

OSWALD WEST MAY BE UNSEATED BY OREGON ENVOYS

(By M. E. Barker, Associated Press.) SAM HOUSTON HALL, HOUSTON, Texas, June 27.—(AP) Possibility that the name of Oswald West may not be reported to the democratic national convention as national committeeman for Oregon developed this afternoon.

When Oregon was reached on the roll call for national committee members, Dan J. Fry, Salem, chairman of the delegation, informed Chairman Robinson that the delegation was not ready to report.

After adjournment of the session Fry explained his action was prompted by a published statement in which West was quoted as saying he would resign from the national convention in the event of Fry's nomination for the presidency.

LOUVAIN STUDENTS TEAR DOWN PILLAR

LOUVAIN, Belgium, June 27.—(AP) Despite the presence of four policemen, 300 Louvain students and civilians, demonstrating in favor of the American architect, Whitney Warren, invaded the new library work today and destroyed to pieces the pillars of a balustrade which Rector Ladeuze desired to have erected instead of the architect.

Gen darmes went on guard at the approaches to the library in order to prevent further trouble particularly since there is much open resentment in Louvain of Mr. Warren's position against that of the rector.

Mr. Warren has held out strongly for the original inscription reading in part: "Destroyed by German fury," while the rector and those who support him have contended that this would serve merely to revive war hatreds.

Wall Street Report NEW YORK, June 27.—(AP)—Marking up of the call money rate to 7 1/2 per cent, the highest since June 7, 1921, checked a brisk uptick in today's stock market.

Early gains of one to four points in the standard calls and industrials and five to 12 points in a few specialties were cut down, but prices generally held above the closing quotations of yesterday.

Trading was on a slightly broader scale than yesterday up until the time the high money rate went into effect.

The closing was strong. Selling on the big money rates was so well absorbed that shorts became frightened in wire dealings and bought back their stocks hurriedly, causing material advances of industrials like United States Steel, Radio and General Motors, the last mentioned touching 180.

Total sale approximated two million shares.

GOSH! SHE CAN'T REMEMBER ALL CASH SHE SPENT

PORTLAND, Ore., June 27.—(AP) "Like any woman, I said thank you when my husband gave me jewelry and was glad to get it," Mrs. Esther Cooke, wife of James P. Cooke, president of the defunct brokerage house of Overbeck and Cooke, declared today from the witness stand when she was questioned about a \$6300 emerald ring Cooke had given her, and which had been paid for out of company funds and money belonging to creditors.

"Gosh, I can't remember every cent I spent," she later declared while being questioned about recent expenditures, following the mortgaging of her home in Portland for \$15,000.

Smiling serenely and at times defiantly, Mrs. Cooke denied any knowledge of the whereabouts of an automobile owned by her husband and which, it was brought out during the hearing this morning before A. M. Cannon, referee in bankruptcy, was paid for out of the defunct "J. R. Smith" account.

Attorneys for J. G. Gillingham, certified public accountant and trustee for the creditors endeavored to learn from Mrs. Cooke the amount of tangible assets if any that remained in the hands of her and her husband.
