BOBBY JONES IN FINE FORM; GETS ONE UNDER PAR

CHICAGO, June 20.—(AP) There was joy in the heart of golfdom today and the skill of Bobby Jones still lives.

The reason for such jubilation at the Olympia Fields Country club where the national open championship begins tomorrow was because the difficult number four tournament links had been made a bit easier, even on the heels of concrete proof that its par could be beaten, for Bobby Jones turned in a 70 yesterday, one under perfect figures.

The decision to make the championship course a mite easier was reached by officials of the United States Golf Association and the country club following much argument after several of the leading golfers suggested the fourth hole be played from the forward tee, cutting 30 yards from the 398-yard hole.

Some of the golfers wanted to play the entire 18 holes from the forward tees, but this idea was rejected although the officials did decide to use the front tee on the fourth hole when it was found that even a good drive from the back tee would land on a slope and perhaps bounce out of bounds.

The decision to shorten that hole came not long after Bobby Jones had turned in the low practice score by shooting a 55-35-70, one under par. Previously a 72 carded by Tommy Armour, the defending champion, and one or two others had been the low scores and many of the golfers were commenting on the toughness of the course; Bobby himself, until he shot his 70, had contented himself with three rounds of 77, 74, and 75, leading experts to believe the winner of the title this year would turn in a card not much under 300.

MICKEY SAYS HE'LL WIN IN SIX ROUNDS

CHICAGO, June 20.—(AP) "I'll stop Hudkins within six rounds." "I am confident of defeating Walker and winning the middleweight title."

That's the way Mickey Walker, world's middleweight boxing champion, and Ace Hudkins, Nebraska wheat challenger, sized up each other as they tapered off training today for their title contest at Comiskey field tomorrow night. Both boxers would up the strenuous part of their training yesterday. The challenger was not to box today, but was booked to go through some lumbering up exercises in a downtown gymnasium, while Walker confined his program to a long walk.

Walker has been guaranteed \$75,000, with a privilege of 42 1/2 per cent of the net receipts. Hudkins has been guaranteed \$25,000, with a privilege of 22 1/2 per cent. Promoter is planning to handle a \$200,000 gate, the largest in the history of the middleweight division.

Wash Dishes to Keep Hands Nice

Beauty Expert Advises Girls

Girls, perhaps you hate doing the dishes. Listen to what Miss Susan Breslin, teacher in a famous New York beauty school, says— "Washing dishes makes beautiful hands—provided it is done with pure Lux suds."

Miss Breslin explains that "the very thorough gentle cleansing that one gets from Lux suds is excellent for the skin." She adds:

"However, the good effect of this thorough cleansing is lost and much harm done, if ordinary household soap is used. Such soaps often contain harmful alkalis, which dry up the oils of the skin, leading to wrinkles and coarsening of texture. "Lux is so mild that it protects the skin oils and soothes the skin."

"My students are trained to use Lux suds in manicuring the nails, and the home woman will find that

DOPE CARDINALS TO WIN TITLE IN NAT'L LEAGUE

(By the Associated Press.)

If the St. Louis Cardinals retain their present three-game advantage during the cut-throat competition in the west, then they must be considered odds-favorites to repeat their triumph of 1926.

The Cardinals made it two out of three from the second place Reds at Cincinnati yesterday, 9 to 4, and avenged their defeat of Tuesday. Vance pitched just two balls at Philadelphia and Brooklyn went down to defeat, 11 to 10. After Jim Elliott had knocked out a home-run in the first half of the ninth and given the Robins a one-run lead, the Phils put two men on the paths in their half. Vance then was summoned to relieve Elliott. He pitched one wide one, the next one was to the liking of Walter Morlan and the ensuing triple down the third base line scored the tying and winning runs. Elliott was charged with the defeat because he had put the runners on base.

In the American league, Washington and Boston split even in two games, the Red Sox taking the first, 5 to 1, on Russell's effective pitching, but bowing to the Senators in the second, 14 to 7. Washington collected 20 hits in the nightcap.

BEAR CREW WINS RIGHT TO ROW IN OLYMPICS

POUGHKEEPSIE, N. Y., June 20.—(AP) California's Golden Bears swept down the Hudson river yesterday to win the classic four-mile varsity championship race of the intercollegiate regatta, incidentally smashing the record for the course by 17 2-5 seconds, in the astonishing time of 18 minutes, 35 4-5 seconds.

Columbia was second, trailing California by three-quarters of a length in a last mile duel. Washington finished third, nearly two lengths behind Columbia, with Cornell, the Naval academy, Syracuse and Pennsylvania following in that order.

Navy won both the freshman two-mile and junior varsity three-mile events, naming up a new record in the latter of 14 minutes, 18 seconds. Cornell finished second in both these contests.

In the freshman race, Syracuse was third, with Washington, Pennsylvania, Columbia and California trailing. In the junior varsity, Syracuse was again third, with Washington, Columbia and Pennsylvania finishing in that order.

Johnny Risko to Fight Godfrey in New York Tonight

NEW YORK, June 20.—(AP) Because of the threatening weather, the 16-round heavyweight bout between Johnny Risko and George Godfrey, which was scheduled for tonight in Ebbetts field, was postponed this afternoon until Saturday night.

NEW YORK, June 20.—(AP) Advised by Tex Rickard to keep on fighting if he hopes to get a shot at the heavyweight title, Johnny Risko, the Cleveland boxer boy, returns to the fistle arena tonight in a 10-round bout against George Godfrey, giant negro.

Rickard fought his way through Rickard's elimination tournament and ended with a slightly higher percentage than Tom Heeney who meets Gene Tunney for the title here on July 26. Risko led a decision to Heeney at Detroit before the elimination started so the New Zealand blacksmith plucked the prize plum. Johnny won, but he didn't get anything.

MEDFORD PEOPLE TO SEE FINISH OF RACE

Quite a number of Medford people plan to go to Grants Pass tonight to see the finish of the second annual Indian marathon race. Much interest has been taken here in the outcome of this year's race, with nearly everyone pulling for the Grants Pass entries to win.

From present appearances Flying Cloud has the first prize of \$5000 well in hand. However, Mad Bull, the other Grants Pass Caveman entry, had somewhat luck early in the race and will have to go some to place in the prize money. From last reports he is gaining steadily on the leaders and may yet spring a surprise on some of his opponents.

The "Cavemen" are staging a big carnival in Grants Pass tonight to celebrate the finish of the race, and many Medford people will no doubt take this in before returning home.

Moving pictures of the finish of the Indian marathon race will be taken by H. L. Bromley of this city for the Copco Current Events newscast. Mr. Bromley plans to leave this evening for Grants Pass and will take along a supply of "flares" for night pictures. Last year the start of the race was in San Francisco, and many pictures along the route, as well as the finish, were taken by the Copco cameraman, who has a most complete movie record of the first annual Indian marathon.

PORTLAND DROPS ANOTHER, SEALS INCREASE LEAD

(By the Associated Press.)

Gordon Rhodes, youthful Hollywood hurler, was in great form against Portland, shutting out the Beavers, 7 to 0. The Stars nicked Tomlin for 14 safe blows. Batteries: Tomlin and Ainsmith; Rhodes and Bassler.

Ed Bryan turned on his former team mates, the Missions, in the series opener, holding them to eight scattered hits while the Indians clicked out 10 for a 4 to 3 win. The Belts threatened in the seventh with two on and no outs but Bryan tightened and shut them out. Huff, formerly of Seattle, hit a homer for the Belts. Batteries: Bryan and Borreant; Pillette and Whitney.

With "Dutch" Reuther pitching aright but the Beavers catching their league-leading pace with an easy 8 to 2 victory over Sacramento. The Solons collected eight hits, but they were well scattered. A pair of hits and two Solon errors gave San Francisco five runs in the third. Batteries: Ruether and Spinks; Vinel, Gould and Severid.

In a free hitting contest, Los Angeles registered a 9 to 7 win over Oakland. Four home-runs, two by Arlett, one by Berger and another by Schumlerich, featured the hit. Batteries: Barfoot, Pitt, Weatherly and Hannah; Graghead, Wetzel and Reed.

MANY UNFILLED WHIPPET ORDERS

Production of Willys-Knight sixes and Whippet Fours and Sixes is being maintained at capacity. Willys-Overland officials said here during the past week and every effort is being made to fill the large volume of unfilled orders that have been on the company's books for months.

Production facilities have been materially expanded since the first of the year in all Willys-Overland plants, both in this country and in Canada to meet the record buying demand for all Willys-Overland products. The latest expansion, includes the breaking of ground at Los Angeles for the new Willys-Overland assembly plant which will have a capacity of about 20,000 cars a year. The opening of the Los Angeles plant will enable the plants at Toledo, Elmira, N. Y. and Pontiac, Mich., to turn out increasingly large numbers of cars for shipment to territories east of the Rocky mountain districts.

Throughout the nation the demand registered for Willys-Knight and Whippet motor cars has resulted in the company setting new sales, production and shipping records, marking 1928 as the most prosperous year in the 29 years history of Willys-Overland.

The buying demand started early in the year after the company's sensational move of reducing the prices of the Whippet Four models for a level competitive with the new Ford cars.

Indications are that June sales will be a record.

United States government authorities show that under favorable conditions with a beginning of one male and one female fly they may increase in one season to over 50,000,000,000 flies. This shows the need of Fly-Tox sold everywhere.

T. S. JOHNSTON WINS ENDURANCE GOLF MARATHON

"Mad Bull," the Karoosk hunter champion, has nothing on T. Slater Johnston, when it comes to a game uphill fight in a long distance endurance contest. Yesterday at the local golf club, Johnston, with the red flag of battle flying under his helmet, put out his rival, T. Shreve alias the Flying Cloud, at the 20th hole, by sinking a corker-er putt of 20 yards for a par 4.

Johnston covered ten holes in the rough on the first 18 holes, but only covered seven when he caught his driver on his left puttee, and falling overtook the sand box on the 17th tee. Helped to his feet by his caddy assisted by his gallant opponent, "Flying Cloud" Johnston was heard to say, as he pinched a new tee on the mat, and sent a screamer into the forest, which hit a scrub oak and bounced back into the fairway for a perfect second shot.

Shreve put up a game fight, but the superior endurance of his opponent proved too much for him. Noting the deep-purple cast of his rival's countenance when the score was all even at the end of the 18th, Shreve remarked, "I've got him!" This defiance, however, seemed only to revive the Antelope veteran's falling spirits, for, handing over his necktie and pocket-book for his caddy to carry, he marched to the tee and knocked a beauty to the fairway—on the preceding hole. This was too much for flying "Cloud" Shreve, who in spite of three water blisters on his right foot, had been gaining steadily the last two miles—and he took a slice out of the mat, leaving himself stymied by the water bucket.

From then on it was easy sailing for the Mad-Bull, and the famous "broken-arch" marathon was over. In spite of the fact that Johnston had to be driven by the showers in the club tractor by Caretaker Boggs, he was reported recovering rapidly this morning and is expected to win the second flight easily, unless he has to play Dave Wood—who is conceded to hold the Indian sign over the famous marathon.

Meanwhile, the golf tournament was nearly on, with young Tom Emmons slated to win the first flight, he having put out the former club champion, J. D. Russell, yesterday in the second round, three and two.

The results to date follow: First Flight J. D. Russell beat G. C. Corum, 2 and 1. T. Emmons beat B. Hammond, Jr., 5 and 3. R. Ruhl beat H. Marx, 7 and 6. L. Wilcox beat H. Scheffel, 6 and 5. L. Carpenter beat G. Gates, 4 and 2. T. Miles beat D. Tyree, 6 and 4. V. Sawyer beat D. Buckingham, 6 and 4. E. Tunny beat C. J. Semon, 4 and 3. T. Emmons beat Russell, 3 and 2.

Second Flight Geo. Hunt beat C. E. Braley, 4 and 2. A. E. Orr beat J. J. Buchter, 2 and 1. E. J. McPherson beat G. Roberts, 5 and 4. V. Breckman beat R. Hardwell, 5 and 3. D. I. Clark default from R. Hammond, Sr. T. S. Johnston beat R. Shreve, 1 up 20 holes. W. F. Biddle beat J. Heath, 5 and 4. H. R. Wood beat G. Robinson, 2 up.
