

GLENDALE WONDER DEFEATS PADDOCK OLYMPIC TRY OUT

COLISEUM, LOS ANGELES, June 16.—(AP)—Charlie Paddock, long the king pin of the sprint path, bowed twice today before youth still in his teens and the name of Frank Wyckoff of Glendale was splendorous foremost among the sprinters Uncle Sam may call upon for the Olympic games.

The Olympic games tryouts for the southwest was the setting for the sandy-haired Wyckoff's brilliant victories over the bounding blonde veteran of two Olympic games. His margin of victory in each, the 100 meter and 200 meter races, was by yards rather than by inches. He won the 100 meter event in 19 3/5 seconds, equalling the Olympic games mark, and equalled the world's record of 20 3/5 seconds in the 200.

Paddock holds the 200-meter record. But Wyckoff was not alone in a national accomplishment. Leighton Dye, wearing the colors of the Los Angeles Athletic club, qualified in no uncertain terms for the final tryouts in the east for the 110-meter hurdles by ploughing over the timbers to set a new world's record for the event. His time, 14 3/5 seconds, bettered by two-tenths of a second the mark held by E. J. Thompson of Canada.

COLISEUM, LOS ANGELES, June 16.—(AP)—Frank Wyckoff, 19-year-old Glendale sprinter, twice showed his heels to the incomparable Charlie Paddock in feature races of the sectional Olympic games tryouts here today.

Wyckoff led Paddock to the tape by two yards in the 100 meter dash and broke the tape in the 200 meter event five yards ahead of the veteran of two Olympiads.

Wyckoff equalled the world's record of 20 3/5 seconds for the 200 meters in beating out his illustrious rival.

LOS ANGELES, June 16.—(AP)—Frank Wyckoff, youthful Glendale sprint sensation, won the widely advertised 100 meter "Race of the Century" from a brilliant field including Charlie Paddock in the Olympic tryouts here today.

Wyckoff finished second, close behind, while Nathaniel George, Whitlitt college negro, finished behind the veteran of two Olympic games.

The time was 19 3/5 seconds, equalling the Olympic games record. Paddock was beaten almost from the start. At about thirty yards from the starting line, Wyckoff had a lead of almost four yards. Paddock drew away as the finish line neared, however, and breasted the shattered tape two yards behind Wyckoff.

COLISEUM, LOS ANGELES, June 16.—(AP)—Leighton Dye, running under the Los Angeles Athletic club's colors established a new world's record for the 110 meters hurdles during the sectional Olympic tryouts here today.

17 INNING GAME WON BY MISSION; BEAVERS BEATEN

OAKLAND, Cal., June 16.—(AP)—The Missions nosed out the Oaks 5-4 today in a sputtery contested 17-inning battle. Oakland tied up the count in the eighth with a three-run rally and the teams went scoreless for eight more frames.

LOS ANGELES, June 16.—(AP)—Los Angeles made it four out of five over Seattle and clinched the series by walloping the Indians 11 to 2 today. The game was turned into a rout by the Angels' eight runs in the seventh inning.

SAN FRANCISCO, June 16.—(AP)—The Portland visitors lost today's game here with the Seals by the narrow margin of 4 to 3. The winning run was put over by the local club in the tenth inning.

SACRAMENTO, June 16.—(AP)—Rudy Kallio gave Hollywood three singles in nine innings here today and blanked the Stars while his Sacramento mates were pounding out eight runs.

PHILADELPHIA, June 16.—(AP)—The Philadelphia Nationals today won a double-header from the Cincinnati Reds. They took the first game, 10 to 7 and won the second 3-1.

RED SOX PLAYER EQUALS RECORD FOR INNING HITS

CHICAGO, June 16.—(AP)—The Boston Red Sox scored eight runs in the fourth inning of their game with the White Sox today in one of the most extraordinary hitting performances of the season and won 10 to 2.

REGAN, the Red Sox second baseman, coming up twice in the fourth, made two home runs. His two homers tied the major league record for total bases in an inning. Regan is the ninth player to total eight bases in an inning, but only the third to accomplish the feat in modern times.

ST. LOUIS, June 16.—(AP)—The St. Louis Browns made it two straight over the Yankees, by winning here today 7 to 5.

DETROIT, June 16.—(AP)—The Detroit Tigers ended their losing streak today at six games by turning back the Washington Senators, 4 to 1.

CLEVELAND, June 16.—(AP)—Cleveland swamped Philadelphia today with a six run spurge in the sixth, winning 9 to 2.

FLYING CLOUD IS SCUDDING AHEAD; MAD BULL RESTS AT CRATER LODGE

LAKEVILLE, Cal., June 16.—(AP)—Flying Cloud, Karook Indian, leading in the 482 mile Redwood highway Indian marathon from San Francisco to Grants Pass, Ore., was five miles north of Cummings, at seven o'clock tonight, still holding a big lead over Melika the Zuni, in second place.

Melika arrived at the checking station at Lakeville at 7:06 to night and was in fine condition. Lute, another Zuni, was in third place two miles behind Melika.

LAYTONVILLE, Cal., June 16.—(AP)—Firmly entrenched in first position, Flying Cloud, Karook Indian, left this town behind shortly after two o'clock this afternoon as he headed up the coast in the San Francisco to Grants Pass Redwood highway Indian marathon.

He was more than twenty miles ahead of the next runner, Melika, the 54-year-old Zuni representing Willis, Cal. Flying Cloud, sponsored by the Oregon Cavesmen of Grants Pass and winner of second place last year, was in good condition and his trainer said he would run well into the night. He arrived in Laytonville, 167 miles from Sausalito, actual starting point at 1:44 p. m. and left at 2:08 p. m.

Positions of others in the first ranks continued to change owing to stops for rest and medical treatment.

Mad Bull, last year's winner and one of the present favorites, was reported to be resting along the 24-mile stretch between Ukiah and Ukiah. He has been handicapped by chafing and illness. Mad Bull is from the same tribe as Flying Cloud and sponsored by the same organization.

NEW YORK, June 16.—(AP)—Running his fast outdoor race of the pre-Olympic campaign, Lloyd Hahn smashed the American record for 800 meters today when he captured the race at this distance featuring the eastern Olympic tryouts. Hahn was clocked in one minute 52 1/2 seconds.

The world's record for the 800 meter hurdles was shattered by Johnny Gibson of Bloomfield, N. J., the national champion, when he won the finals in 53 3/5 seconds, clipping one-fifth of a second from the accepted standard held by Sten Pettersson of Sweden and made in 1925 in France.

18 OREGON CO-EDS AMONG EMPLOYEES AT CRATER LODGE

Incidental to the opening of the Crater lake lodge for the season next Friday, a large contingent of employees including about 18 University of Oregon girl students who will work at the lodge as waitresses and in other capacities were scheduled to assemble here today from various parts of the state to be taken up to the lodge by Crater National Park company stages leaving here at 8 o'clock tomorrow morning to reinforce the squad of employees already there working under Chas. S. Richardson, manager of the lodge, since last Wednesday.

R. W. Price, general manager and vice president of the company, stated yesterday with much satisfaction that 80 per cent of the lodge and other concessions employees of the company for this season, will be old employees, including college students, which assures that the season will start off with experienced help and heads of all departments.

The manager of the lodge, as last year, will be C. S. Richardson of Portland. V. J. Vincent of Portland, as for years past, will be the auditor and in the lodge clerical staff will be Peter Schmidt and Mr. Dauberly from Portland, and the steward and chef will be Mr. Dean of Cottage Grove or Portland, who has served in the same capacity for the past six years.

General manager Price arrived here from the lodge the last of the week with a 600 pound generator which was burned out last fall during an electrical storm at the national park. It was quite a feat to load this generator and bring it over the frozen snow for a mile until reaching the point where the snow had all been cleared off of the park road.

The old faithful Studebaker car of the company was brought out from its place of storage in the lodge dining room and used to transport the generator over the snow to the cleared place.

Despite the fact there is three feet or more of snow at the lodge vicinity on the rim and that the road thru the park to the lodge has so far only been cleared to some distance above government camp, entailing a walk thru and ever snow up the hill the remainder of the distance, many tourists and local people have been visiting Crater lake all week, making the round trip the same day. It is expected that today will see many visitors at the national park to view the lake in its winter setting.

It was amusing during last week to see many of these visitors, especially tourists, the men garbed in light clothing even to straw hats, and the women also dressed lightly and wearing high heels and silk stockings, trudging along the last half mile up the hill to the rim to get a view of Crater lake.

General Manager Price estimates that last week there was not less than an average of fifteen cars of visitors to the national park daily, who parked their cars above government camp, where the cleared road ended, and hiked the rest of the way.

The road is expected to be cleared all the way to the lodge not later than next Wednesday, and perhaps by tomorrow Superintendent C. G. Thomson has a snow clearing crew with a large tractor performing this work.

The park rangers are at the entrance stations and nearly all of the large force of employees and laborers of Crater National Park headquarters are now on duty in the park and the park headquarters offices are now functioning at government camp.

It is expected that by a week from tomorrow when the Crater lake season starts off officially with the arrival there of the California Press association for its three days convention, everything will be in ship shape at the park, barring that the camp grounds at the rim will probably not be dried out and that the rim road around the lake will be blocked with snow until some weeks later.

SALEM, Ore., June 16.—(AP)—Stockholders of the insolvent Cosmopolitan chain stores have reported to the state corporation department that a lawyer named Anderson has called on them with the offer to bring suit in their behalf to recover their stock subscriptions in return for a fee of ten per cent of the amount of their stock.

Corporation Commissioner McCallister is informed that Anderson claims there is the approval of the corporation department. McCallister denies this and says that the only call Anderson made to the department was to look over the records of the Cosmopolitan organization.

According to the stockholders who have been approached, Anderson claims there is available to them the sum of \$20,000, which is held by a liquidation committee.

One Salem woman told the commissioner that she gave Anderson a check for \$100. A Silverton man gave him \$25 and it is said other fees have been paid him in this vicinity.

There are several hundred stockholders in the Willamette valley, and the defunct organization operated several stores in the state.

BOGOTA, Colombia, June 16.—(AP)—A boiler explosion today destroyed the Colombian army gunboat Hercules. Ten of the crew were killed and several others injured.

BLEACHERS FALL AT PAGEANT AND 50 CHILDREN HURT

POTTSVILLE, Pa., June 15.—(AP)—Collapse of improvised bleachers on which 600 school children were seated at the Schuylkill county fair grounds this afternoon resulted in injuries to at least fifty of the children.

Although none was reported seriously hurt, physicians and nurses were being rushed to the fair grounds to give medical treatment and several of the children were being brought to a hospital here.

Many of the parents of the children had gathered in the grand stand opposite the bleachers to witness a pageant and rushed into the huddled mass of children to rescue their little ones.

One of the trusses supporting the planks of the bleachers gave way under the heavy weight and the whole structure collapsed throwing the children on top of each other. The pageant was to be held in connection with the annual farm field day at the fair grounds and some 2,000 persons witnessed the accident.

The bleachers had been built on the stage of the bandstand.

ROLLER TOILS FOR TURK GRAPPLER

JACK ROLLER, the big 220-pound German wrestler, has begun a program of intensive training for his match here June 29 with Hassan Mohammed, champion of Turkey touring the United States, and last night tossed with L. Ritter, 270-pound Gold Hill resident, in order to improve his already good condition.

The Turk comes highly touted and is in the possession of the Turkish championship belt. Mohammed is known for his vicious and tenacious holds, which he grips with a death-like fervor until forced to break away. An article recently in the Liberty magazine described his method of wrestling and was read by many local wrestling fans, making them all the more anxious to see him in action.

However, fans have great faith in Ritter, who demonstrated his ability a short time ago by throwing Tommy O'Brien in 15 minutes at the armory as a special event preceding the Strangler Lewis-Bill Shaw match.

LA GRANDE, Ore., June 16.—(AP)—The Oregon Eagles, in convention here, elected officers and selected Klamath Falls as the 1929 convention city.

WIMBLEDON, England, June 16.—(AP)—For the first time since 1925, Great Britain's women tennis stars broke through the American defense today to win back the Wightman cup, symbol of supremacy as famed in the women's court world as the Davis cup is among the sturdier sex.

By a margin of four matches to three and chiefly through brilliancy in doubles play in the two days of competition the English girls regained the trophy that has not rested on Britain's shelf since the contest at Forest Hills in 1925. In total victories the count now is tied at three all for America won in 1923, 1924 and 1927, losing the second of the series in 1924.

Victory for England came with a rush today after Helen Jacobs, California companion of Helen Wills, had squared the matches at three all with a clean cut win over Betty Nuthall, 6-2, 6-1, in the final singles contest. On the shoulders of the crack doubles team of the two countries rested the burden of final victory, and with surprising ease Mrs. M. Holcroft Watson and Miss Eileen Bennett overpowered Penelope Anderson, from Richmond, Va., and Helen Wills, the one outstanding star of the tournament, 6-2, 6-1. Standing alone in the singles play except for the help of Miss Jacobs, the queen of American courts was the ace of invaders' play. Her game on the Wimbledon center court came up to all expectations of the British crowds that have welcomed her.

HONOLULU, June 16.—(AP)—The yacht Talaya, the largest of six entrants in the race from Newport Harbor, Cal., to Honolulu, crossed the finish line here about 2:30 p. m. today. The Talaya was the scratch boat in the race which started June 3. The official time will be announced later.
