

ENGLAND WINS WOMEN'S TITLE BY ONE POINT

Helen Wills Conquers in Singles But Is Defeated in Doubles, Loses Coveted Tennis Trophy; Helen Jacobs Victorious.

WIMBLEDON, England, June 15.—(AP)—England today captured the Wightman cup, signifying women's tennis team supremacy, by winning four out of seven matches from the United States.

The English gained the coveted trophy by downing the American defenders in the final doubles matches, in which Mrs. M. Watson and Miss Eileen Bennett defeated Miss Helen Wills and Miss Penelope Anderson, 6-2, 6-1.

WIMBLEDON, Eng., June 15.—(AP)—The United States today drew up to even terms with the English in the Wightman cup tennis play between women's teams when Miss Helen Jacobs of California defeated Miss Eileen Nuthall, 6-3, 6-1.

The issue thus depends on the outcome of the seventh and last match scheduled in which Miss Helen Wills and Miss Penelope Anderson encounter Mrs. M. Holcomb Watson and Miss Alice Bennett in doubles.

WIMBLEDON, England, June 15.—(AP)—Miss Helen Wills kept the United States women's tennis team in the running in the defense of the Wightman cup today by defeating Miss Eileen Bennett, England's best, 6-3, 6-2.

In winning the first set with ease against the girl who is ranked as the best tennis player of her sex in England at the present time, Miss Wills continued where she left off in the final of the French championship recently, in which she downed Miss Bennett in straight sets. Miss Wills received an ovation when she took the court and her smashing drives drew bursts of applause from the gallery.

Mrs. M. Holcomb Watson defeated Mrs. Molla Mallory of the United States in the first of today's matches, 2-6, 6-1, 5-2.

It was Mrs. Mallory's second defeat in two starts as she lost in straight sets to Miss Eileen Bennett yesterday when the English woman took a lead of two matches to one by winning the doubles also.

Today the American veteran started in well, winning the first set with her hard-hit ground strokes working beautifully, but she could not keep up the pace and Mrs. Watson drew away to win from behind. It was the first extra set match of the contest for the cup.

HUNDREDS ATTEND ADVENTIST CAMP MEETING, J. VILLE

The large canvas pavilion was taxed to its utmost to accommodate the audience that gathered at the opening service at Jacksonville last night where the Seventh-Day Adventists are holding their annual camp meeting. Scores of delegates from the churches throughout the southern part of the state arrived yesterday and are camped in the white city of tents surrounding the courthouse and vacant lots.

Rev. William Guthrie, field secretary of the general conference, spoke on the subject, "Receive ye the Holy Ghost." He emphasized the teaching of the apostle Peter on the day of Pentecost that all must repeat and be baptized for the remission of sins, and be obedient to the word of God if they expect to share in the Pentecostal blessings of today.

The campers gathered at the six o'clock hour this morning in devotional exercises after which breakfast was served in their own health cafeteria.

The court house is being utilized for junior, primary, and kindergarten meetings, in rooms nicely decorated where all the little folks are given special help in lines of Christian service.

The whole camp assembled at 9:30 o'clock this morning in the large canvas pavilion for Sabbath school.

Rev. Cecil K. Meyers occupied the 11 o'clock hour on a survey of the work in mission fields, and a call was made for a special mission offering. Announcement was made that a stereopticon lecture on India would be given at the tent tonight.

Hours of service for tomorrow will be:

Devotion 6 to 7 a. m.
Bible study 9:15 to 10:30.
Sermon 10:45 to 12.
Bible study 2:30 to 3:20 p. m.
Sermon 7:30 to 9.

The public is cordially invited.

Keeps Nerve in Air

Arriving by motor late Wednesday from his home in Detroit, Mich., Gus Copulos, well known national three-cushion billiard artist, accompanied by Mrs. Copulos, his wife, in Medford and will probably spend the summer between this city and Salem. Mr. Copulos plans to go through considerable practice here for a three-cushion match next month with Jake Schaefer, former world's billiard champion, at San Francisco.

Mr. Copulos finished fourth in a three-cushion tournament held last April in Chicago and took that place as a result of a two-point defeat. However, the first four winners of the tournament will play this fall and he anticipates finishing first. The players will include Hoppe, Reisel and Layton, who won first place.

In comparing billiard line and three-cushion billiards, Mr. Copulos today declared the former game is much more mechanical than the latter despite claims of other leading billiardists that diagonals on the table made the three-cushion game a purely mechanical one. He pointed out that the draw, follow and massé shots were much more mechanical than any used by three-cushionists.

In an exhibition game played last evening, the visiting three-cushion artist defeated Fujii by 100 to 24, executing many difficult shots. Fujii, the local Japanese cue wizard, frequently missed his shots by only a fraction of an inch.

MEDFORD TEAM EXPECTED TO SHOW CLASS TOMORROW

Baseball fans of the city and valley will have an opportunity to see Cliff Best and Ken Robie, new pitcher and shortstop of the Medford Merchants (locals) tomorrow afternoon at the fairgrounds, in the Oregon-California league game against the Klamath Falls team. The game, an account of the Elks' flag day exercises, will start at 3 o'clock.

The Klamath Falls team has not been going so well, owing to overstepping themselves last year and going in a financial hole of \$1700. This has been adjusted, and the team, after a slow start, is rounding into shape. They will import a pitcher from Sacramento for the game tomorrow.

The Medford team has been practicing hard all week, as Manager Hall has a number of tough games scheduled.

Johnny Logan, outfielder, will arrive this afternoon from Bend to play with the Medford team tomorrow.

FAVORITES WIN OLYMPIC RACES

NEW YORK, June 15.—(AP)—In a sensational finish that saw all four finalists blanketed, Frank Hussey of the New York A. C. today captured the 100-meter final in the eastern Olympic track and field tryouts. He beat out Henry Cummings of the Newark A. C. by inches in 11 seconds flat.

Toland Locke, the fleet Nebraska and world's record holder in the furlong, came back with something of the old-time form in the 200-meter dash, winning his first final and semi-final heats under wraps in 22.1-5 seconds.

Jackson Scholz, the Olympic champion at the long distance, also won his first two heats easily.

Death Toll of the Automobile

EPHRAATA, Wash., June 15.—(AP) Mr. and Mrs. D. M. Ferris, an elderly couple at Ephraata, Wash., were killed today when their west-bound Great Northern Oriental limited struck their automobile.

The accident happened at Grant Orchards, twelve miles from here. They were crossing the tracks, and the engineer of the limited apparently did not see them in time to avert the tragedy.

Casualties of the Air Service

BRUSSELS, June 15.—(AP)—Sergeant Victor Groen, Belgian army flier, who recently established a duration flight record of 69 hours and eight minutes, re-fueling in mid-air, was killed today when his plane crashed 200 feet at Gussincourt airfield. Lieutenant Danckers, who was with him, was seriously injured.

SAN FRANCISCO, June 15.—(AP)—The weather outlook for the week beginning June 17 was announced here today by the United States weather bureau as follows:

NOTED 3-CUSHION BILLIARD PLAYER TO REMAIN HERE

Arriving by motor late Wednesday from his home in Detroit, Mich., Gus Copulos, well known national three-cushion billiard artist, accompanied by Mrs. Copulos, his wife, in Medford and will probably spend the summer between this city and Salem. Mr. Copulos plans to go through considerable practice here for a three-cushion match next month with Jake Schaefer, former world's billiard champion, at San Francisco.

H. CHANDLER EGAN A PORTLAND VISITOR

Whenever H. Chandler Egan, former national amateur champion, attends a golf tournament, he is conspicuously prominent, whether or not he is an active participant, as is shown by the following in the Portland Journal, incidentally in the presence of himself and Mrs. Egan at Portland this week to see the beginning of the northwest tournament:

"H. Chandler Egan of Medford and Pebble Beach is in Portland, minus his golf clubs and not intending to play in the tournament.

"Egan is here to look over Lake Oswego to lay out some traps. He designed that course. He also intends to inspect his latest work at Riverside before he leaves for Medford Friday.

"Just up on business," he said Thursday morning. "Going to look look over the two courses and then hurry back. Didn't even bring my clubs with me, so any thought of playing has not been in my mind."

SWIMMING TANK CO. WINS COOS ACTION

MARSHFIELD, Ore., June 15.—(AP)—A verdict for the defendant, John Kronenberg, owner of Avoca Baths at Bend, was returned by a jury after less than two hours' deliberation at Coquille last night in an \$82,500 damage suit brought by L. V. ("Nippy") Clinger, who has been paralyzed since plunging into the shallow end of the swimming tank last year. The defense contended that Clinger had dived and did not fall from the hoops, knowing that the water was shallow under him.

McGrath Still At It.
NEW YORK, June 15.—(AP)—Captain Matt McGrath of the New York police perhaps will have another chance to figure in an Olympic picture showing the oldest and youngest, the biggest and the smallest of our athletes. In 1920 he was snatched with Alleen Riggins, diver, then 14, when bound for Antwerp. Matt is out for the hammer throw again and little Dorothy Pointon, 14, diving star of Pasadena, Calif., is entered in the trials for her specialty.

LaGrande Beats Bend
LA GRANDE, Ore., June 15.—(AP)—The LaGrande Pirates made a clean sweep of the two games with the Bend Eagles by taking yesterday's nightcap, 11 to 4.

Bigbee, Bend twirler, hit the first man up and walked four in a row before Murphy relieved him.

BEAVERS BEATEN BY SEALS; STARS BEAT SENATORS

(By the Associated Press.)
San Francisco greeted Fred Ortman like a long lost relative, and the Beaver southpaw was chased to the showers before he could get a man out. Five runs clattered over the plate in the first inning and the Seals added enough off Johnny Couch to insure an 8-3 victory. Batteries: Ortman, Couch and Rego, Saunders, Jacobs and Sprinz.

Carl Helling had slightly the better of Bob Hasty in a close battle, the Missions chalking up their third straight victory, 4-3. Flinn, Bodie and Slade, with three hits apiece led the assault on Hasty, who yielded 14 safeties. Batteries: Helling and Baldwin; Hasty and Read.

A homer by youthful Tony Borronia in the tenth gave Hollywood a 4-3 decision over Sacramento and an even break in the series to date. Shellenback yielded three runs in the first, and then blanked the Solons with five hits the rest of the way. Batteries: Shellenback and Basher; Raebach, Kuntz and Seveid.

Los Angeles and Seattle pitched a pair, the first going to the Indians, 4-2, because Ed Bryan was right, and the second to the Angels, 7-2, because Charley Sullivan, recently acquired from Detroit, was wrong. Batteries: Bryan and Borronia; Pitt, Peters and Han-nah, Sandberg. Second game: Sullivan, Nance and Parker; Osborn and Sandberg.

TOMMY ARMOUR IN GOOD FORM FOR NAT'L OPEN

CHICAGO, June 15.—(AP)—Champions from around the world began to register at Olympia Fields Country club today for the national open golf championship next week. In the van was one of the prize favorites, Bobby Jones, while the defending title holder, Tommy Armour of Washington, was on the way to whet his weapons against the assaults of 148 of the earth's best golfers.

Armour, who did not do very well last year over the number four course at Olympia in the western open, is said to be at the top of his game now, having scored a record card of 63 recently at his home club. Good hold iron shots will count at Olympia, and Armour is noted as an iron shot maker. Jones, if he has any weakness, ascribes it to his irons. Wooden clubs and putters, however, are also a great asset on the number four links, and not even Bobby has ever said that he was not master of them.

Bill Mehlhorn and Aubrey Boomer of France paid a brief call at the club yesterday, each scoring 75, or two above par, from the forward tees. Archie Compton, British star, was also at the club, but he compiled no card for publication. He will soon renew his feud with Walter Hagen, although the Hag is not expected to play until the tourney starts Thursday. He knows the layout by heart, for over its unending ward he won the P. G. Borronia title two years ago, setting a record of 67 for the links, and last summer he captured his third western open title there.

BABE RUTH HITS 24TH HOME RUN BUT YANKS LOSE

(By the Associated Press.)
The St. Louis Cards, champions of 1926 and near-repeaters last season, have winged their way to the top of the National league standings.

Two weeks of better than 500 per cent baseball climaxed by a thrilling 14-inning triumph over Brooklyn yesterday, 5-2, enabled the Cards to climb over the Cincinnati Reds and head the parade.

The Reds, unfortunately for them, picked yesterday to lose to the Phillies, 8-7, and now rate in second place, 15 percentage points back of the leaders.

The New York Giants subdued Pittsburgh, 9 to 1. Vic Aldridge, traded by Pittsburgh for Burleigh Grimes, allowed only six hits and rapped out a home-run and two singles and scored three runs.

With Hornsby under a five-day suspension for his protest against umpire Pfirman's decision calling him out on strikes, the Boston Braves proceeded to lose their seventh straight game, this time to the Cubs, 5 to 4.

The New York Yankees lost their eleventh contest of the season to St. Louis, 5 to 4, despite Babe Ruth's 24th homer of the year.

The Philadelphia Athletics cut the Yankees' lead to eight and a half games by pounding out an easy 12 to 5 verdict over the floundering Indians of Cleveland.

Continuing their return to the form expected of them before the season started, Washington made it two in a row over Detroit, 5 to 4, in 10 innings.

MICKEY WALKER TO ATTACK ACE'S BODY

CHICAGO, June 15.—(AP)—Mickey Walker may center his attack on the body when he meets Ace Hudkins, the Nebraska wildcat, in defense of his middleweight title at Comiskey park next Thursday.

Resuming training after a day's layoff yesterday, Walker drilled incessantly on body punching, shooting 90 per cent of his blows to his sparring mate's midriff. He is holding his left a trifle higher, planning to ward off Hudkins' vicious hooks to the head.

Please Page Court Hall.
CLEVELAND, June 15.—(AP)—Carl Lind, recruit second baseman of the Cleveland Indians, has accepted 114 chances since making his last error, and his string of perfect games stands unbroken at 16.

Lind kicked a grounder off Lou Blue's bat in a game with St. Louis on May 26. Since then his record has been 50 putouts and 83 assists.

THE MAIL TRIBUNE

STANDS GUARD OVER SOUTHERN OREGON'S MAMMOTH MARKET BASKET

"If it is advertised in the Mail Tribune it must be all right"

That is the definite conclusion of thousands of Medford, southern Oregon and California housewives.

This implicit confidence has been created by conviction in the form of tangible evidence that only food products of PROVEN merit are advertised in the columns of the Mail Tribune.

Investigation of the true character of a food product is instituted before a line of advertising is accepted. If there is the least doubt as to the quality of the product, the advertising DOES NOT appear. As an example of the rigid rule of reliability that governs ALL food product advertising presented by the Mail Tribune, consider the advertising of Calumet Baking Powder.

All statements made in their publicity are concise and accurate. Proven excellence, truthfully expressed in printed words, gives the housewife a positive measure of the merit of Calumet.

The Calumet Baking Powder Company pays this high compliment to the advertising value of this paper:

"The Mail Tribune as an advertising medium has firmly established Calumet in Medford and southern Oregon. A good deal of the credit for the enviable sales record that we enjoy in your territory is due to the results of our campaign in your publication."
