A Pippin of a Stock Ranch With a good outrange available and hay capacity for a large bunch of stock cattle or a real dairy ranch, and within easy reach of Medford's whole-milk market, is now available with the payment of a small sum to clear up the equity of the holder, and with its immense hay yielding capacity, the right man can make a fortune on this large tract.

THERE'S BIG MONEY IN MILKING COWS And a government pension is no surer income than the monthly pay check from the distributor of the creamery. The wealth of America is in the land, and if you will abandon the strife after easy-money from stocks and bonds, which too often spells G. I. E. F. It will be better for all parties in the long run.
