg decisively defeated Fred Mueller of Buffalo. He won nine of the rounds and had the Buffalo fightwright on the verge of a knockout in the final round. It marked his second American victory.

Promoter Jim Mullen said he expects to sign Mandell soon for a title match with Berg.

Calvin Wastes No Time
SUPERIOR, Wis., June 15.—(AP)—President Coolidge did the first fishing of his vacation today, only a few hours after he arrived on his special train from Washington.

Whether the president used worms or artificial bait is a matter of conjecture, but he was seen standing on the small bridge leading from Cedar Island lodge across the placid Bruie, and he seemed to be still fishing. He was too far away for newspapermen to observe the kind of bait, and the information was not forthcoming from the secret service men guarding the estate.

"That's immaterial," one of them replied.

The president soon left the bridge, however, and it was learned he had asked for worms.

He was taken to Lake Nebagamon, a few miles away, to try further his luck at angling.

Frank Boothby of Prospect, whose eye was injured this week by an exploding toy torpedo, had to have his eye removed this afternoon by Dr. J. J. Emmens. Young Boothby is in good physical condition otherwise, and is expected to make a rapid recovery.
