

SCOUT COURT OF HONOR GIVES OUT MERIT BADGES

There were 22 Scouts in attendance at camp the past period. This is a capacity attendance. Many Scouts are happier, wiser and advanced in rank as a result of the past period in camp. There have been new friends formed and new "buddies" have become acquainted. Swimming, life-saving and scouting will be carried back to the troops of the council after the experience. Several troops were outstanding in their attendance at camp. Troops 12 of Ashland, 20, 21 and 22 of Grants Pass, 35 of Jacksonville and 2 and 3 of Medford were among those with the highest percentage of attendance during the past two periods.

The court of honor awarded the following merit badges: Robert Hearn, surveying; Levon Dunford, surveying; Robert S. Lewis, craftsmanship in wood; Bruce Merrifield, carpentry; Wallace Palmer, safety; and Donald Wald, athletics and life Scout. The judge of the court was Don Newberry and the Scout commissioner, Larry Schaefer, and chairman of the Court of Honor, Colonel Paine sat on the jury, together with W. F. Quisenberry, A. K. Clement, Rev. E. P. Lawrence, Oscar E. Lewis, Kenneth Merrifield and Oliver Rogers.

The Scouts observe their duty in matters of religion, and have in connection with the court of honor each week an address by one of the members of the court and fitted to talk in an interesting way to them. The address today was given by Rev. E. P. Lawrence, who gave an inspirational talk which was attentively followed by a large group of Scouts and visitors.

The following Scouts achieved the rank of satisfactory camper: Edwin Peters, Layton Clement, John Partridge, Thudley Champion, Phil Quisenberry, Dick Steiner, Bobbie Root, Clyde Malone, Bruce Merrifield, Robert Lewis, Hubert "Stomach" and those were awarded the "honor" camper award: Maurice Williams, Billy Cummings, Casius Rogers, Roger Headlee, Duane Malone, Don Wald, Levon Dunford, Wallace Palmer, Russell Peterson and Wallace Palmer.

There were three Scouts who made the initial step into the ranks by taking their oath of the Scout before the assembled group. Leo Port, son of the district ranger, who is a Lone Scout, was one of these. The others were Dick Steiner and John Partridge. Luciano Clement advanced to the rank of second class. The meeting closed with the call of the bugle corps which sounded retreat, and the flag was lowered for the day. The honor-campers had the privilege of putting away the flag for the last time this camp.

CROWN PRINCE IS HOPEFUL HIS SON WILL HALT DIVORCE

BUCHARREST, Romania, June 25.—(AP)—Former Crown Prince Carol hopes that his six-year-old son, King Michael, will some day annul the decree of divorce that Michael's mother, Princess Helen, obtained last week.

In a communication to his lawyers, Carol said he had never abandoned hope that he and his wife might become reconciled. He asserted it was a source of grief and pain to him to be separated from King Michael, whom he loves dearly.

Since he was exiled from Romania, Carol said he led a miserable life. The Italian-haired Magda Lupescu, with whom he eloped in 1925 and who has been his companion since then, was his only source of consolation, he wrote. He asserted she has treated him like a brother.

GORE AND HANLEY PICKWICK STAGE RANCHES HAVE A CLOSE FIRE CALL

A grass fire yesterday afternoon, presumably caused by a cigarette stub thrown from a passing stage, swept ten acres back of the W. H. Gore ranch, and for a time threatened hay and main fields. Back firing prevented the flames from destroying a wheat field belonging to Alice Hanley. The fire was fanned by a brisk wind. The city chemical engine went to the Gore ranch and aided in checking the blaze.

The fire swept through the stacks on the lands with great speed. C. J. Hoover, who was working in his near vicinity, saw the smoke and did not make it until passing automobiles called his attention. He saw Mike Hanley, who was in Eagle Point, 15 miles away, saw the smoke, and came in his auto at high speed.

The entire neighborhood was soon out fighting the fire, and it was brought under control after an hour's work.

A rail fence, built half a century ago on the Gore property, was unscathed, though flames roared on both sides. The fire raged a large colony of jackrabbits. The flames burned a patch 25 feet square in the Alice Hanley wheat, which damage is estimated at \$100.

SALEM MAN HURT WHEN CAR HITS A TELEPHONE POLE

PORTLAND, Ore., June 25.—(AP)—Breaking off a telephone pole and plunging through a fence, a sedan driven by Gordon Thompson of Salem early today dropped twelve feet over an embankment, injuring Thompson severely and inflicting bruises and cuts on the body of a girl companion, Miss Susan Lucas. Another occupant of the car whose name was not learned escaped injury.

Thompson and Miss Lucas were taken to the Portland sanitarium. The accident occurred at 82nd street and Sunnyside road in Clatsop county. A heavy plank punctured the radiator and penetrated the dashboard to within a few inches of the seat of the car. Clatsop county officials declared it was a miracle that anyone escaped alive.

The automobile Thompson was driving is the same car which went over an embankment south of Cannon last winter, officers said. The car was found this morning with pools of blood about it. It later was learned that a passing car took the injured persons to the hospital.

ALLEGED MOONSHINERS HELD

James Spitzer and Robert Purvis, both of the Talent district, were arrested late Saturday night by Deputy Sheriff Raymer, and are charged with possession of liquor, and possession and transportation of liquor.

According to Sheriff Jennings, Spitzer is alleged to have sold liquor to boys. In 1925, he served a six months county jail sentence, and paid a \$500 fine for bootlegging operations.

The pair are held in the county jail, and are scheduled to appear for sentence this afternoon.

Purvis, in Justice Taylor's court here this forenoon, was fined \$25 for the possession of liquor, and \$100 in a tomorrow, as he was not ready today to enter a plea on the charge of transporting.

It seems that the deputy sheriff had the men under surveillance and expected to find a quantity of booze in their car.

BOY SCOUT GIVEN HIGH CAMP HONOR

The custom of electing the one Scout who is most helpful and cheerful, and whom the Scouts would most like to have as a buddy in camp, has been initiated this year at Applegate Scout camp, which is operated for all of the Scouts of the Crater Lake area.

During the first period Maurice Williams of Medford was elected to that coveted position. The Scouts elected Billy Cummings as honor camper for the second period at their court of honor yesterday afternoon.
